**YELLOW ROCK RESOURCES LTD TO HOST
86TH VANITEC MEETING IN PERTH, WESTERN AUSTRALIA
31ST MARCH TO 2ND APRIL 2014**

Yellow Rock Resources Ltd (ASX: YRR) announces that it and its subsidiary Australian Vanadium Resources Pty Ltd will host the:

86th Vanitec Meeting
Perth Western Australia
31st March 2014 to 2nd April 2014

Yellow Rock Resources Ltd joined Vanitec in 2012.

Vanitec is a technical and scientific committee which brings together representatives of companies and organisations involved in the mining, processing, manufacture, research and use of vanadium and vanadium-containing products from countries including Austria, China, Canada, Finland, New Zealand, Russia, South Africa, Sweden, Switzerland, USA and now Australia.

Vanitec operates as a not-for-profit organisation with the objective of researching and promoting the use of vanadium bearing materials for the benefit of mankind and the environment. Meetings between Members are conducted in strict compliance with Antitrust Guidelines.

Yellow Rock Resources Ltd looks forward to improving Australia's government and industry understanding of the use and advantages of Vanadium.

Yours faithfully,

Sydney Chesson
Chairman
