ASX Market Announcements Office  
Australian Securities Exchange  
20 Bridge Street  
SYDNEY NSW 2000

Dear Sir/Madam

**Sale of Avalon Minerals Limited shares by ASIC on behalf of the Commonwealth of Australia**

On 25 November 2013, The Australian Securities and Investments Commission (ASIC) advised that 46,466,548 shares (3.86% of the total voting shares on issue) in Avalon Minerals Limited had vested in the Commonwealth of Australia.

The vesting of shares arose as a result of the **attached** orders made by the Takeovers Panel dated 14 October 2013.

ASIC has been notified by its broker that the all of the shares vested in the Commonwealth of Australia for sale by ASIC were sold off-market after the market closed on 16 April 2014, for a price of \$0.0175 per share. ASIC understands that the trade was reported to the market prior to the market opening today.

Yours sincerely

Kate O'Rourke

#### **Substantial holding notices**

8. Within 2 business days after the date of these orders, the associated parties must give notice of their substantial holding in Avalon and their association in accordance with s671B.<sup>1</sup>

- (b) account to the associated parties for the proceeds of sale, net of the costs, fees and expenses of the sale and any costs, fees and expenses incurred by ASIC and the Commonwealth (if any).
11. ASIC must:
- (a) retain an appointed seller to conduct the sale and
  - (b) instruct the appointed seller to:
    - (i) use the most appropriate sale method to secure the best available sale price for the sale shares that is reasonably available at that time in the context of complying with these orders, including the stipulated timeframe for the sale and the requirement that none of the associated parties or their respective associates may acquire, directly or indirectly, any of the sale shares

  - (b) until the Commonwealth is registered, complying with any request by ASIC in relation to the sale shares.
13. None of the associated parties or their respective associates may acquire, directly or indirectly, any of the sale shares.
14. The associated parties must not otherwise dispose of, transfer, grant a security interest over (or agree to any such disposal, transfer or grant) or vote any sale shares.
15. Nothing in these orders obliges ASIC to invest, or ensure interest accrues on, any money held in trust under these orders.

**Restrictions on voting and additional acquisitions**

16. In addition to order 14, for 18 months from the date this order comes into effect, Tan Sri Abu and his associates (excluding Dato Richard Lim) must not exercise, and Avalon must disregard, any voting rights in respect of shares in excess of 'A' % voting power in Avalon (as calculated in the formula below).

$$A = B - C$$

where:

B is 20% + 3% for each 6 month period following the date of these orders<sup>2</sup>

C is the voting power of Dato Richard Lim in Avalon at the time (excluding any shares held by Tan Sri Abu)

17. Order 16 does not apply to any Avalon shares acquired which increase the voting power of the associated parties after the date of these orders where such acquisition is not prohibited by Chapter 6. However, the associated parties and their respective associates must not make any acquisition of Avalon shares that, but for item 9 of s611, would contravene s606 until order 16 ceases to apply in relation to any Avalon shares held by any of them.

#### **Effect**
