

## ASX Announcement

3 April 2014

### **Asia Pacific Digital Limited (formerly Digital Performance Group Limited) completes acquisition**

Further to its announcement on 17 March 2014, Asia Pacific Digital Limited (formerly Digital Performance Group Limited) announces that the conditions precedent regarding the acquisition of the Asia Pacific Digital Australia Group have now been satisfied. Completion of the transaction will be effective as at 31 March 2014. Accordingly, on 31 March 2014, Digital Performance Group Limited was renamed Asia Pacific Digital Limited but has retained its existing ASX stock code (ASX:DIG).

Settlement calculations based on asset balances as at 31 March 2014 are currently being finalised to determine the resulting new shares to be issued to the sellers, Co-Investor Capital Partners Pty Ltd and Valuestream Investment Management Limited, in final consideration for the sale.

Upon completion of these settlement processes an Appendix 3B with respect to the new issue will be released to the market within the next ten business days.
