**NOTES TO THE FINANCIAL STATEMENTS FOR THE  
HALF-YEAR ENDED 31 DECEMBER 2013**

**NOTE 1: BASIS OF PREPARATION**

The half-year consolidated financial report is a general purpose financial report prepared in accordance with the requirements of the *Corporations Act 2001* and Accounting Standard AASB 134: Interim Financial Reporting. Compliance with AASB 134 ensures that the financial report and notes also comply with International Financial Reporting Standards IAS 34: Interim Financial Reporting.

It is recommended that this consolidated financial report be read in conjunction with the annual financial report for the year ended 30 June 2013 and any public announcements made by Gladiator Resources Limited and its controlled entities during the half-year in accordance with the continuous disclosure requirements arising under the *Corporations Act 2001*.

The half-year consolidated financial report does not include full disclosures of the type normally included in annual financial reports.

Except for cash flow information, the half-year consolidated financial report has been prepared on an accruals basis and is based on historical costs.

The accounting policies have been consistently applied by the consolidated entity and are consistent with those in the 30 June 2013 annual financial report, except in relation to the matters disclosed below:

**New and Revised Accounting Standards and Interpretations**

The consolidated entity has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to its operations and effective for the current reporting period. The adoption of these new and revised Standards and Interpretations has not resulted in a significant or material change to the consolidated entity's accounting policies.

The consolidated entity has elected not to early adopt any new standards or interpretations.

**Going Concern**

The consolidated entity recorded a net loss after tax from operations of \$167.371 for the half year ended 31 December 2013 (31 December 2012: \$546.093), had net cash inflows from operations of \$169.641 (31 December 2012: outflow of \$382.669). These conditions give rise to a material uncertainty which may cast significant doubt over the consolidated entity's ability to continue as a going concern.

The ongoing viability of the consolidated entity and the recoverability of its non-current assets are dependent on the successful development of its exploration and evaluation expenditure, and/or sale of assets and future capital raisings.

The half year financial report has been prepared on the going concern basis, as the Directors believe that adequate funding will be raised to enable the consolidated entity to pay its debts as and when they become due for a period of at least 12 months from approval of this report.

**GLADIATOR RESOURCES LIMITED**  
**AND ITS CONTROLLED ENTITIES**

**NOTES TO THE FINANCIAL STATEMENTS FOR THE  
HALF-YEAR ENDED 31 DECEMBER 2013**

It is the Directors' plan that this funding will be raised through placement of shares to existing shareholders and the public. In the event the consolidated entity is delayed in raising development funding the consolidated entity may need to reduce its rate of expenditure or raise additional working capital to ensure that it can continue to meet its obligations as they fall due.

Should the consolidated entity be unable to continue as a going concern it may be required to realise its assets and discharge its liabilities other than in the normal course of business and at amounts different to those stated in the financial statements. The financial statements do not include any adjustments relating to the recoverability and classification of asset carrying amounts or the amount of liabilities that might result should the consolidated entity be unable to continue as a going concern and meet its debts as and when the fall due.

## INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Gladiator Resources Limited

### Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Gladiator Resources Limited, which comprises the consolidated statement of financial position as at 31 December 2013, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a statement of accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year's end or from time to time during the half-year.

#### Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2013 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Gladiator Resources Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which

has been given to the directors of Gladiator Resources Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

#### **Conclusion**

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Gladiator Resources Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2013 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*

#### **Emphasis of matter**

Without modifying our conclusion, we draw attention to Note 1 in the half-year financial report, which indicates that the ability of the consolidated entity to continue as a going concern is dependent upon the future successful raising of necessary funding through equity, successful exploration and subsequent exploitation of the consolidated entity's tenements. These conditions, along with other matters as set out in Note 1, indicate the existence of a material uncertainty that may cast significant doubt about the consolidated entity's ability to continue as a going concern and therefore, the consolidated entity may be unable to realise its assets and discharge its liabilities in the normal course of business.
