## **ASX announcement**

### **Mastermyne Group Limited Awarded Anglo Coal Moranbah Region Umbrella Contract**

Leading underground coal contractor Mastermyne Group Limited (ASX Code: MYE) (“Mastermyne” or “the Company”) is pleased to announce that it has been awarded the Moranbah Region Umbrella Contract with Anglo American Metallurgical Coal Pty Ltd. The term of the contract is three years with options to extend annually for an additional two years. Work under this contract is estimated to build over the next 12 months and currently estimated to contribute \$150 million over the term of the contract including the options period.

The scope of work, which covers the Anglo American underground sites in the Moranbah region, encompasses:

- Design, supply & installation, recovery and maintenance of ventilation structures and devices;
- Installation of secondary support;
- Outbye support and maintenance activities;
- Conveyor belt installations and recovery.

The contract will replace the existing umbrella contract at Moranbah North Mine which will expire on the 6<sup>th</sup> of April 2014. Anglo American opted not to trigger the one year option but instead replace the contract with this new contract for a further 3+1+1 years.

Mastermyne CEO, Tony Caruso, said “we are very pleased with this result and look forward to continuing our strong working relationship with Anglo American. The awarding of this major tender reinforces Mastermyne’s strong standing in the coal sector and we are looking forward to building on this success with further contract wins”.
