Dear Roland

Palace Resources Limited ("Company")

I refer to the Company's Quarterly Report in the form of Appendix 5B for the period ended 31 December 2013, released to ASX Limited ("ASX") on 31 January 2014, (the "Appendix 5B").

ASX notes that the Company has reported the following.

1. Receipts from product sales of nil.
2. Net negative operating cash flows for the quarter of \$204,000.
3. Cash at end of the quarter of \$5,000.
4. Estimated cash outflow for the next quarter of \$30,000.

In light of the information contained in the Appendix 5B, please respond to each of the following questions.

1. It is possible to conclude on the basis of the information provided that if the Company were to continue to expend cash at the rate for the quarter indicated by the Appendix 5B, the Company may not have sufficient cash to fund its activities. Is this the case, or are there other factors that should be taken into account in assessing the Company's position?
2. Does the Company expect that in the future it will have negative operating cash flows similar to that reported in the Appendix 5B for the quarter and, if so, what steps has it taken to ensure that it has sufficient funds in order to continue its operations at that rate?
3. What steps has the Company taken, or what steps does it propose to take, to enable it to continue to meet its business objectives?
4. Can the Company confirm that it is in compliance with the listing rules, and in particular, listing rule 3.1?
5. Please comment on the Company's compliance with listing rule 12.2, with reference to the matters discussed in the note to the rule.
