## PAC PARTNERS RESEARCH REPORT

Renascor Resources Limited (ASX: RNU) is pleased to advise that PAC Partners Pty Ltd (PAC Partners) has prepared an initiation of coverage research report on Renascor.

The report is now available on our website at [www.renascor.com.au](http://www.renascor.com.au) under the Investors tab.

### **About Pac Partners:**

PAC Partners is a specialist provider of equities research and corporate advisory services with a highly experienced team focused on campaigning a select number of emerging companies. PAC Partners have a strategic alliance with Phillip Capital for the provision of research reports and cooperation on corporate advisory and capital markets work in Australia. Phillip Capital Australia provides a broad retail and institutional distribution platform.

### **Renascor Resources overview:**

Renascor Resources is an Australian-based company focused on the discovery and development of economically viable deposits containing copper, gold, uranium and associated minerals. Renascor's current focus is its Eastern Eyre project, located within the southern portion of the Olympic Dam belt in South Australia's Gawler Craton, where Renascor's recent drilling has intersected a significant mineralised copper system.
