

Notice of Award of Contract

19 March 2014

ASX & media
announcement

ASX code: SXE

Highlights

- SCEE Services secures two Rio Tinto contracts
- Award value in excess of \$10m

SCEE advises that it has been awarded two projects by Rio Tinto with a combined value of over \$10m.

The work, which forms part of Rio Tinto's Electrical Infrastructure Replacement program, will be performed at Cape Lambert and East Intercourse Island and includes the replacement and refurbishment of electrical equipment

The award follows SCEE's successful completion of phase one of these works.

The works will be executed by the Company's SCEE Services division and are scheduled to commence immediately and be completed over a twelve month period.

About SCEE

SCEE is an emerging Tier One provider of specialised electrical and instrumentation services to Australia's resources sector.

Delivering life-of-project electrical infrastructure, construction and support services to its blue-chip customers for more than 30 years, SCEE also has a strong reputation for safety and excellence.

Our expertise and capacity enables us to undertake complex large-scale projects in harsh and remote environments.

Committed to our people with a strong focus on training and development, our track-record and collaborative, flexible approach has seen us continually expand our operations.

SCEE was established in 1978 and was listed on the Australian Securities Exchange in 2007 under the code SXE.
