Market Update

Techniche Limited is pleased to advise that the company expects to report a net profit after tax in the range of \$1.5 to \$1.6 million dollars for the half year to December 31 2013.

The company further advises that the breakdown of this profit is based on a trading profit of approximately \$1.1m, with the balance being exchange gains.

It is expected that the final half year report will be published in the third week of February, at which time a more detailed update on the results will be provided, as well as updated guidance for the full year.

About Techniche

Headquartered in Brisbane Australia, Techniche delivers value to shareholders by investing in profitable technology companies that improve business performance. We employ an active management approach by working with and incentivizing management, to successfully grow the businesses organically and via strategic acquisitions.

Techniche has offices in Hamburg, Germany, Milton Keynes, UK, Chicago, USA, Melbourne, Australia, and a support and development team based in New Delhi, India and currently owns the following businesses;

- ERST Technology GmbH creates software for reliable high speed data transfer solutions, helping companies to transfer mission critical data, On time, anywhere, in any format. <https://www.erst-technology.com/>
- Urgent Technology Ltd provide a highly configurable Facilities Management infrastructure and field service management software to over 30,000 sites worldwide. These sites are typically managed and maintained by over 1 million third party contractors, with the software providing tight financial and regulatory control, while improving performance and encouraging behavior through industry best practice. <http://www.urgtech.com/>

- Statseeker designs, develops, markets, distributes and supports a network infrastructure monitoring (NIM) software tool to blue chip enterprises around the world. Statseeker is currently deployed in over 500 customer sites spanning many industries including Government, Military, Banking, Education, Manufacturing, Aviation, Telecommunications, Retail, Publishing, Automotive and Health. Further information on Statseeker can be read at www.statseeker.com.
