ASX ANNOUNCEMENT

ICRG-Viento Awarded Contract at Rio Tinto Iron Ore– Paraburdoo Tailings Storage Facility

Viento Group Limited (Viento, ASX: VIE) and Indigenous Construction Resource Group Pty Ltd (ICRG) have been awarded a contract by Rio Tinto worth approximately \$5.7 million to construct and commission an expansion of the Paraburdoo Tailings Storage Facility. The works under the contract are due to be completed by late August 2014.

Mr Patrick Pearcey, Managing Director of Viento Contracting Services said “The Paraburdoo Tailings Storage Facility contract is an important first step in developing a successful joint venture with ICRG. The joint venture will enable Viento and ICRG to showcase its capability. We are excited by the opportunity to continue the relationship with Rio Tinto as we build a mutually rewarding partnership.”

Clinton Wolf, Chairman of ICRG said: “ICRG is pleased to partner with Viento in a joint venture following the award of the Paraburdoo Tailings Storage Facility contract. The combined experience and expertise of the ICRG – Viento teams are focused on delivering great outcomes for the mining industry. This is a great opportunity for the joint venture to provide its services to Rio Tinto.”

– ENDS –

About Viento Group Limited (ASX: VIE)

Viento is a growing mining services business specialising in civil contracting on rail embankments, access roads and general mine infrastructure projects, mine pre-stripping, contract mining and utility services to the mining, oil and gas industries. Viento is a diverse and experienced specialist manufacturer of transportable switchrooms used for mining, oil and gas, and industrial projects. Viento provides equipment and labour hire to established mining and civil projects, heavy duty mechanical repairs and mine site shutdowns. Viento continues to manage two residential land subdivisions.

About Indigenous Construction Resource Group (ICRG)

ICRG is an Indigenous focused mining services company working closely with regional Aboriginal communities and have developed an extensive Indigenous labour network across Australia, working side by side with both Indigenous and non-Indigenous crews who are skilled in, Construction and Project Management.
