Viento awarded Rio Tinto Nammuldi BWT: Road Maintenance and Miscellaneous Earthworks contract

Viento Group Limited (Viento, ASX: VIE) joint venture entity, KVG Joint Venture Pty Ltd (KVG), has been awarded the Rio Tinto Nammuldi Below Water Table (BWT) Road Maintenance and Miscellaneous Works contract worth approximately \$5 million.

The works contract is part of the Nammuldi mine's expansion works and will involve:

- Access Road Maintenance Grading
- Irrigation Pivot Clearing and Road Construction

KVG also recently completed a contract for Rio Tinto in Port Hedland earlier this year.

About KVG Joint Venture

Viento and Koodaideri Pty Ltd a 100% indigenous owned and operated business run by members of the Banyjima and Kariyarra language group of the central Pilbara, have come together to form the KVG.

The venture is a cooperative business arrangement and sets out to establish a profitable business venture whilst offering employment opportunities to the people in the Banjyma region of the Pilbara. Their aim is to lay the foundations for future Banjyma generations to continually build and improve opportunities and services to these grass root communities.

The directors and management of the joint venture have extensive experience which has driven its success to date.

About Viento Group Limited (ASX: VIE)

Viento is a growing mining servicing industry business specialising in civil contracting on rail embankments, access roads and general mine infrastructure projects, mine pre-stripping, contract mining and utility services to the mining, oil and gas industries. Viento is a diverse and experienced specialist manufacturer of transportable switchrooms used for mining, oil and gas, and industrial projects. Viento provides equipment and labour hire to established mining and civil projects, heavy duty mechanical repairs and mine site shutdowns. Viento continues to manage two residential land subdivisions.
