
Market Update

Further to White Star Resources Limited's (ASX: WSR) ("Company") trading halt request dated 29 May 2014, the Company advises that negotiations are continuing regarding a potential acquisition which, if it proceeds, may involve a capital raising and substantial asset acquisition. Once negotiations reach an appropriate stage the Company will make a detailed announcement setting out any proposed transaction and reinstating trading in the Company's securities. Should the potential asset acquisition continue to completion the Company would seek shareholder approval for the transaction and ultimately comply with chapters 1 and 2 of the ASX Listing Rules.
