28 March 2017

Rectification of Notice to NZX Limited – Listing Rule 7.12.1

Marlin Global Limited wishes to advise that the notice announced to the NZX on Monday 27 March under Listing Rule 7.12.1 relating to Marlin Global Limited securities acquired on market by Marlin Global Limited under the buy-back programme was in error. Marlin Global Limited did not acquire 20,000 Marlin Global Limited securities on 24 March 2017. The error arose due to the broker issuing a contract note to the wrong account.

The correct total number of Marlin Global Limited securities is 117,901,494 (excluding treasury stock of nil).
