STU/NZX announcement

## **Expanded business portfolio for S&T Stainless General Manager Steve Kubala**

I am pleased to announce that with effect 3 July 2017, General Manager of S&T Stainless Steve Kubala will add the leadership of Steel & Tube's Roofing, Coil and Purlins businesses to his current portfolio.

The roll forming businesses have had significant investment in Auckland and the Christchurch businesses are currently undergoing similar investment. Steve's appointment reflects the Company's desire for further growth within this area.

Steve was appointed to his current position in December 2014, and has held a number of Senior Management roles since rejoining the Company in 2007.
