In particular, this document does not constitute an offer to sell, or a solicitation of an offer to buy, any shares in the United States or in any jurisdiction in which such an offer would be illegal. TruScreen may, during the Offer, make additional releases to NZX and ASX. To the maximum extent permitted by law, no release by TruScreen to NZX or ASX will permit an applicant to withdraw any previously submitted application without TruScreen’s consent.

The market price for the Shares may change between the date this Offer opens, the date you apply for Shares under the Offer, and the date on which the Shares are allotted to you. The Share Options will be offered by TruScreen to shareholders in Australia pursuant to a Prospectus that will be provided to Eligible Shareholders with a registered address in Australia. Eligible Shareholders in Australia should consider the Prospectus in deciding whether to apply for the Share Options, and if they wish to do so, they must complete the application form that will be in or will accompany the Prospectus.

If shareholder approval for the grant of the Share Options is not obtained, the offer and issue of Shares under the SPP pursuant to this Booklet may proceed. QUESTIONS AND ANSWERS

What is the Offer?

The Offer allows Eligible Shareholders to subscribe for additional Shares in TruScreen Group Limited (“TruScreen”) without incurring brokerage or other transaction costs. All Shares issued under the Offer will be of the same class and rank equally with all existing fully paid ordinary Shares, which are listed on the NZX Main Board and quoted on the ASX, and, once issued, will carry the same voting rights and other entitlements.

Subject to shareholder approval by way of ordinary resolution at a special meeting, shareholders who participate in the SPP will also receive an unlisted Share Option based on 1 unlisted option for every SPP New Share. The expiry date of the Share Options is 12 months from the date of issue of the SPP New Share with an exercise price of \$0.022 (A\$0.02) per Share Option. The Share Option can be exercised at any time up to the expiry date by payment of the exercise price, but Shares issued pursuant to an exercised option will only be allotted on the last Australasian Business Day of the calendar month in which they are exercised.

The Share Options will be offered by TruScreen to shareholders in Australia pursuant to a Prospectus that will be provided to Eligible Shareholders with a registered address in Australia. A copy of the Prospectus is also available here <https://truscreen.capitalraise.co.nz/>. Eligible Shareholders in Australia should consider the Prospectus in deciding whether to apply for the Share Options, and if they wish to do so, they must complete the application form that will be in or will accompany the Prospectus.

If shareholder approval for the grant of the Share Options is not obtained, the offer and issue of Shares under the SPP pursuant to this Booklet may proceed. However, the grant of the Share Options may not occur. In these circumstances, participants in the SPP may receive New Shares under the SPP but not Share Options.

Do I have to participate in the Offer?

No - participation is entirely voluntary. Before you apply for Shares under the Offer, we recommend that you seek independent financial and other advice from your financial or other professional adviser.

The Offer is not made in accordance with your proportionate shareholding. As such, even if you participate in the Offer, your proportionate shareholding in TruScreen may change. Large shareholders may not be able to obtain sufficient Shares to maintain their percentage shareholding, while smaller shareholders may be able to increase their percentage shareholding. If you do not subscribe for any Shares under the SPP, and other shareholders do subscribe for Shares, then your percentage shareholding in TruScreen will be reduced.

Can I participate in the Offer?

You can participate in the Offer if you are an Eligible Shareholder. An Eligible Shareholder is a person who, at 7:00pm New Zealand Time on the Record Date, was recorded in TruScreen’s share register as being a registered holder of Shares and having a registered address in New Zealand or Australia.

For the avoidance of doubt, no U.S. Person (as defined in Regulation S under the US Securities Act of 1993) can participate in the Offer.

TruScreen has decided that the Offer is not available to Shareholders who are not resident in New Zealand and Australia, in order to avoid the risk of breaching laws in the relevant jurisdictions. TruScreen, in making this decision, has taken into account the small number of overseas Shareholders not resident in New Zealand and Australia.

If you are a Custodian, or you hold shares through a Custodian, please read section 3 of the Offer Terms and Conditions.

How much can I invest under the Offer?

The amount you may invest under the Offer is limited.

Eligible Shareholders may elect to apply for a parcel of Shares in any \$ amount up to a maximum of NZ\$50,000 (A\$45,000). If you receive more than one copy of this booklet, or if you hold Shares in more than one capacity (e.g., because you are both a sole and joint holder of Shares), the total value of the parcels of Shares that you may apply for in all capacities is NZ\$50,000 (A\$45,000).

The Issue Price is a New Zealand dollar amount. If you are an Australian Eligible Shareholder and apply for an Australian dollar amount of Shares, TruScreen will convert the New Zealand dollar Issue Price to Australian dollars at the NZ\$:A\$ exchange rate published by the Reserve Bank of New Zealand on its website at 7.00pm New Zealand time on the Closing Date. If the exchange rate varies such that the dollar amount you applied for exceeds NZ\$50,000, Shares having a total issue price of NZ\$50,000 (rounded down to the nearest whole Share) will be issued to you and you will be refunded the excess cash amount (unless that excess cash amount is less than NZ\$5.00, in which case it will be retained by TruScreen and not refunded).

By applying to purchase Shares under the Offer, you give the certification set out in the terms and conditions of the Offer and the Application Form.

The Offer is non-renounceable, so you cannot transfer your right to purchase Shares under the Offer to anyone else.

What can I do if I own Shares through a trustee or custodian or own Shares in more than one capacity?

Custodians that hold Shares on behalf of one or more beneficial owners may apply for Shares to the value of up to NZ\$50,000 (A\$45,000) on behalf of beneficial owners who are New Zealand or Australian residents, provided that they comply with certain certification requirements and other conditions set out in the terms and conditions of the Offer. For this purpose, in summary, a Custodian is a trustee company, nominee, or bare trustee that is permitted to act as custodian under applicable laws.

Joint holders are treated as a single Shareholder under the Offer and together can only make one application up to a maximum of NZ\$50,000 (A\$45,000). If you own Shares through a trustee or Custodian and also own Shares in your own name, then you may either purchase Shares yourself or instruct your trustee or Custodian to purchase Shares on your behalf, up to a maximum of NZ\$50,000 (A\$45,000). You may not do both.

Each trustee and Custodian must not participate in the SPP on behalf of, and must not distribute this Booklet or any other document relating to the SPP to, any person in the United States or elsewhere outside Australia and New Zealand.

What is the Issue Price of the Shares under the Offer?

The Issue Price is will be the lower of:

- a) NZ\$0.022 (A\$0.02) per Share (representing a 24.1% discount to the five day VWAP during the last five trading days prior to the Record Date); or
- b) a 2.5% discount to the five-day VWAP during the last five trading days before and including the Closing Date.

The number of Shares to be issued will be the subscription amount divided by the Issue Price, subject to any rounding as described in the Terms and Conditions.

What rights will the Shares have?

Shares issued under the SPP will rank equally with existing Shares quoted on the NZX and ASX, with the same voting rights and other entitlements.

What are the terms of the Share Options?

Subject to shareholder approval by way of ordinary resolution at a special meeting to be held shortly after the Closing Date, shareholders who participate in the SPP will also receive an unlisted option ("Share Option") based on 1 Share Option for every SPP New Share. The expiry date of the Share Option is 12 months from the date of issue of the SPP New Share and will have an exercise price of NZ\$0.022 (A\$0.02) per Share Option.

The Share Options can be exercised at any time up to the expiry date by payment of the exercise price, but Shares issued pursuant to an exercised Share Option will only be allotted on the last Australasian Business Day of the calendar month in which the Share Option is exercised. The Share Options may be exercised in whole or in part, with no minimum exercise multiple. All Shares issued upon the exercise of any Share Options will upon issue rank pari passu in all respects with other Shares. Share Options are not transferable and will not be quoted on the ASX or NZX. Share Options carry no voting rights and no right to participate in future issues of TruScreen shares. More detail on the rights and liabilities attaching to the Share Options is set out in 3.1 of the Terms and Conditions.

The Share Options will be offered to shareholders in Australia pursuant to a Prospectus that will be provided to Eligible Shareholders with a registered address in Australia.

If shareholder approval for the grant of the Share Options is not obtained, the offer and issue of Shares under the SPP pursuant to this Booklet may proceed. However, the grant of the Share Options may not occur. In these circumstances, participants in the SPP may receive New Shares under the SPP but not Share Options.

What are the risks of investing in the Offer?

The market price of Shares may rise or fall between the date of this Offer and the date when the Shares issued under the Offer are allotted to you. As a result, the Issue Price you pay for Shares issued to you under the Offer may exceed the price of Shares trading on the NZX Main Board/ASX. In other words, the value of the Shares issued to you under the Offer may be, at the time of issue, lower than the Issue Price. There can be no certainty that TruScreen's Shares will trade on the NZX Main Board/ASX at or above the Issue Price following the issue of the Shares under the Offer. Accordingly, you should seek your own financial and other professional advice in relation to this offer and your participation in the Offer.

How do I apply for Shares under the Offer?

If you wish to participate in the Offer, you can do so online at <https://truscreen.capitalraise.co.nz>. Alternatively, please follow the step-by-step instructions set out in the enclosed personalised Application Form. If you are not applying online, you must return your completed Application Form (and, if applicable, your Custodian Certificate) with your payment to the designated address.

If the exact amount of money is not tendered, TruScreen reserves the right not to accept all or part of your payment. In those circumstances, TruScreen will return your Application Form (and, if applicable, your Custodian Certificate) and refund all or part of your payment without interest.

If an Application Form is rejected or, scaled back, the Applicant will receive the number of Shares at the Issue Price accepted by TruScreen following scaling and a refund of the balance of the relevant payment amount. All refunds will be made without interest. Refunds will be issued within five Business Days following the Allotment Date. Any amount less than NZ\$5.00 due to scaling or rounding will be retained by TruScreen.

You will not be able to withdraw or revoke your Application Form once you have sent it in. If you do not wish to participate in the Offer you do not have to take any action.

How long is the Offer open?

The Offer opens on 3 June 2025 and is expected to close at 7:00pm New Zealand time / 5:00pm Sydney time on 23 June 2025, unless extended. Please allow adequate time for mail deliveries. Applications received after this time may not be

accepted.

When will I receive my Shares?

You will receive Shares issued to you under the Offer on the Allotment Date, which is currently expected to be by 30 June 2025. A statement confirming the number of Shares issued to you under the Offer will be sent to you on or about 30 June 2025. Any Shares issued as oversubscriptions will be allotted to you on or about 14 July 2025.

Oversubscriptions and Waiver of NZX Listing Rules

If the SPP is oversubscribed and TruScreen determines that oversubscriptions will be accepted, the acceptance of those oversubscriptions will be subject to shareholder approval (and will be put to a Special Meeting, intended to occur on or about 11 July 2025). Any subscription monies paid by you in respect of SPP Shares subject to shareholder approval will be held by the TruScreen's Share Registrar until after the results of the Special Meeting are final, following which you will either be allotted additional Shares (if shareholder approval is obtained) or have your remaining funds refunded (if shareholder approval is not obtained).

Under NZX Listing Rule 4.19.1, an issuer making an offer of financial products which are intended to be quoted must allot such financial products no later than 10 Business Days after the final closing date of the offer. Given that any oversubscriptions cannot be allotted until approved by shareholders at the special meeting, TruScreen would be in breach of this rule. NZRegCo, the market regulator of the NZX, has accordingly granted a waiver to TruScreen from NZX Listing Rule 4.19.1, such that TruScreen is not required to comply with NZX Listing Rule 4.19.1 when making the offer (Waiver). A condition of the Waiver is that the allotment of any oversubscribed shares must occur no later than 2 Business Days after the shareholder approval is obtained at the meeting of shareholders.

Current Activities

China

Number of Women of Screening Age: 477 million

China remains TruScreen's largest market and has continued to perform consistently year on year with 102 devices now in commercial use. Growth has been slower than expected given China's economic conditions have been slower than in prior years. However, recent central procurement pricing pressures on competitors in respect of US imported LBC and HPV kits will benefit TruScreen which has no exposure to US tariffs given its manufacturing operation and Made in China device.

China consumable usage rate per device has grown sharply with Single Use Sensor (SUS) usage/pull through increased 30% year on year from March 2024 to March 2025.

TruScreen, through its distributor, Beijing Seiweixiangtai is now focusing on key provinces Hunan, Guangxi, Jiangsu, Shandong, Zhejiang, Shanghai, Beijing and Guangdong.

Recent expansion into Health Check Centres and Private Health clinics would provide further growth in the year ahead.

Vietnam

Number of Women of Screening Age: 36 million

Following a number of years of support for distributor GHS in Vietnam, TruScreen has broken through with the recent announcement of the launch of a 5-year program to screen 260,000 women for cervical cancer in Ho Chi Minh City.

In addition, TruScreen is continuing to expand its commercial use in hospitals.

Mexico

Number of Women of Screening Age: 46 million

Mexico made a reasonable contribution in FY2025 and the Coferpris public sector approval for TruScreen will see greater market access for the years ahead.

TruScreen is currently awaiting the outcome of a tender for the Instituto Mexicano del Seguro Social (IMSS) the largest social security and health institution in Mexico for the use of an opto electrical medical device for a cervical cancer screening program.

New device installations are continuing.

Indonesia

Number of Women of Screening Age: 96 million

TruScreen appointed Mawar Mitra Medika as its distributor in Indonesia during the year and has received its first orders from 3 hospitals.

Indonesia has a significant addressable market; commercial sales have commenced, and further progress is anticipated in the year ahead.

Uzbekistan

Number of Women of Screening Age: 12 million

Product registration by the National Pharmaceutical Safety Committee is expected shortly.

A proposed cervical cancer screening program using TruScreen technology will see 14 primary healthcare clinics in Tashkent adopting the technology. The next stage is to extend cervical cancer screening programs to Uzbekistan

nationally.

Zimbabwe

Number of Women of Screening Age: 5 million

Zimbabwe through the National Aids Council has made a significant impact in women's health in this country with over 14,000 women having been screened.

It is expected that the Masingo province program will be expanded to the capital Harare and other provinces following a formal re-validation program being undertaken by the Ministry of Health to be completed in Q1 – Q2 FY2026.

Jordan, Palestine and Rwanda

Number of Women of Screening Age: 9 million

Our distributor in Jordan, Palestine and Rwanda, Sadaf Medical, recently featured TruScreen in seminars and trade shows in these countries. First commercial sales have commenced to Jordan and Rwanda.

India

Number of Women of screening age: 468 million

Distribution agreement was signed with Renovate Biologicals. Applications for registration are in progress. The appointment of Renovate Biologicals will resume TruScreen's market access into India. In November 2017, TruScreen successfully completed a clinical study of 1,000 women at the All India Institute of Medical Science (AIIMS), Delhi. Market access to India was previously interrupted by the COVID19 pandemic.

Corporate

Research and Development Tax Offset Funding

TruScreen continues to receive Australian Research and Development tax offsets for its research and development expenditure.

It is expected that a R&D tax refund offset for FY2025 amounting to ~A\$350,000 will be received in August 2025.

Financial year ended 31 March 2025 (FY2025)

A delay in the Zimbabwe program as a result of the re-validation trial and the delayed launch of the Ho Chi Minh City cervical cancer screen program and Uzbekistan's product registration resulted in a lower than expected product revenue, slipping from Q4 FY2025 to FY2026. Product revenue for the year ended March 31, 2025 (FY2025) is ~NZ\$1.7 million (FY2024; NZ\$2.1m). China exceeded its revenue expectation for FY2025.

The unaudited operational loss after tax for FY2025 is ~NZ\$2.2m (FY 2024: loss NZ\$2.0m). Key contributors to the result being loss of product margin, a lower R&D tax refund offset and higher than expected audit fees for the 2024 financial year.

Focus for next 12 months

- Growing and increasing TruScreen's presence in the Chinese market;
- Distribution of Dalton Bio IVD HPV DNA products;
- Executing public cervical cancer screening programs in Vietnam, Zimbabwe and Uzbekistan;
- Continued development of the growing public cervical cancer screening sales channel with key NGOs and Ministries of Health;
- Development of Indonesian and ASEAN markets;
- Development of Indian market;
- Executing public cervical cancer screening programs in Vietnam, Zimbabwe and Uzbekistan; and
- Continued development of the growing public cervical cancer screening sales channel with key NGOs and Ministries of Health.

² A Single Use Sensor or SUS is a disposal single-use consumable item used once on each patient during the cervical cancer screening process. Once a cervical screening device is in use at hospital clinics, each screening device uses an average of 150 SUS per device per month. This provides an ongoing revenue stream for TruScreen.

- Executing public cervical cancer screening programs in Vietnam, Zimbabwe and Uzbekistan;
- Continued development of the growing public cervical cancer screening sales channel with key NGOs and Ministries of Health;

Directors' Intention to participate in the SPP

The directors who hold shares in TruScreen at the Record Date of 28 May 2025 have advised the Company of their intention to participate in the SPP as outlined in the Prospectus.

TERMS AND CONDITIONS

Capitalised terms have the meaning attributed to them in the Glossary at the end of this Booklet.

1. Eligible Shareholders

- 1.1 You may participate in this SPP only if you are an Eligible Shareholder. An Eligible Shareholder is a person who, at 5:00pm New Zealand Time on the Record Date, was recorded in TruScreen's share register as being a registered holder of Shares and having a registered address in New Zealand or Australia.
- 1.2 Joint holders of Shares are taken to be a single registered holder of Shares for the purposes of determining whether they are an Eligible Shareholder and the certification on the Application Form is taken to have been given by all of them.
- 1.3 If you are an Eligible Shareholder, your right to participate in this SPP is personal to you and is non-renounceable.
- 1.4 TruScreen reserves the right not to extend the Offer in this SPP to Eligible Shareholders in a jurisdiction outside New Zealand and Australia in circumstances where it considers that so extending the Offer may breach the legal requirements of that jurisdiction. You are not entitled to participate in the Offer if you are in the United States.

2. Issue Price and Number of Shares

- 2.1 The Issue Price for New Shares under this SPP is the lower of:
 - a) NZ\$0.022 (A\$0.02) per Share (representing a 24.1% discount to the five day VWAP during the last five trading days prior to the Record Date); or
 - b) a 2.5% discount to the five-day VWAP during the last five trading days before and including the Closing Date.
- 2.2 If you are an Eligible Shareholder, you may elect to purchase parcels of Shares up to a maximum of NZ\$50,000 (A\$45,000), subject to scaling, by filling in the appropriate box on the Application Form. Any fractional Shares allocated under the SPP will be rounded down to the nearest whole number of Shares.
- 2.3 The Issue Price is a New Zealand dollar amount. If you are an Eligible Shareholder in Australia and apply for an Australian dollar amount of Shares, TruScreen will convert the New Zealand dollar Issue Price to Australian dollars at the NZ\$:A\$ exchange rate published by the Reserve Bank of New Zealand on its website at 7:00pm New Zealand time on the Closing Date. The market price of the Shares may change between the Opening Date, the date you apply for Shares under the Offer, and the Allotment Date.
- 2.4 If the exchange rate varies such that the dollar amount you applied for exceeds the NZ\$50,000 regulatory limit permitted under the ASIC Instrument, Shares having a total issue price equal to NZ\$50,000 (rounded down to the nearest whole Share) will be issued to you and you will be refunded the excess cash amount (unless that excess cash amount is less than NZ\$5.00, in which case it will be retained by TruScreen and not refunded).
- 2.5 The maximum number of Shares that can be subscribed for under this Offer in aggregate is NZ\$1,220,796 divided by the Issue Price (subject to oversubscriptions approved by shareholders).
- 2.6 Eligible Shareholders may only make a single application for Shares under the SPP. This applies to all Eligible Shareholders, including those who receive more than one offer under the SPP (for example, because they hold Shares in more than one capacity) and including whether the Eligible Shareholder is applying through a Custodian or on his or her own behalf. Accordingly, if you own Shares through a trustee or Custodian and own Shares in your own name, then you may either purchase Shares yourself or instruct your trustee or Custodian to purchase Shares on your behalf. You may not do both.

- 2.7 If TruScreen receives applications in excess of NZ\$1,220,796, it will initially scale back all applications on a proportionate basis in accordance with the number of TruScreen Shares held by the Applicant (or, in the case of an application made by a Custodian, the relevant beneficial owner(s) named in the schedule submitted with the Application Form) on the Record Date. TruScreen may, at its discretion, seek shareholder approval by way of ordinary resolution to issue shares under the SPP in excess of NZ\$1,220,796 (the amount so approved being the "Increased Limit"). If shareholder approval is sought and obtained to issue shares up to the Increased Limit, TruScreen will promptly issue to applicants any shares applied for but which were scaled back, up to the aggregate amount of the Increased Limit. The Board of TruScreen believes this is the most equitable manner in which to deal with applications in excess of the funds required under the SPP.

3. Attached Share Option

- 3.1 Subject to Shareholder approval by way of an ordinary resolution at a special meeting of TruScreen shareholders, Eligible Shareholders who participate in the SPP will also receive an unlisted option ("Share Option") with the following rights and liabilities:

- a) **Rights and liabilities attaching to the Options:** Each Share Option issued by the Company will entitle its holder ("Optionholder") to subscribe for one (1) fully paid ordinary share in the Company ("Share") on the following terms and conditions.
- b) **Expiry Date:**
 - i. The Share Options will expire at 7:00pm New Zealand Time on the date that is one (1) year from the date of issue of the New Shares ("Expiry Date").
 - ii. Any Share Options not validly exercised before the Expiry Date will automatically lapse on the Expiry Date.
- c) **Exercise Price:** The amount payable upon exercise of each Share Option is NZ\$0.022 (A\$0.02) ("Exercise Price").
- d) **Exercise multiples:** The Share Options held by an Optionholder may be exercised in whole or in part. If exercised in part, there is no minimum exercise multiple.
- e) **Exercise Notice:** An Optionholder may exercise their Share Options at any time before they lapse by lodging with the Company:
 - i. a written notice of exercise of Share Options specifying the number of Share Options being exercised (**Exercise Notice**); and
 - ii. a cheque or electronic funds transfer for the Exercise Price for the number of Share Options being exercised.
- f) **Effective exercise:** The exercise of any Share Options is only effective on and from the later of:
 - i. the date of receipt by the Company of an Exercise Notice for those Share Options; and
 - ii. when the Company has received the full amount of the Exercise Price for those Share Options in cleared funds.
- g) **Timing of issue of Shares on exercise:** The Company will issue to the Optionholder, on the last Australasian Business Day of the calendar month following a valid exercise of Share Options in accordance with paragraph f) above, the number of Shares required under these terms and conditions to be issued in respect of the number of Share Options validly exercised by the Optionholder. The Company will take any necessary steps to ensure that, immediately after the Shares are issued, they are quoted on the ASX and NZX.
- h) **Shares issued on exercise:** All Shares issued upon the exercise of any Share Options will upon issue

rank pari passu in all respects with other Shares.

- i) **Share Options not transferable:** The Share Options are not transferable.
- j) **Quotation of Share Options:** The Company will not apply for quotation of the Share Options on ASX or NZX.
- k) **Reorganisation of capital:** If at any time the issued capital of the Company is reorganised, all rights of an Optionholder are to be changed in a manner consistent with, and to the extent necessary to comply with, the Listing Rules applying to reorganisations of capital at the time of the reorganisation.
- l) **Participation in new issues:** There are no participation rights or entitlements inherent to the Share Options and the Optionholders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Share Options (unless the relevant Share Options have been validly exercised and the Optionholder has been entered in the register of members of the Company as holding the Shares issued to it on exercise of those Share Options).
- m) **No voting rights:** The Share Options do not carry any voting rights.
- n) **Change in exercise price:** Subject to paragraph (k) above, an Option does not confer the right to a change in exercise price or a change in the number of underlying securities over which the Option can be exercised.

3.2 The Share Options will be offered by TruScreen to shareholders in Australia pursuant to a Prospectus that will be provided to Eligible Shareholders with a registered address in Australia. A copy of the Prospectus is also available here: <https://truscreen.capitalraise.co.nz>. Eligible Shareholders in Australia should consider the Prospectus in deciding whether to apply for the Share Options, and if they wish to do so, they must complete the application form that will be in or will accompany the Prospectus.

3.3 The Share Options will be allotted to Eligible Shareholders in New Zealand who are issued SPP New Shares under the SPP, and Eligible Shareholders in Australia who are entitled to, and apply for, Share Options pursuant to the Prospectus as soon as is practicable following the approval by Shareholders by way of ordinary resolution at a special general meeting. In the event the Share Options are not approved at a special general meeting, the Share Options shall not be allotted and TruScreen shall have no further obligations or liability in respect of those Options.

4. Custodians

4.1 Under the SPP, a Custodian is:

- a) any Eligible Shareholder having a registered address in New Zealand, that:
 - i. is a trustee corporation or a nominee company and holds Shares in TruScreen by reason only of acting for another person in the ordinary course of business of that trustee corporation or nominee company; or
 - ii. holds Shares in TruScreen by reason only of being a bare trustee of a trust to which the Shares are subject; or

- iv. is a trustee of a self-managed superannuation fund or a superannuation master trust; or
- v. is a registered holder of Shares and is noted on the register of members of TruScreen as holding the Shares on account of another person.

4.2 Custodians may apply to purchase Shares for an amount greater than NZ\$50,000 (A\$45,000), provided that the Custodian only applies for no more Shares than collectively have an aggregate application price of NZ\$50,000 (A\$45,000) for each beneficial owner for whom the Custodian acts as a Custodian. Each beneficial owner may only direct the Custodian to apply on behalf of that beneficial owner for a single share parcel.

4.3 Custodians must confirm to TruScreen that they are holding Shares as a Custodian for one or more beneficial owners and certify the matters described in clause 4.4 below by providing a Custodian Certificate together with the Custodian's Application Form.
