Explanatory Notes

Resolution 1 – Re-election of John Scott

NZX Listing Rule 2.7.1 requires that the Company's Directors must not hold office without re-election past the third Annual Meeting of shareholders following their appointment or three years, whichever is longer. Having been last elected in 2022, John Scott will retire from office at this year's Annual Meeting. Being eligible, he offers himself for re-election as a Director of the Company.

A brief biography of John Scott is provided below.

John has been an AoFrio board member since 2019. His in-depth knowledge of exporting vertically integrated hardware, firmware & applications technology solution stacks used in DaaS, SaaS and IoT has seen him play a pivotal role in recalibrating the business into a hardware-enabled, SaaS company.

John has 30yrs global experience in a range of C suite roles (CEO, Sales, Marketing, Product Operations) in Invenco, Navico, Brunswick and Navman.

Alongside his role on the AoFrio Board, John is on the boards of ERoad, Veshev (Chair), Digital Matter (Chair) and AsBuilt. John has an engineering degree from Auckland University.

John owns around 0.65% of AoFrio.

The Board has determined that Mr. Scott is an Independent Director as defined in the NZX Listing Rules.

Resolution 2 – Re-election of Keith Oliver

NZX Listing Rule 2.7.1 requires that the Company's Directors must not hold office without re-election past the third Annual Meeting of shareholders following their appointment or three years, whichever is longer. Having been last elected in 2022, Keith Oliver will retire from office at this year's Annual Meeting. Being eligible, he offers himself for re-election as a Director of the Company.

A brief biography of Keith Oliver is provided below.

Keith is Chairman of Blackhawk.io, and a director at VWork Limited and Alto Capital. Keith's previous roles include Executive Chairman at high-tech company Compac Sorting Ltd and independent director of Rakon Limited and the science-led Crown Research Institute ESR.

The Board has determined that Mr. Oliver is an Independent Director as defined in the NZX Listing Rules.

AO232

Resolution 3 – Auditor’s Remuneration

Deloitte is the existing auditor of the Company and is automatically re-appointed by virtue of section 207T of the New Zealand Companies Act 1993. The proposed ordinary resolution is required to authorise the Directors of the Company to fix the auditor’s remuneration for the purposes of section 207S of the New Zealand Companies Act 1993.

The Board of AoFrio Limited confirms its support for all the above resolutions and recommends that you vote in favour at the meeting.

Procedural Notes and Other Information

Hybrid meeting

All shareholders will have the option to attend and participate in the Annual Meeting either in person or, alternatively, online via an internet connection using a computer, laptop, tablet or smartphone.

If the Board determines a physical meeting is inappropriate in the circumstances (for example due to COVID-19 concerns), the Company may, in its sole discretion, elect to hold the Annual Meeting as a virtual only meeting.

Details of how to attend and participate in the Annual Meeting virtually are set out below.

Persons entitled to vote.

Voting entitlements will be determined at the close of trading on Friday 23 May 2025. Registered shareholders at that time will be the only persons entitled to vote at the Annual Meeting and only the shares registered in those shareholders' names at that time may be voted at the meeting.

Requisite majority

Each of the Resolutions will be passed if approved by an ordinary resolution at the Annual Meeting. An ordinary resolution is a resolution approved by a simple majority of the votes of those shareholders entitled to vote and voting on the resolution (directly or by proxy or representative (in each case, through the means described below)). Each Resolution is a separate resolution to be voted on separately by shareholders. Accordingly, each Resolution may be approved regardless of the outcome of the vote on any other Resolution.

Proxies and corporate representatives

Shareholders entitled to attend and vote at the Annual Meeting may appoint a proxy to attend and vote on their behalf. A corporation may appoint a person to attend the meeting as its representative in the same manner as it may appoint a proxy. If a shareholder wishes to appoint a proxy (or in the case of a corporate shareholder, a representative), the shareholder must make that appointment online by visiting www.investorvote.co.nz or by completing and returning the Voting and Proxy Form accompanying this Notice of Meeting.

The Voting and Proxy Form must be completed (if online), or returned, by no later than Monday 26 May 2025 at 1.00pm.

A proxy need not be a shareholder. For example, shareholders may appoint the Chairman of the Board or another person (such as the Chairman of the Annual Meeting) to act as their proxy. It is intended that the Chairman of the Board be the Chairman of the Annual Meeting.

The Chairman of the Annual Meeting, or any other Director of AoFrio, is willing to act as a proxy on behalf of shareholders who wish to appoint them for that purpose. The Chairman of the Annual Meeting and Directors who act as proxies on behalf of shareholders intend to vote any proxy discretion given to them in favour of the resolutions, provided that each of the Directors putting themselves forward for election / re-election will abstain from voting any discretionary proxies given to them relating to their own re-election.

If your proxy is not the Chairman of the Annual Meeting or a Director of AoFrio, and they intend to join the meeting virtually, please ensure that you provide their contact details in the space provided on the Proxy and Voting Form.

If you appoint a proxy, you may either direct your proxy how to vote for you or you may give your proxy discretion to vote as he/she sees fit. If you wish to give your proxy discretion, then you must mark the appropriate boxes on the Voting and Proxy Form. If you do not tick any box for a particular resolution then your proxy may vote as they choose, as if you had selected 'Proxy Discretion'.

AO232

If, in appointing your proxy, you do not name a person to be your proxy, the Chairman of the Annual Meeting will be your proxy and will vote in accordance with your express directions.

If additional matters are raised during the Annual Meeting which require a shareholder vote, your proxy will be entitled to vote on these additional matters as your proxy thinks fit.

Shareholders may revoke their proxies by giving written notice of revocation to the Company in the manner set out below no later than Monday 26 May 2025 at 1.00pm.

Voting

Voting on the resolutions to be put before the Annual Shareholder Meeting will be conducted by way of poll. As a shareholder you may cast your vote in one of three ways:

- (a) you may attend the meeting in person and vote, or you may participate virtually and vote at the meeting via an online platform <https://meetnow.global/nz>; or
- (b) you may appoint a proxy or (in the case of a corporate shareholder) a representative to attend the meeting in person and vote in your place or to participate virtually and vote at the meeting in your place via an online platform <https://meetnow.global/nz>; or
- (c) you may cast a postal vote by lodging your postal vote or proxy online, by mail or by scan and email to one of the addresses below.

If you (or your proxy on your behalf) vote online you (or they) will be required to enter your CSN Securityholder number and postcode/ country of residence and the secure access control number that is located on the front of your Proxy and Voting Form or follow the prompts in the email you receive from the share registrar, Computershare Investor Services Limited.

If a Shareholder wishes to cast a postal vote, the Voting and Proxy Form must be completed and received by AoFrio no later than Monday 26 May 2025 at 1.00pm. AoFrio's Company Secretary has been authorised by the Board of AoFrio to receive and count postal votes at the Annual Meeting.
