NZX Release

Trustpower releases investor presentation

Trustpower has released the presentation material for its Investor Day attended by major shareholders, fund managers, broker analysts and business partners.

Trustpower is well positioned to capitalise on emerging market opportunities:

- Easily restructured portfolio of generation assets
- Ability to grow in electricity, telco and adjacent markets
- Can seek convergence and growth through acquisition (e.g. King Country Energy)
- New customer facing technology fits well at the junction of energy and telecommunications business

Trustpower's core strategic approach is to create executable options in this world of uncertainty. Trustpower has updated its investor reporting timetable:

Operating statistics	The closest working day to the 15 th day following the end of each quarter. The next release will be 13 April 2017
Annual result	15 May 2017
Annual report	Late June 2017
Annual General Meeting	24 July 2017
