NZX Approval and Waiver

NZX has waived the requirement under NZX Listing Rule 11.1.1 to enable the inclusion of transfer restrictions in the Trust Documents permitting Transpower to decline to accept or register a transfer of Bonds if such transfer would result in the transferor holding or continuing to hold Bonds with a Principal Amount of less than NZ\$5,000 (other than zero) or if such transfer is for an amount of less than NZ\$1,000 or a multiple thereof. The effect of the approval is that the minimum holding amount in respect of the Bonds will at all times be NZ\$5,000 in aggregate and that Bonds can only be transferred in multiples of NZ\$1,000. Transpower will ensure that this Pricing Supplement is available on its website for as long as Transpower intends to rely on these transfer restrictions.

NZX has also granted Transpower a waiver from NZX Listing Rule 5.2.3 to enable Transpower to apply for quotation on the NZX Debt Market even though the Bonds may not initially be held by at least 100 members of the public holding at least 25% of the Bonds issued. The waiver has been granted for a period of six months from the quotation date of the Bonds. The effect of the waiver from NZX Listing Rule 5.2.3 is that initially the Bonds may not be widely held and there may be reduced liquidity in the Bonds. To the extent that there is a material reduction in the spread of the Bonds, Transpower will notify NZX accordingly.

Schedule – Selling Restrictions

Part A – Initial Selling Restrictions

The Bonds may only be offered in New Zealand in conformity with all applicable laws and regulations in New Zealand. In respect of the initial offer of Bonds by Transpower under this Pricing Supplement (**Initial Offer**), no Bonds may be offered in any other country or jurisdiction except in conformity with all applicable laws and regulations of that country or jurisdiction and the selling restrictions set out below in this Part A. This Pricing Supplement may not be published, delivered or distributed in or from any country or jurisdiction except under circumstances which will result in compliance with all applicable laws and regulations in that country or jurisdiction and the selling restrictions set out below in this Part A. For the avoidance of doubt, the selling restrictions set out below in this Part A apply only in respect of the Initial Offer.

United States of America

The Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the **Securities Act**) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act (**Regulation S**)) except in accordance with Regulation S or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.

None of Transpower, the Lead Manager nor any person acting on its or their behalf has engaged or will engage in any directed selling efforts (as defined in the Regulation S) in relation to the Bonds, and each of Transpower and the Lead Manager has complied and will comply with the offering restrictions in Regulation S.

The Bonds will not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time, or (ii) otherwise until 40 days after the completion of the distribution of all Bonds of the Tranche of which such Bonds are part, as determined and certified by the Lead Manager, except in accordance with Rule 903 of Regulation S. Any Bonds sold to any distributor, dealer or person receiving a selling concession, fee or other remuneration during the distribution compliance period require a confirmation or notice to the purchaser at or prior to the confirmation of the sale to substantially the following effect:

“The {Bonds} covered hereby have not been registered under the United States Securities Act of 1933, as amended (the **Securities Act**) or with any securities regulatory authority of any state or other jurisdiction of the United States and may not be offered or sold within the United States, or to or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the offering of the Bonds and the closing date except in either case pursuant to a valid exemption from registration in accordance with Regulation S under the Securities Act. Terms used above have the meaning given to them by Regulation S.”

Until 40 days after the completion of the distribution of all Bonds of the Tranche of which those Bonds are a part, an offer or sale of the Bonds within the United States by any Lead Manager or any dealer or other distributor (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with Regulation S.

Relevant Member States of the European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a **Relevant Member State**), with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) no Bonds have been offered and no Bonds will be offered that are the subject of the offering contemplated by this Pricing Supplement in relation thereto to the public in that Relevant Member State except that an offer of Bonds to the public in the Relevant Member State may be made with effect from the Relevant Implementation Date:

- (a) to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the Lead Manager for any such offer; or
- (c) in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of the Bonds shall require Transpower or the Lead Manager to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an **offer of the Bonds to the public** in relation to any Bonds in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Bonds to be offered so as to enable an investor to decide to purchase or subscribe for the Bonds, as the same may be varied in that Relevant Member State by any measure implementing the Prospectus Directive in that Relevant Member State, and the expression **Prospectus Directive** means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU) and includes any relevant implementing measure in each Relevant Member State.

United Kingdom

No communication, invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000 (**FSMA**)) has been or may be made or caused to be made or will be made in connection with the issue or sale of the Bonds in circumstances in which section 21(1) of the FSMA applies to Transpower.

All applicable provisions of the FSMA with respect to anything done in relation to the Bonds in, from or otherwise involving the United Kingdom must be complied with.

Japan

The Bonds have not been and will not be registered in Japan pursuant to Article 4, Paragraph 1 of the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended, the **FIEA**) in reliance upon the exemption from the registration requirements since the offering constitutes the small number private placement as provided for in “ha” of Article 2, Paragraph 3, Item 2 of the FIEA. A Japanese Person who transfers the Bonds shall not transfer or resell the Bonds except where the transferor transfers or resells all the Bonds en bloc to one transferee. Where the Bonds are subscribed or purchased under Section 275 of the SFA by a relevant person which is:

- (1) to an institutional investor or to a relevant person defined in Section 275(2) of the SFA, or to any person arising from an offer referred to in Section 275(1A) or Section 276(4)(i)(B) of the SFA;
- (2) where no consideration is or will be given for the transfer;
- (3) where the transfer is by operation of law;

No advertisement, invitation or document relating to the Bonds may be issued or in the possession of any person or will be issued or be in the possession of any person in each case for the purpose of issue, whether in Hong Kong or elsewhere, which is directed at, or the contents of which are likely to be accessed or read by, the public of Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to the Bonds which are or are intended to be disposed of only to persons outside Hong Kong or only to **professional investors** as defined in the SFO and any rules made under the SFO.

Australia

No prospectus or other disclosure document (as defined in the Corporations Act 2001 of Australia (**Corporations Act**)) in relation to the Bonds has been, or will be, lodged with, or registered by, the Australian Securities and Investments Commission (**ASIC**) or any other regulatory authority in Australia. No person may:

- (a) make or invite (directly or indirectly) an offer of the Bonds for issue, sale or purchase in, to or from Australia (including an offer or invitation which is received by a person in Australia); and
- (b) distribute or publish, any Pricing Supplement, information memorandum, prospectus or any other offering material or advertisement relating to the Bonds in Australia,

unless:

- (i) the aggregate consideration payable by each offeree or invitee is at least A\$500,000 (or its equivalent in an alternative currency and, in either case, disregarding moneys lent by the offeror or its associates) or the offer or invitation otherwise does not require disclosure to investors in accordance with Part 6D.2 or Part 7.9 of the Corporations Act;

- (iii) such action complies with all applicable laws, regulations and directives; and
- (iv) such action does not require any document to be lodged with ASIC or any other regulatory authority in Australia.

By applying for the Bonds under this Pricing Supplement, each person to whom the Bonds are issued (an **Investor**):

- (a) will be deemed by the Issuer and the Lead Manager to have acknowledged that if any Investor on-sells the Bonds within 12 months from their issue, the Investor will be required to lodge a prospectus or other disclosure document (as defined in the Corporations Act) with ASIC unless either:
 - (i) that sale is to an investor within one of the categories set out in sections 708(8) or 708(11) of the Corporations Act to whom it is lawful to offer the Bonds in Australia without a prospectus or other disclosure document lodged with ASIC; or
 - (ii) the sale offer is received outside Australia; and
- (b) will be deemed by the Issuer and the Lead Manager to have undertaken not to sell those Bonds in any circumstances other than those described in paragraphs (a)(i) and (a)(ii) above for 12 months after the date of issue of such Bonds.

This Pricing Supplement is not, and under no circumstances is to be construed as, an advertisement or public offering of any Bonds in Australia.

Switzerland

The Bonds shall not be publicly offered, sold, advertised, distributed or redistributed, directly or indirectly, in or from Switzerland, and neither this Pricing Supplement nor any other solicitation for investments in the Bonds may be communicated, distributed or otherwise made available in Switzerland in any way that could constitute a public offering within the meaning of Articles 652a and 1156 of the Swiss Code of Obligations (**CO**) or of Article 3 of the Swiss Federal Act on Collective Investment Schemes (**CISA**) unless the legal and regulatory conditions imposed on a public offering under the CO or CISA are satisfied. This Pricing Supplement does not constitute a public offering within the meaning of Articles 652a, respectively 1156, of the CO and of Article 5 of the CISA and may not comply with the information standards required thereunder, and in particular with the guidelines on informing investors about structured products as published in September 2014 by the Swiss Bankers Association, as applicable.

The Bonds do not constitute collective investments within the meaning of the CISA. Accordingly, holders of the Bonds do not benefit from protection under the CISA or from the supervision of the Swiss Financial Market Supervisory Authority. Investors are exposed to the default risk of the Issuer.

No Bonds may be offered for sale or sold in any other country or jurisdiction except in conformity with all applicable laws and regulations of that country or jurisdiction. This Pricing Supplement may not be published, delivered or distributed in or from any country or jurisdiction except under circumstances which will result in compliance with all applicable laws and regulations in that country or jurisdiction. For the avoidance of doubt, this paragraph applies to initial and subsequent sales.

Indemnity

By its subscription or a purchase of the Bonds, each bondholder agrees to indemnify Transpower, the Lead Manager and the Supervisor and their respective directors, officers and employees for any expense, loss or liability sustained or incurred by Transpower, the Lead Manager or the Supervisor, as the case may be, as a result of the breach by that bondholder of the selling restrictions contained in the above paragraph.
