About New Talisman (NTL)

New Talisman Gold is a dual listed (NZX & ASX: NTL) leading New Zealand minerals development company with approximately 2,000 shareholders who are mainly from Australia and New Zealand.

The company's flagship asset the Talisman mine holds a JORC compliant mineral resource, a JORC compliant reserve and has been granted resource consents and access arrangements for the initial phase of the project. The company is currently initiating bulk sampling at Talisman and continues to advance the development of the mine. New Talisman's wholly owned subsidiary Coromandel Gold Limited holds a portfolio of highly prospective mineral interests and gold properties in the Hauraki District of New Zealand.

New Talisman Gold Mines Limited purchased an Australian subsidiary company which held the exploration permit for the Rahu tenement. New Talisman Gold Mines Limited now has control and direction over the mining activities relating to the Rahu tenement.
