BUSINESS

The business of the meeting will be:

- To consider the accounts for the year ended 30 June 2024.
- To consider and if thought fit to pass the following resolution as an advisory resolution:
That the remuneration report be adopted.
- To consider and if thought fit to pass the following resolution as an ordinary resolution:
That John Honan be re-elected as a director of the company.
- To consider and if thought fit to pass the following resolution as an ordinary resolution:
That David Welsh be re-elected as a director of the company.
- To consider and if thought fit to pass the following resolution as an ordinary resolution:
That for the purposes of sub-rule (1) of rule 6.25 of the NSX Listing Rules, and for all other purposes, the company be authorised to issue up to 1,330,984 additional new shares during the 12 month period following the conclusion of the meeting.

NOTES

- Under section 300A of the Corporations Act the directors' report must include a separately identified remuneration report. The report appears on page 6 of the annual report. The company is required to submit the report for adoption at the annual general meeting.

3. John Honan retires by rotation and, being eligible, offers himself for re-election.
4. David Welsh retires by rotation and, being eligible, offers himself for re-election.
5. The power of the company to make placements of new shares is limited in general terms by sub-rule (1) of rule 6.25 of the NSX Listing Rules, which allows the company to make placements of up to 15 percent of the minimum number of shares on issue at any time during the 12 month period preceding any placement. The company must obtain the consent of shareholders in general meeting if it wishes to be able to issue more shares than this.

The number of shares on issue as at 30 June 2024 was 5,323,936, and 15 percent of this is 798,950. The company is seeking shareholder approval to be able to issue a further 25 percent of the shares on issue as at 30 June 2024 during the 12 month period following the conclusion of the meeting. This is 1,330,984 additional new shares.

The directors of the company are in agreement that the company needs to expand, so that its fixed costs are spread over a larger capital base. One way in which the company can expand its capital is by issuing some of its own shares in consideration or part consideration for shares in one or more other companies as it did, for example, when it acquired a controlling interest in Penrose Club Holdings Limited in the year ended 30 June 2018. If shareholders approve the additional placement capacity, it will give the company greater flexibility in raising capital if the board can identify one or more suitable new investment opportunities during the 12 months following the conclusion of the meeting.

It is not intended that there should be any changes to the nature or the general scale of the company's activities.

Secretary
