

COMMUNITY
\$1.9 million
CONTRIBUTIONS

This year marks the 16th anniversary of our **Community Bank®** company in Logan and although the banking environment is challenging, our dedicated staff demonstrate that by providing friendly, professional service to our customers we can achieve an increase to our business activity and growth.

With the merger of our Marsden branch now behind us we have seen great results in our remaining four sites and with our mobile team. We have recently relocated the Browns Plains **Community Bank®** Branch, now located just across the road at Shops B & C 111-121 Grand Plaza Drive, Browns Plains. This has now become the 'business hub' for our group. Drop in and check out the new branch and we're sure you will be very impressed!

Our community investment continues to shine and something the group is extremely proud of, now in excess of \$1.9 million returned by way of sponsorships, donations and grants. We strive to uphold the model that the **Community Bank®** model is based on – profit with purpose – which means a percentage of our profits are returned directly to the community that has generated them.

Be the change filming.

The Loganholme **Community Bank®** Branch had the absolute pleasure of hosting the localised **Be the change** video filming. It was great for all the branch staff to be part of and everyone involved thoroughly enjoyed it.

The day was also a great reminder to us all of the impact that we have on not only our community groups, but our everyday personal and business customers. To hear the how's and why's of why they have chosen to bank with us was a great reinforcement to us all as to why we are here & what sets us apart from the rest! **Be the change.**

Share registry changes.

The transition from ShareData P/L to AFS & Associates was completed in January 2019. Shareholders were notified of the changes either by email or correspondence sent in the post.

What does this mean exactly for you as a shareholder?

AFS utilise an online share register system where you can easily log into your account to:

- Check your shareholding balance
- Update your address details
- Advise your banking details for direct payment of dividends
- Provide your country of residency and your Tax File Number/ABN or Exemption Number
- Access to dividend distribution summaries and holding statements.

To access the online system it is important for you to register and log on. If you had already provided your email address, you would have received an email from the AFS & Associates

Share Registry Team explaining how to do this. If we do not have your email address, instructions were provided in the information sent via post.

We encourage all shareholders to register and keep your information up to date; this helps us to keep you informed about all the great things happening with the **Community Bank®** company you have invested with.

If you have any questions, please contact AFS:

Phone: 03 5443 0344.

Email: shareregistry@afsbendigo.com.au

We look forward to your ongoing support as a shareholder.

Saving lives.

Springwood Community Bank® Branch

Springwood **Community Bank®** Branch staff are passionate about ensuring as many people as possible in public places throughout communities have access to a defibrillator.

We were approached by a family at Eight Mile Plains State School whose daughter suffers from a Congenital Heart Disease. Our Springwood **Community Bank®** Branch saw this an opportunity to bring awareness to and supply a medical device that could be used for sporting groups, clubs and visitors to the school should it be needed.

The Logan **Community Bank®** Group purchased an Automated Defibrillator and an alarmed storage cabinet through St John Ambulance (Qld) – this was presented to the school Principal, Emma Vine at their school assembly.

Since our initial discussion with this school a second defibrillator has been purchased and will be placed at Springwood Central State School. It is now our desire to install at least two more in of these defibrillators in strategic locations across other parts of Logan City.

A great initiative that could quite possibly save a life.

Karen Riddell – Senior CSO, Emma Vine – Principal Eight Mile Plains State School and Linda Ambrose – Branch Manager, Springwood **Community Bank®** Branch.

New location.

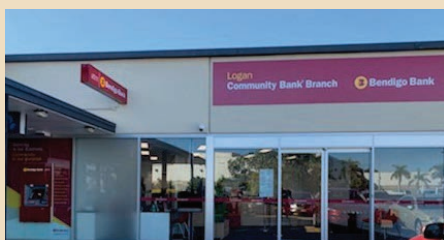

Browns Plains Community Bank® Branch

We have moved!

Now located just across the road at Shops B & C 111-121 Grand Plaza Drive, Browns Plains.

The team at this branch have many years of banking expertise between them and are ready to help each and every one of our customers meet and exceed their financial goals.

The branch is keen to continue to strengthen ties with their local community by engaging with local schools and community organisations to spread the news of why we are Australia's Most Trusted Bank and another reason why we're the Better Big Bank!

Canefields Clubhouse – Walk for Wellness.

Beenleigh Community Bank® Branch

The Beenleigh **Community Bank®** Branch has had a long association with Canefields Clubhouse, a great local community group providing support to the people of Logan and surrounding areas through Mental Health Rehabilitation services.

The Clubhouse model is people centred and focuses on meaningful work and socialisation for individuals living with a mental illness.

Staff from the Beenleigh **Community Bank®** Branch continued this great association recently by supporting and participating in the Clubhouse's Walk for Wellness held at Berrinba Wetlands.

The event was held as part of Queensland Mental Health Awareness week and was a great success with participants from all walks of life taking part to help raise awareness and support this great local organisation.

Congratulations to Jak and the team from Canefields Clubhouse for all that you do for the Logan community!

This is yet another example of great things happening in the Logan community which Logan **Community Bank®** Group is actively supporting.

Branch staff, Sheena, Rachel and Branch Manager Matt Harris take part in the Walk For Wellness event.

Logan Men's Shed.

Springwood Community Bank® Branch

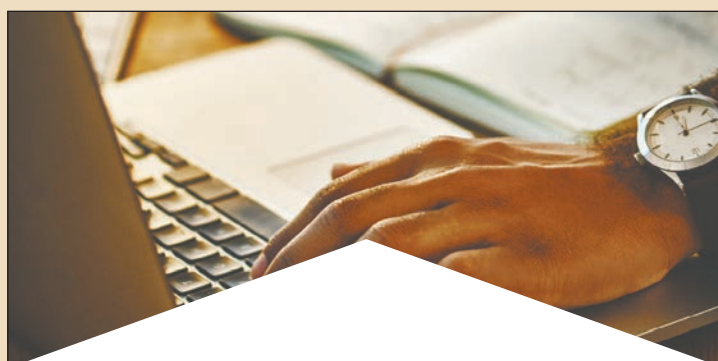

Men's Sheds are not-for-profit organisations originating in Australia. They were established to help improve the overall health and wellbeing of men in our local communities. These groups offer members an opportunity to work on meaningful projects at their own pace, in their own time and in the company of others, focusing on and encouraging social inclusion. There are a number of men's sheds in the City of Logan – here's a link to look up your local group www.logan.qld.gov.au/community-support/health/mens-health

Our Springwood **Community Bank®** Branch supplied a computer for the Logan Men's Shed and attended the soft opening for the new premises at 161B Magnesium Drive, Crestmead.

The Men's Shed meets on the second and fourth Wednesday of the month for a sausage sizzle and a yarn.

Linda Ambrose, Branch Manager and Men's Shed member Tony Hunter.

Premier League T20 Cricket Tournament.

Mobile Relationship Manager Raj Pratap and the Logan **Community Bank**® Group have recently partnered with the Brisbane Premier League T20 Cricket Tournament. We had the pleasure of being the major sponsor.

Raj together with our Director Lachlan Stewart recently attended the Dinner & Dance Fundraiser function and had an enjoyable night meeting with all committee and members in attendance. We are all looking forward to strengthening our relationship with the group over the coming years.
