Escrow Share Reconciliation

The NSX has picked up a discrepancy with the total number of escrow shares that dates back to the Prospectus in February 2019. The original escrowed figure reported was 29,722,856. The correct number of escrow shares should have been 29, 899,656.

The current number of escrow shares is 925,000.

Sorry for any inconvenience this may have caused.
