## **Dividend Announcement**

The board of Logan Community Financial Services Ltd is pleased to announce that after careful consideration of the company's financials and forward-looking position that the dividend for this year will be \$.10 fully franked.

This amount reflects the confidence that we have in the current business operations, and most significantly is the highest single dividend that the company has paid since formation. The business operations have seen significant change over the past few years with the addition of the Helensvale business and more recently the disposal of the freehold premises at Loganholme.

Through these market events, we have continued to reaffirm our community commitment with a complete relocation of the Springwood business and refurbishment and recommitment in Beenleigh. We remain committed to our community and our people.

We thank our customers, community and partners for their ongoing support and to our shareholders, we commend you for being on the journey with us.

Kind regards

Jason Luckhardt  
Chair
