NEW MEDI-WELLNESS CENTRE OPENS IN PENANG

Crigen Resources Limited (**Company**) are delighted to announce the opening of a new Danai Medi-Wellness Clinic at Island 88 in Penang, Malaysia.

This is the Company's second licensed Ambulatory Care Clinic (ACC) medical wellness clinic approved by the Ministry of Health Malaysia and it is located in Penang in partnership with Crigen Accor Life Science Sdn. Bhd., adding to the seven existing boutiques and spa's under the Danai brand, located in one of Malaysia's largest cities. The opening of Danai's eighth Malaysian centre will be slated by early January 2025 adding to the first ACC licensed medical wellness clinic is located in Kuala Lumpur.

The location of the clinic at Island 88 is in keeping with the luxury positioning of the Danai brand. Island 88 has undergone significant renovation and repositioning since its acquisition by the Law family, who are significant property owners in Penang.

Ms. Cynthia Tong, Co-Founder of Crigen, commented that "With the opening of the new outlet our members can look forward to a holistic preventive care that encompasses screening to reduce the risk of diseases such as blood pressure, diabetes, and cholesterol. While the new centre will be able to provide preventive treatment such as enhanced counter enhanced external counterpulsation (EECP) treatment, an FDA-approved outpatient therapy that can improve blood flow to your heart. In addition, the medical wellness clinic provides targeted supplements for patient to address specific nutrient deficiencies and also aims to expand its services into x-ray and ultrasound screening for diseases that can be prevented".

The Company is looking forward to the opening of the new medical wellness centre and would like to thank MBSB Bank Malaysia for provision of equipment financing facilities.
