## Directors' Report

---

Directors submit their report on the consolidated entity (referred to hereafter as the “Group”) consisting of Red Ridge Group Limited (formerly known as “Smart Auto Australia Limited”) (the “Company” or “RRG”) and the entities it controlled at the end of, or during the half-year ended 30 September 2024 (“1H25”).

### Directors

The names and details of the Company’s directors in office during 1H25 and until the date of this report are as follows:

Michael Pixley  
Vikram J. Rana (appointed on 26 July 2024)  
Mark Ng  
Greg Starr

Former executive director and Chief Executive Officer, Nga Lai Wong (Alyce Wong) resigned on 26 June 2024.

### Principal Activities and Business Overview

As announced on 22 May 2024, the Group disposed of the entire equity interest in Smart Auto Holding (HK) Limited (“SAH”) to an independent third party for a consideration of A\$1.00 on 17 May 2024. The operations associated with the bus rental and management and bus trading segments are therefore classified and presented in the consolidated statement of profit or loss and other comprehensive income as discontinued operations in 1H25.

During an Extraordinary General Meeting of Shareholders held on 8 November 2024, Shareholders had approved the significant change to the Company’s principal business activities. The new business will include providing sourcing, design and distribution of toys and arts & craft related products, to US wholesale customers and brokers, online and offline suppliers of department stores and network chains, and the product source is derived from China and India.

The current management team, consisting of the executive directors are currently in the process of organising all the groundwork to have the new customer contracts in place. The contracts are anticipated to be for US wholesale customers and brokers, online and offline suppliers of department stores and network chains, and the product source will be derived from China and India.

The Group announced via the NSX, on 2 October 2024, that it has secured its first order under the new customer contracts for the sale of stickers book and related products. The products are scheduled to be delivered by the end of November 2024, and the payment from this order is expected to be received at the end of January 2025, which is 120 days from the invoice date.

The Group continues to work with its customers to secure more customer contracts.

## Directors' Report

---

### Review of Operations

The Group recognised a profit of A\$3.7 million largely due to a A\$3.9 million gain from the disposal of SAH. During 1H25, the Group focused on identifying new business opportunities and the restructuring of the Group for sustainable future growth.

Subsequent to the reporting date, Shareholders approved the change in its business activities to that of sourcing, design and distribution of toys and arts & crafts and related products. The Group has secured its first order under the new customer contracts for the sale of stickers book and related products as announced on 2 October 2024. The products are scheduled to be delivered by the end of November 2024, and the payment from this order is expected to be received at the end of January 2025.

### Dividends Paid or Recommended

There was no dividend paid or recommended.

### Significant Changes in the State of Affairs

In the opinion of the Directors, other than the matters covered above in this report and the accounts and notes attached thereto, there were no significant changes in the state of affairs of the Group that occurred during the financial period under review.

### Significant Events after the Reporting Date

Subsequent to the reporting date, the Group has secured its first order under the new customer contracts for the sale of stickers book and related products as announced on 2 October 2024. The products are scheduled to be delivered by the end of November 2024, and the payment from this order is expected to be received at the end of January 2025.

### Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 4.

## Notes to the Consolidated Financial Statements

### For the half-year ended 30 September 2024

---

#### 1 Summary of material accounting policies

These financial statements and notes represent those of Red Ridge Group Limited (formerly known as "Smart Auto Australia Limited") (the "Company") and its controlled entities (the "Group") ("Interim Financial Statements").

The separate financial statements of the parent entity have not been presented within this financial report as permitted by the *Corporations Act 2001*.

The Interim Financial Statements were authorised for issue on 10 December 2024 by the directors of the Company.

##### (a) Basis of preparation

###### *Reorganisation*

The Company was incorporated and domiciled in Australia, as the parent company and listing vehicle for the Group. On the date of incorporation, 28 October 2020, 100 nil-paid ordinary shares were issued to the controlling shareholder Alyce Wong, who is also a director of the Company. Pursuant to the reorganisation (the "Reorganisation"), the Company subsequently issued 115,999,900 shares to Alyce Wong, to acquire her entire equity interest in Smart Auto Holding (HK) Limited, a British Virgin Islands incorporated limited liability company ("SAH"), for consideration of A\$1,831,879, equating to the net asset value of SAH as of 30 September 2020.

Immediately prior to and after the Reorganisation, the business of the Group was conducted mainly through the existing operating subsidiary based in Hong Kong. The Company became the holding company of the companies comprising the Group on 28 October 2020. The Reorganisation is merely a reorganisation of the structure of the Group with no change in management and the ultimate owner of the business remains the same. The Group is regarded as operating the same business, prior to and after the Reorganisation, with no requirement to account for the Reorganisation as a business acquisition pursuant to AASB 3. Accordingly, the Financial Statements have been prepared using the principles of merger accounting (pooling of interest method) as if the Reorganisation had occurred as at the beginning of the earliest period presented and as though the current group structure had always been in existence.

The assets and liabilities of the companies comprising the Group are consolidated using their existing book values. No amount is recognised as consideration for goodwill or excess of acquirer's interest in the fair value of acquiree's identifiable assets, liabilities and contingent liabilities over cost at the time of the Reorganisation. All intra-group transactions, balances and unrealised gains on transactions have been eliminated on consolidation. Unrealised losses are also eliminated unless the transactions provide evidence of an impairment of the asset transferred, if any.

On 17 May 2024, the Group disposed of the entire equity interest in SAH to an independent third party for a consideration of A\$1.00. The operations associated with the bus rental and management and bus trading segments are therefore classified and presented in the consolidated statement of profit or loss and other comprehensive income as discontinued operations in 1H25.

During an Extraordinary General Meeting of Shareholders held on 8 November 2024, Shareholders had approved the significant change to the Company's principal business activities. The new business will include providing sourcing, design and distribution of toys and arts & craft related products, to US wholesale customers and brokers, online and offline suppliers of department stores and network chains, and the product source is derived from China and India.

### 1 Summary of material accounting policies (continued)

#### (a) Basis of preparation

##### *Reporting entity*

The Interim Financial Statements are general purpose consolidated financial statements have been prepared in accordance with the *Corporations Act 2001*, applicable accounting standards including AASB 134 'Interim Financial Reporting', Accounting Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board ('AASB'). Compliance with AASB 134 ensures compliance with IAS 34 'Interim Financial Reporting'.

The Interim Financial Statements do not include full disclosures of the type normally included in an annual financial report. Therefore, it cannot be expected to provide as full an understanding of the financial performance, financial position and cash flows of the Group as in the full financial report. It is recommended that this interim financial report be read in conjunction with the annual financial report for the year ended 31 March 2024 and any public announcements made by the Company during the half-year ended 30 September 2024 in accordance with continuous disclosure requirements arising under the *Corporations Act 2001* and the NSX Listing Rules. Material accounting policies adopted in the preparation of the Interim Financial Statements are presented below. They have been consistently applied unless otherwise stated.

The Group has considered the implications of new or amended Accounting Standards, but determined that their application to the financial statements is either not relevant or not material.

Except for cash flow information, the Interim Financial Statements have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

## Notes to the Consolidated Financial Statements

### For the half-year ended 30 September 2024

---

#### 1 Summary of material accounting policies (continued)

##### (b) Principles of consolidation

The consolidated financial statements incorporate the assets and liabilities of all subsidiaries of the Company as at 30 September 2024 and the results of its controlled entities for the period then ended. The Company and its controlled entities together are referred to in the Interim Financial statements as the consolidated entity.

Subsidiaries are all those entities over which the consolidated entity has control. The consolidated entity controls an entity when the consolidated entity is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the consolidated entity. They are de-consolidated from the date that control ceases.

Intercompany transactions, balances and unrealised gains on transactions between entities in the consolidated entity are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of the impairment of the asset transferred. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the consolidated entity.

The acquisition of subsidiaries is accounted for using the acquisition method of accounting except for those disclosed in note 1(a) pursuant to the Reorganisation. A change in ownership interest, without the loss of control, is accounted for as an equity transaction, where the difference between the consideration transferred and the book value of the share of the non-controlling interest acquired is recognised directly in equity attributable to the parent.

##### Group companies

The financial results and position of foreign operations, whose functional currency is different from the Group's presentation currency, are translated as follows:

- assets and liabilities are translated at exchange rates prevailing at the end of the reporting period;
- income and expenses are translated at average exchange rates for the period; and
- retained earnings are translated at the exchange rates prevailing at the date of the transaction.

Exchange differences arising on translation of foreign operations with functional currencies other than the presentation currency of the Group are recognised in other comprehensive income and included in the translation reserve in the equity.

Where the consolidated entity loses control over a subsidiary, it derecognises the assets including goodwill, liabilities and non-controlling interest in the subsidiary together with any cumulative translation differences recognised in equity. The consolidated entity recognises the fair value of the consideration received and the fair value of any investment retained together with any gain or loss in profit or loss.

As announced on 22 May 2024, the Group disposed of the entire equity interest in Smart Auto Holding (HK) Limited ("SAH") to an independent third party for a consideration of A\$1.00 on 17 May 2024. On 27 August 2024, the Company announced that it has incorporated a 70% owned subsidiary, Red Ridge Holding Limited ("RRH") in British Virgin Islands. RRH has a wholly owned subsidiary, Red Ridge Asia Limited ("RRA") incorporated in Hong Kong.

Both the consolidated entity for the six months period ended 30 September 2024 and comparative figures for the previous six months period ended 30 September 2023 are the Company and its subsidiaries.

It also comprises the equity value of the Company, SAH and GTB at 31 March 2024. The share capital at period end represents those of the Company only; and
  - for the period between 1 April 2023 to 30 September 2023, comprises the Company, SAH and GTB's balance at 1 April 2023, its results for the period and transactions with equity holders for 6 months. It also comprises the equity value of the Company, SAH and GTB at 31 March 2023. The share capital at period end represents those of the Company only.

##### (c) Segment reporting

The Group identifies operating segments and prepares segment information based on the regular internal financial information reported to the executive directors of the Company for their decisions about resources allocation to the group's business components and for their review of the performance of those components. The business components in the internal financial information reported to the chief operating decision makers ("CODM") are determined following the Group's major operations. The measurement policies the group uses for reporting segment results under AASB 8 Operating Segments are the same as those used in its financial statements prepared under AASBs.

#### 1 Summary of material accounting policies (continued)

##### (d) Foreign currency translation

Functional and presentation currency

The functional currency of the Group is Hong Kong dollars (HK\$), which is the currency of the primary economic environment in which the Group operates, while presentation currency of the Group is Australian dollars (A\$).

##### *Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the end of the reporting period. Foreign exchange gains and losses resulting from settling foreign currency transactions, as well as from restating foreign currency denominated monetary assets and liabilities, are recognised in profit or loss, except when they are deferred in other comprehensive income as qualifying cash flow hedges or where they relate to differences on foreign currency borrowings that provide a hedge against a net investment in a foreign entity.

Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when fair value was determined.

##### (e) Provision and contingent liabilities

A provision is recognised when a present obligation (legal or constructive) has arisen as a result of a past event and it is probable that a future outflow of resources will be required to settle the obligation, provided that a reliable estimate can be made of the amount of the obligation. When the time value of money is material, provisions are stated at the present value at the expenditure expected to settle the obligation.

All provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future uncertain events not wholly within the control of the Group are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

#### 12 Segment information

The Group identifies operating segments and prepares segment information based on the regular internal financial information reported to the Group's chief operating decision maker for their decisions about resources allocation to the Group's business components and for their review of these components' performance. The Group only operates in a single operating segment, which is the coach rental and trading. All the revenue is received from external customers.

For 1H25, there was no revenue from customer (1H24: one customer) which had contributed more than 10% each to the Group's revenue amounted to approximately A\$Nil (1H24: A\$712,369).

For 1H25 and 1H24, the Group's external customers, operations and the management team are domiciled and located in Hong Kong. Segment revenue by geographical region is based on the location of the customers. For 1H25 and 1H24 the assets and liabilities of the Group are in Hong Kong which are used to support its external customers in Hong Kong.

Consequently, no separate analysis of reportable segment revenue, assets and liabilities by operation/geographical region is presented.

**INDEPENDENT AUDITOR'S REVIEW REPORT  
TO THE MEMBERS OF RED RIDGE GROUP LIMITED****Report on the Half-Year Financial Report****Qualified Conclusion**

We have reviewed the accompanying half-year financial report of Red Ridge Group Limited (formerly known as "Smart Auto Australia Limited") (the "Company") and its subsidiaries (the "Group"), which comprises the consolidated statement of financial position as at 30 September 2024, the consolidated statement of comprehensive income, consolidated statement of changes in equity, the consolidated statement of cash flows for the half-year ended on that date, notes to the financial statements including a summary of material accounting policies and other explanatory information and the directors' declaration.

Based on our review, which is not an audit, except for the possible effects of the matter described in the Basis for Qualified Conclusion section, we have not become aware of any matter that makes us believe that the half-year financial report of the company is not in accordance with the *Corporations Act 2001*, including:

- i. giving a true and fair view of the consolidated entity's financial position as at 30 September 2024 and of its performance for the half-year ended on that date; and
- ii. complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.

**Basis of Qualified Conclusion**

On 17 May 2024, the Group disposed its wholly owned subsidiaries, (Smart Auto Holding (HK) Limited ("SAH") and Grand Tour Bus Services Limited ("GTB")) after considering the implication of the court order made on 14 March 2024 against GTB including the practicability of counterclaim and impact on its operating status.

The disposal resulted to a gain of \$3,941,678, however, we refer you to the Basis of Disclaimer of Opinion issued in the 31 March 2024 audit, where due to the legal proceedings brought against GTB and the inability of the GTB's management to provide information during the 31 March 2024 audit, we were unable to obtain sufficient appropriate audit evidence or satisfactory management explanation to ascertain the completeness, right (or obligation) and valuation (recoverability) of GTB's property, plant & equipment, intangible assets, inventories, right-of-use assets, trade and other receivables including deposits paid, trade and other payables including deposits received, contract liabilities, lease liabilities and borrowings. Therefore, we were unable to determine whether any adjustments might be necessary in respect of the balances and transactions above, making up the assets and liabilities associated with the net assets held for sale, and consequently the potential impacts, if any, on the quantum of the gain on disposal recognised during the half-year period.

Notwithstanding the standalone materiality of the items set out above and the possible impact upon other balances within the financial statements, we did not consider the potential impact to be pervasive to the overall financial results and financial position presented in respect of the consolidated entity.

**Responsibility of the Directors for the Half-Year Financial Report**

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

**INDEPENDENT AUDITOR'S REVIEW REPORT  
TO THE MEMBERS OF RED RIDGE GROUP LIMITED (CONTINUED)**

**Auditor's Responsibility for the Review of the Financial Report**

Our responsibility is to express a conclusion on the financial report based on our review. ASRE 2410 requires us to conclude whether anything has come to our attention that causes us to believe that the financial report is not in accordance with the *Corporations Act 2001* including:

- i. giving a true and fair view of the Company's financial position as at 30 September 2024 and its performance for the half-year ended on that date; and
- ii. complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
