NSX Announcement

## MARKET UPDATE - HALF YEAR REPORT

Actcelerate International Group Ltd (AIG or the Company) (NSX:ACT) wishes to provide an update to its shareholders on the status of the Company's 30 June 2024 half year report ("Report").

As announced on 29 November 2024, AIG is in ongoing confidential discussions with a number of parties regarding potential short-term funding for the Company; however, at this stage those discussions are incomplete. A positive outcome to these discussions is required before the Company will be in a position to address the outstanding queries relating to the Company's financial situation and finalise the Report.

AIG will provide further updates to the market as and when the capital raising discussions conclude and the outstanding Report matters have been addressed.

The Company thanks shareholders for their ongoing support.
