Fully Franked Final Dividend – 2.7 cents

Ashley Services Group Limited (ASX: ASH), would like to announce to the market that the Board has today declared a final fully franked dividend of 2.7 cents per share in relation to the 2020 financial year.

Whilst the result for 2020 is not yet finalised, the Board have deemed there to be sufficient clarity to allow them to make the dividend declaration at this time.

This dividend is consistent with our recent pattern of dividend payment and reflects a 2020 result in line with 2019, with any downturn in the pre-existing business being offset by the contribution from our acquisition of the CCL Group during financial year 2020.
