F. E.

**13.2 Issuer's right to demand**

If the Assignee defaults in the performance of the Guaranteed Obligations in accordance with this Agreement, the Guarantor must perform the Guaranteed Obligations immediately on demand by the Issuer.

**13.3 Principal debtor**

If the Guaranteed Obligations are not fully enforceable against or not fully recoverable from the Assignee as debtor or from the Guarantor as surety for any reason, including:

- (a) any legal limitation, disability or lack of capacity, power or authority affecting the Assignee or the Guarantor or an improper exercise of power or authority by any person;
- (b) any provision of this Agreement or any transaction relating to the Guaranteed Obligations being or becoming void, voidable, unenforceable or time-barred; or
- (c) any winding-up, bankruptcy, reorganisation, amalgamation or similar event or circumstance affecting the Assignee or the Guarantor,

the Guaranteed Obligations:

- (d) are recoverable from, or enforceable against, the Guarantor as though they had been incurred and owing by the Guarantor and the Guarantor was the sole and principal debtor in respect of the Guaranteed Obligations; and
- (e) must be paid or performed by the Guarantor immediately on demand by the Issuer.

**13.4 Indemnity**

- (a) As a separate and independent obligation, the Guarantor unconditionally and irrevocably indemnifies the Issuer against all Claims arising directly or indirectly from, or which the Issuer suffers or incurs in connection with:
  - (i) the failure of the Guarantor or the Assignee to duly and punctually comply with or perform its obligations or purported obligations under or in connection with this Agreement;
  - (ii) any representation or warranty made by the Guarantor or the Assignee under this Agreement being or becoming untrue or misleading; or
  - (iii) the exercise or attempted exercise by the Issuer of a right or power under this clause 13.
- (b) The indemnity in clause 13.4(a) remains in effect even if the guarantee under clause 13.1 is not or ceases to be valid or enforceable against the Guarantor for any reason.
- (c) The Guarantor must immediately on demand by the Issuer pay to the Issuer any amount certified by the Issuer as payable under clause 13.4(a).

**13.5 Continuing and independent guarantee and indemnity**

- (a) The guarantees and indemnities in this clause 13:
  - (i) are continuing obligations;
  - (ii) survive termination of this Agreement;
  - (iii) extend to cover this Agreement as amended, varied or replaced, whether with or without the consent of the Guarantor;
  - (iv) are independent of, and not in substitution for or affected by, another security interest or guarantee or other document or agreement which the Issuer or another person may hold concerning the Guaranteed Obligations; and

R.F.

- (v) continue in full force and effect until all of the Guaranteed Obligations and all of the Guarantor's obligations under or in connection with this Agreement have been irrevocably performed in full, regardless of any intermediate payment or discharge in whole or in part.
- (b) It is not necessary for the Issuer to incur expense or make payment before enforcing a right of indemnity under this clause 13.
- (c) The Guarantor waives any rights that it may have of first requiring the Issuer (or any other person for whose benefit the guarantee and indemnity in this clause 13 is given) to commence proceedings, or enforce any other right, against the Assignee or any other person before claiming under this clause 13.

- (c) any change in the constitution of the Assignee or the Guarantor or their absorption in, amalgamation with or merger into, or the acquisition of all or part of their undertaking by, any other person;
- (d) an amendment of, supplement to or replacement of the obligations of any party to this Agreement including any amendment, supplement or replacement under which the Assignee's obligations are increased, the Assignee incurs additional obligations or the time and method of payment by the Assignee is varied;
- (e) an obligation of any party to this Agreement being or becoming illegal, void, voidable or unenforceable (regardless of whether by reason of a legal limitation, disability or incapacity on the part of the Issuer and whether this Agreement is void ab initio or is subsequently avoided); or
- (f) any part of the Guaranteed Obligations being or becoming irrecoverable or never having been recoverable;
- (g) a rule of law or equity to the contrary;
- (h) the partial performance of the Guaranteed Obligations;
- (i) the Issuer granting any time or other indulgence or concession to, compounding or compromising with, or wholly or partially releasing the Assignee or the Guarantor of any obligation; or
- (j) another thing happening that might otherwise release, discharge or affect the obligations of the Guarantor under this Agreement.

### 13.7 No duty to disclose

The Issuer was not before the execution of this Agreement, and is not at any time after the execution of this Agreement, under a duty to disclose to the Guarantor or any other person any information concerning the Assignee or the Assignee's affairs or transactions with the Issuer.

### 13.8 Prohibited claims

The Guarantor must not, without the Issuer's prior written consent:

Y.K.

- (a) make any claim for any amount paid under this Agreement or enforce any right against the Assignee or its property;
- (b) raise a defence available to the Guarantor, the Assignee or any other person against the Issuer, or exercise any right of set-off or make a counterclaim (whether arising in favour of itself or of the Assignee) against the Issuer, in reduction of its liability under this Agreement;
- (c) claim the benefit of any security or guarantee held now or in the future by the Issuer for or in respect of the Guaranteed Obligations; or
- (d) take any security or guarantee to secure the reimbursement to it of any amount paid under this Agreement,

until all of the Guaranteed Obligations and all of the Guarantor's obligations under this Agreement have been finally and fully satisfied.

### 13.9 Competing claims

In a winding-up or bankruptcy of the Assignee:

- (a) the Guarantor may not prove or make a claim against the Assignee or the Assignee's assets in competition with the Issuer until all of the Guaranteed Obligations and all of the Guarantor's obligations under this Agreement have been finally and fully satisfied; and
- (b) the Issuer's receipt of any payment or other dividend out of the Assignee's assets will not affect the Issuer's right to recover from the Guarantor payment and satisfaction in full of all of the Guaranteed Obligations and all of the Guarantor's obligations under this Agreement.

### 13.10 Reinstatement of Principal's rights

- (a) If any transaction made in or towards satisfaction of the Guaranteed Obligations or any of the Guarantor's obligations under this Agreement is void or voidable under any law (including any law relating to preferences, bankruptcy, administration or the winding-up of companies), the Issuer is entitled to the same rights and remedies against the Guarantor as it would have had if the transaction had never taken place.
- (b) If required by the Issuer, the Guarantor must at its own expense, sign all documents and do all acts necessary to restore to the Issuer the benefit of this Agreement immediately before the transaction referred to in clause 13.10(a) took place.
- (c) Clauses 13.10(a) and 13.10(b) survive the termination of this Agreement unless the Issuer expressly agrees otherwise in writing.

## 18 GST

### 18.1 Definitions

Unless the context requires otherwise, words and phrases used in this clause that have a specific meaning in the GST law (as defined in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth)) shall have the same meaning in this clause.

### 18.2 Recovery of GST

If GST is payable, or notionally payable, by a party (**Supplier**) on a supply it makes under or in connection with this Agreement, the party providing the consideration for that supply (**Recipient**)

Y.F.

must pay as additional consideration an amount equal to the amount of GST payable, or notionally payable, on that supply (the **GST Amount**). Subject to the prior receipt of a tax invoice (or an adjustment note, as applicable), the GST Amount is payable at the same time that the other consideration for the supply is provided. This clause does not apply to the extent that the consideration for the supply is expressly stated to be GST inclusive or the supply is subject to reverse charge.

### 18.3 Liability for penalties

If the Recipient fails to make the payment of an amount in accordance with this clause 18, the Recipient must pay to the Supplier (or the representative member liable for the GST on the relevant supply under the GST Act) on demand the amount of any loss, cost expense, penalty, fine, interest, fee or other amount to which the Supplier (or the representative member liable for such amount,) becomes liable as a direct result of the Recipient's failure to make such payment. It will not be a defence to any claim against the Recipient that the Supplier (or the representative member liable for such amount) has failed to mitigate damages by paying an amount of GST when it fell due under the GST Law.

### 18.4 Liability net of GST

Where any indemnity, reimbursement or similar payment under this Agreement is based on any cost, expense or other liability, it will be reduced by any input tax credit entitlement, or notional input tax credit entitlement, in relation to the relevant cost, expense or other liability.

### 18.5 Adjustment events

If an adjustment event occurs in relation to a supply made under or in connection with this Agreement, the GST Amount will be recalculated to reflect that adjustment and an appropriate payment will be made between the parties. The supplier will promptly issue an adjustment note to the recipient in respect of the adjustment event.

### 18.6 Survival

This clause will not merge upon completion and will continue to apply after expiration or termination of this Agreement.

### 18.7 Revenue exclusive of GST

Any reference in this Agreement to value, sales, revenue or a similar amount (**Revenue**), is a reference to that Revenue exclusive of GST.

### 18.8 Cost exclusive of GST

Any reference in this Agreement to a cost, expense or other similar amount (**Cost**), is a reference to that Cost exclusive of GST.
