About MedAdvisor

MedAdvisor is a world class medication management platform focused on making medications easier to manage. The highly automated and intuitive software system connects patients to medication related tools and education materials from their community pharmacy, as well as with their Doctor. Since launching in 2013, MedAdvisor has connected over one million patients with >55% of Australian pharmacies and a network of thousands of GPs across Australia and in 2018, was recognised in the AFR Fast 100. In 2019 MedAdvisor setup ZP MedAdvisor, a joint venture with Zuellig Pharma – one of Asia's largest healthcare businesses and announced its first 2 pharmacy chain customers beyond Australia – MedExpress in the Philippines and Day Lewis in the UK.
