¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

The Board and its Committees

The Board and its role

The Fund is under the supervision and direction of the CPFL Board which comprises Matthew Hardy (Chairman), Darren Collins, Peter Done and Elizabeth McDonald. The primary function of the Board is to ensure that the Fund is managed in the best interests of unitholders. The CPFL Board regularly receives reports from Centuria executives and senior managers that have responsibility for the business activities of the Fund, in relation to the services provided by Centuria and any other material matters that the Board should be aware of. The Board also monitors the governance and performance of the Fund through committees established by the Board.

CPFL’s Board Charter which formalises the roles and responsibilities of the Board is available at: centuria.com.au/centuria-capital/corporate/governance.

The specific responsibilities of the Board are:

- to participate with management in setting the goals, strategies and performance targets for the Fund and to monitor their achievement;
- to make available to management adequate resources to achieve the strategic plan;
- to ensure there are processes in place to comply with legal requirements and corporate governance standards and that risk exposures are adequately managed;
- to approve and monitor the progress of major capital expenditure, capital management and acquisitions and divestments;
- to oversee the financial position of CPFL;
- to approve the annual and half yearly financial reports; and
- to report progress to unitholders as their appointed representatives and seek to align the collective interests of unitholders, the Board and management.

The Board has delegated certain responsibilities to standing committees which operate in accordance with Charters approved by the Board. The Board of CPFL has formed an ARCC to facilitate the performance of its duties, which is discussed in further detail later in this Statement.

All matters not specifically reserved for the Board and necessary for the day to day management of the Fund are delegated by the Board to the Fund Manager and the management team. However, the Board retains responsibility for the overall activities and management of the Fund. Those Centuria executives and senior managers that have responsibility for the business activities of the Fund have delegated authority to make decisions in respect of the day to day management of the Fund and its assets.

The Chairman of the Board is an Independent Non-Executive Director and his role includes:

- leading the Board, facilitating the effective contribution of all individual Directors, promoting constructive and respectful relations between the Directors and between the Board and management;
- setting the agenda for Board meetings and ensuring that adequate time is available for discussion of all agenda items including strategic issues; and
- representing the Board, chairing general meetings and communicating the Board’s position to the Fund’s unitholders and the public.

The Company Secretary of CPFL is accountable to the Board, through the Chairman, on all matters to do with the proper functioning of the Board. The Company Secretary is also responsible for advising Directors on corporate governance matters, liaising with regulators, supervising market disclosures, maintaining the Fund’s corporate registers and apprising the Board on risk and governance issues.

Board composition

The Board comprises four independent Non-Executive Directors. The following table sets out the current composition of the Board, each Director’s date of appointment, length of service and Board Committee memberships.

Director	Role	Appointment date	Length of service	Committee memberships
Matthew Hardy	Independent Non-Executive Director/Chairman	4 July 2013	11 years, 2 months	ARCC
Darren Collins	Independent Non-Executive Director	10 March 2015	9 years, 6 months	ARCC (Chairman)
Peter Done	Independent Non-Executive Director	5 Dec 2007	16 years, 9 months	ARCC
Elizabeth McDonald	Independent Non-Executive Director	1 March 2022	2 years, 6 months	ARCC

Director independence

Matthew Hardy, Darren Collins, Peter Done and Elizabeth McDonald are considered to be independent as per the independence criteria set out in the Board Charter. The four independent Directors do not have relationships with the Group which affect their independent status, such as substantial security holdings or direct employment. No Director has a material contractual relationship with the Group or other subsidiaries of the Group except as a Director. In determining the independence of its Directors, CPFL has had regard to the guidelines provided by the ASX CGC Principles and section 601JA(2) of the *Corporations Act 2001* (Cth). Every independent Director has had their independence confirmed through that process.

Directors are required to disclose at each Board meeting any interests that may affect their independence. Independent Directors reconfirm their independent status on an annual basis.

The ARCC has an independent Director as its Chairman and comprises members who are independent Directors.

Managing conflicts of interests

CPFL recognises its responsibilities in relation to conflicts of interest and related party transactions and has a Conflicts of Interest Policy in place that governs the way in which CPFL manages such transactions or conflicts.

Through the application of this Policy, CPFL is committed to:

- identifying and monitoring all potential conflicts of interest;
- avoiding conflicts of interests wherever this is the only way to properly protect unitholders’ interests;
- taking appropriate steps to ensure the fair treatment of all unitholders potentially affected by the conflict; and
- dealing in an open manner and disclosing its conflicts of interest wherever this is likely to be relevant to unitholders.

Additionally, the Board of Centuria has in place a Conflicts Committee to assist the Boards of Centuria entities when they are considering matters involving conflicts of interests. This Committee is overseen by an external independent Chairman and consists of three independent Non-Executive Directors. The current external independent Chairman of the Conflicts Committee is Emeritus Professor Simon Rice AO. The other members of the Committee are Garry Charny (Chairman of Centuria), Kristie Brown (Non-Executive Director of Centuria) and Roger Dobson (Chairman of Centuria Property Funds No. 2 Limited, the responsible entity of Centuria Industrial REIT (ASX:CIP)).

One of the key oversight roles of the Conflicts Committee is monitoring related party transactions involving Board members of Centuria entities.

The Group has adopted a Policy that, as a matter of general principle, third party consultancy fees should not be paid to entities that are related to independent Directors.

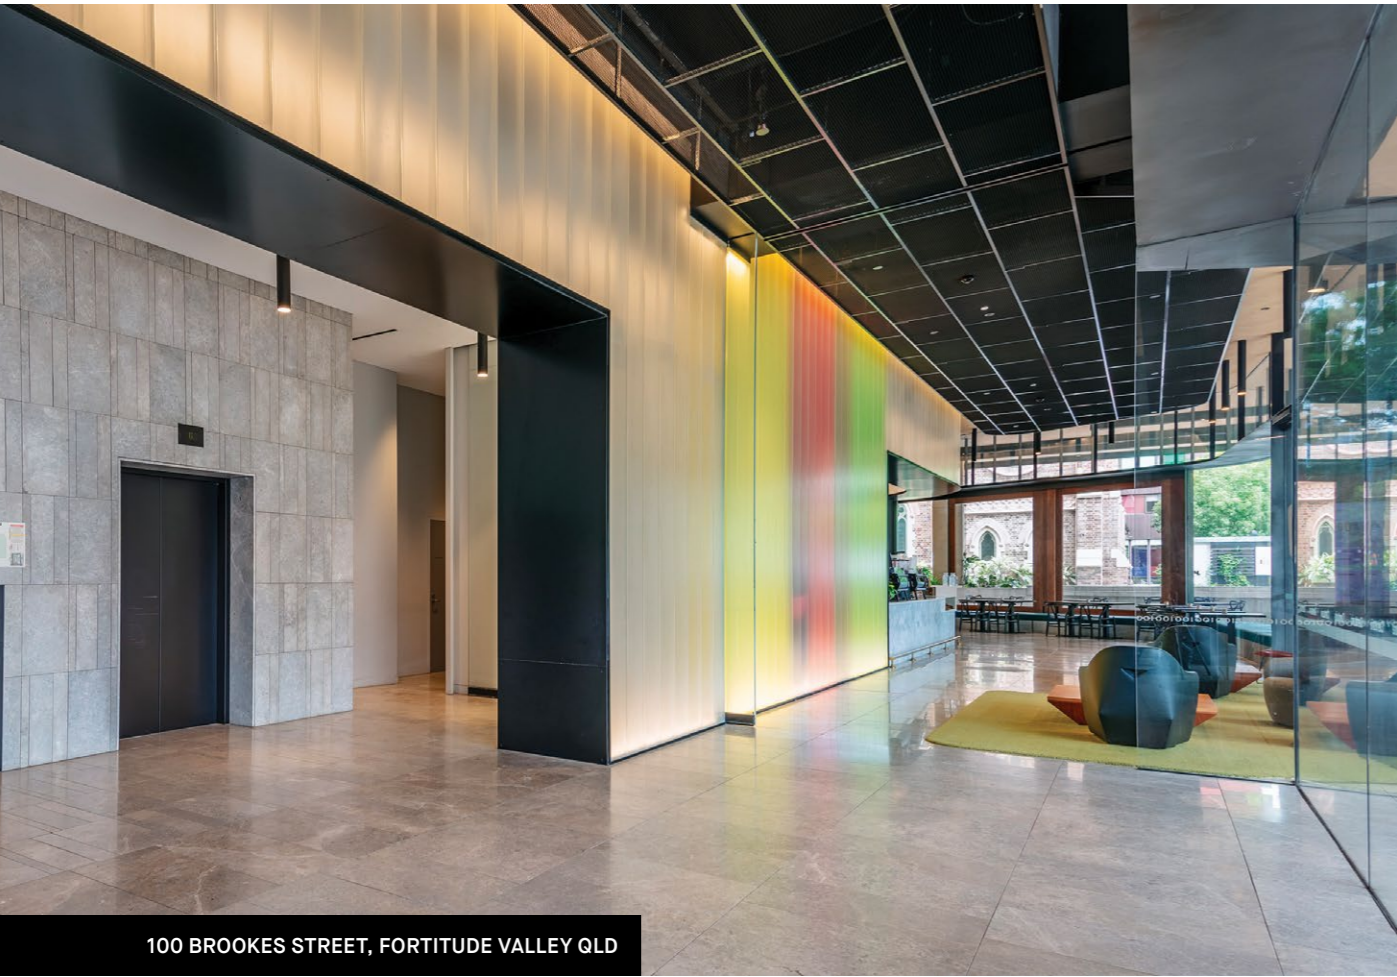

- Where a conflict of interest is identified, the Board of Centuria and Centuria entities (including CPFL) has protocols for its members for declaring and dealing with potential conflicts of interest that include:
- CPFL Board members declaring their interests required under the *Corporations Act 2001* (Cth), the ASX Listing Rules and general law requirements;
 - CPFL Board members with a material personal interest in a matter before the CPFL Board not receiving the relevant CPFL Board paper and not being present at the CPFL Board meeting during the consideration of the matter and subsequent vote, unless the CPFL Board (excluding the relevant CPFL Board member) resolves otherwise; and
 - CPFL Board members with other conflicts not involving a material personal interest in a matter before the Board not receiving the relevant Board paper and not being present at the Board meeting during discussion of the matter.

Board skills and experience

Centuria has a Group Nomination & Remuneration Committee that regularly reviews the skills, knowledge and experience represented on the CPFL Board against the skills and experience needed to deliver the Fund’s strategy and meet both the current and future challenges of the Fund. The experience and skills of Directors in the key areas on the following page are recorded in the matrix to identify any gaps or weaknesses in the CPFL Board’s collective skillset to be addressed when filling any CPFL Board vacancies or by recruitment of additional Directors.

The competencies of the current CPFL Board members and the number of Non-Executive Directors with each skill and their experience is set out on the following page, as at the date of the approval of this Statement.

In addition to the skills and experience set out on the following page, the CPFL Board comprises Directors with diverse backgrounds and an appropriate balance of Directors with strong corporate memory and those that bring an external or fresh perspective.

Director appointments

As an externally managed fund, the Group oversees the appointment of Directors to the Board of Centuria and its subsidiary entities (including CPFL). The Group Nomination & Remuneration Committee formulates the criteria for appointment of Directors, identifies potential candidates and recommends remuneration of Directors and senior management.

A letter of appointment is provided to each Director of CPFL setting out the terms of their appointment. Prior to a person’s appointment, or recommendation for appointment, as a Director of CPFL, appropriate background checks including in relation to the candidate’s character, experience, education, criminal record and bankruptcy history are undertaken by CPFL.

Following their appointment, the Company Secretary arranges an induction program for all new directors to ensure that they have the appropriate knowledge needed to perform their role.

Director education and professional development

Centuria values continuing education for Directors in order to update and enhance their knowledge and hence ensure optimal performance. The Board Charter of CPFL gives the Board the authority to seek external professional advice as considered necessary in the performance of its duties, at CPFL’s expense. Further, each Director may seek independent professional advice, at CPFL’s expense, in relation to the performance of their duties as a Director. Centuria continues to develop the Group’s understanding of modern slavery risks across its supply chain and improve Centuria’s approach to procurement and supply chain governance.

The Group places strong emphasis on the importance of human rights and maintains a commitment to addressing potential violations related to modern slavery. Ensuring the protection of human rights and preventing modern slavery violations is a commitment overseen by several governing bodies within the Group, each tasked with assessing and continually improving transparency across Centuria’s various supply chains.

Centuria assesses modern slavery risks across its operations and supply chain. Its risk-based approach acknowledges certain parts of the business and supplier types present a higher modern slavery risk to the Group. Centuria continues to update its approach based on findings and in consultation with the wider industry. The Group has published its Modern Slavery Statement on its website, which identifies the steps that Centuria is taking to minimise the risks of modern slavery within its operations: **centuria.com.au/centuria-capital/corporate/governance**.

Supplier Code of Conduct

Centuria has established a Supplier Code of Conduct to reinforce its commitment to honest, transparent and responsible business practices.

Contractors, sub-contractors, consultants and suppliers, are expected to conduct themselves in line with Centuria’s values. The Supplier Code of Conduct sets out Centuria’s expectation for suppliers when they are engaged with works either directly or on behalf of the Group, including its listed REITs, unlisted funds and operations across both Australia and New Zealand.

The Centuria Supplier Code of Conduct is available on the Group’s website: **centuria.com.au/centuria-capital/corporate/governance**.

Securities Trading Policy

The Group has a Directors’ and Employees’ Securities Trading Policy, which is available on its website: **centuria.com.au/centuria-capital/corporate/governance**.

This Policy establishes guidelines for dealing in Centuria Securities and ensures that Directors and Employees are aware of, and comply with, the law prohibiting insider trading.

Market and Securityholder communication

Verification of periodic corporate reports

Centuria has verification and approval processes in place to support the integrity of the information disclosed in periodic corporate reports released to the market which are not required to be audited or reviewed by the external auditor. The processes vary depending on the report and generally involve the individuals with responsibility for the information confirming to the best of their knowledge and belief that the information is considered to be accurate and not misleading. The processes may also involve review and confirmation by internal subject matter experts (and where pertinent, external advisers) that the corporate report is appropriate for release.

Market disclosure

Centuria seeks to provide all investors with timely, accurate, balanced and meaningful information.

Centuria has a Continuous Disclosure Policy, which provides a framework for how it manages and meets its disclosure obligations under the *Corporations Act 2001* (Cth) and the ASX Listing Rules and governs how the Group communicates with its securityholders and the investment community. This Policy is available on the Group's website at: centuria.com.au/centuria-capital/corporate/governance.

The CPFL Board, or the Centuria Joint CEOs, Fund Manager and/or the Company Secretary, must authorise all COF market communications. The Company Secretary, or her delegate, is responsible for the lodgement of all market related communication with the relevant securities exchange. A copy of all announcements is provided to the Board after its release to the ASX.

Before Centuria gives a new and substantive investor or analyst presentation, Centuria will release a copy of that presentation to the market. Once relevant information is disclosed to the market and made available to investors, it is published on the Centuria website as soon as practicable with the aim of making the information accessible to the widest audience. This includes investor discussion packs, and presentations on, and explanations about, COF's financial results.

Responsibility for compliance with the Group's continuous disclosure obligations rests with the Company Secretary.

Securityholder communication and participation

The Group aims to provide prompt, accurate and accessible information to its securityholders. It has established a Shareholder Communications Policy detailing steps to be taken to achieve this objective, a copy of which can be viewed on the Group's website: centuria.com.au/centuria-capital/corporate/governance.

The Group's website forms an important part of the strategy for communicating with securityholders (including COF's unitholders). The Group's website has an Investor Centre page which includes security details, company reports, ASX announcements and press releases (including copies of any significant presentations made to analysts) and items relating to AGMs or other general meetings of the Group's securityholders.

The Group recognises the importance of keeping its securityholders and the broader investment community fully informed and has an investor relations program for engaging with securityholders, the media and the broader investment community.

The main mechanisms through which the Group provides avenues for two way securityholder engagement include:

- the Group's AGM where securityholders are given the opportunity to ask questions;
- the release of notices and explanatory notes for the Group's AGMs and other securityholder meetings, including COF;
- the release of the Fund's Annual Report, half year and full year financial reports;
- the release of announcements made to the ASX;
- maintenance of the Group's website, at centuria.com.au, which contains up to date information on the operations of the Group, its Board, management and Corporate Governance structure, its REITs and REIT Boards, ASX announcements, security prices, debt investment and other relevant information; and
- maintenance of various telephone lines that enable securityholders to contact and ask questions directly of the Group or its registry service provider, Boardroom.

A notice of meeting and explanatory notes in respect of the resolutions to be voted on by unitholders will be provided in accordance with the Fund's Constitution and the *Corporations Act 2001* (Cth). The notice of meeting and explanatory notes will also be lodged with the ASX and made available on the Group's website at: centuria.com.au.

In accordance with the Fund's Constitution, unitholders who are not able to attend the meeting are able to vote by proxy.

At any general meeting of unitholders, the Chair of the general meeting determines that each resolution will be decided on a poll.

Securityholders can elect through Boardroom to receive communications and other security holding information and send communications to Boardroom, electronically.

Securityholders may also communicate with the Group through the contact details provided on the Group's website.
