

ASX Announcement

ASX:WIN

29 April 2025

InvestorHub Portal to Boost Investor Engagement

WIN Metals Ltd (ASX: **WIN**) (“**WIN**” or “**the Company**”) is pleased to advise of its new [Investor Hub](#) for dedicated investor engagement.

It enables shareholders, stakeholders, and prospective investors to learn more about the Company's activities and key projects in what is shaping as a pivotal year of growth for WIN Metals.

WIN is well positioned to capitalise on its gold, nickel and lithium assets as it continues to drive its exploration activities across Western Australia.

The Company will regularly upload new content to the hub, including videos, key project news and updates.

WIN Metals invites shareholders and interested parties to join InvestorHub as follows:

1. Create an account on our Investor Hub via the [sign up link](#)
2. Follow the prompts to create your investor hub account with WIN Metals. WIN encourages investors to post questions/feedback through the Q&A function accompanying each piece of content to engage with the leadership team and gain a better understanding of the Company's updates.

WIN Metals Managing Director and Chief Executive Officer, Steve Norregaard said of the new investor hub:

"WIN Metals is gearing up for an exciting period ahead as we focus on unlocking value in our key assets particularly the Butchers Creek Gold Project.

Our new investor hub will provide a centre for our investors to stay up to date with the latest announcements and company related news. We are committed to strengthening investor engagement through our new Investor Hub, enabling direct, transparent, and frequent communication.

The Investor Hub platform enables our shareholders and the broader investor community to ask questions, share feedback on ASX announcements and Company updates, and engage in open discussions with the WIN Metals team."

About WIN Metals

WIN Metals has a multiple commodity portfolio of strategic minerals projects located across Western Australia. The portfolio presents unique opportunities for shareholders to capitalise on gold, lithium and nickel assets.

It holds 100km² of granted mining tenure in the East Kimberley region of Western Australia, called Butchers Creek hosting a significant gold endowment with an abundance of exploration potential.

WIN has a second project area in the South Eastern Goldfields region of Western Australia, known as Mt Edwards, where the 240km² of tenure hosts an advanced aggregation of 12 Nickel sulphide orebodies and lithium mineralisation capable of development with the appropriate market conditions.
