ANNOUNCEMENT TO THE AUSTRALIAN SECURITIES EXCHANGE

31 December 2017

QUARTERLY REPORT FOR THE PERIOD ENDING 31 DECEMBER 2017

The Board of Syngas Limited ("Syngas" or "Company") is pleased to present the December 2017 Quarterly Report.

Corporate Transaction and Future Direction

On 28 July 2017, the Company entered into a Joint Venture Agreement ("JVA") with Centuries Andalas Ltd. ("Centuries") to set out the terms upon which we will cooperate in relation to the equity/investment participation in PT Cahaya Terang Makmur ("PT Cahaya") for the development of a 10 MW mini-hydro run-of-river power plant (the "Project") located on Batang Toru river in the Island of Sumatra, Republic of Indonesia to be constructed and operated by PT Cahaya.

PT Cahaya has been offered a tariff of USD7.86 cents per kWh by PT Perusahaan Listrik Negara ("PT PLN"), for electricity generated by the power plant for a concession period of thirty (30) years. This current tariff will result in the Internal Rate of Return ("IRR") for the project falling below our required investment hurdle rate and Syngas has been informed that PT Cahaya is meeting with PT PLN to appeal for a higher tariff rate. PT Cahaya is also in negotiation with several landowners on the acquisition price per-metre square for the project site pending the finalization of the tariff rate with PT PLN.

Hence, Syngas and Centuries has on 26 January 2018, mutually agreed to an extension of time of six 6 months to fulfill the condition precedent.
