24 February 2025

Dear Shareholder,

### **Invitation to Participate in Share Purchase Plan**

On 17 February 2025, Winsome Resources Limited (ACN 649 009 889) (**Winsome** or the **Company**) announced that it has received firm commitments for a placement of fully paid ordinary shares in the Company (**Shares**) at a price of A\$0.36 per Share to sophisticated, institutional and professional investors, to raise approximately A\$7,840,000 (**Placement**). Under the Placement, investors will also receive one free attaching unlisted option to acquire a share (**Option**) for every two Shares subscribed for and issued under the Placement, with an exercise price of A\$0.54 per Option and expiring on the date that is two years from the date of issue.

The 21,777,778 Shares under the Placement were issued on 20 February 2025. The Placement participants will apply for the 10,888,889 Options via a separate offer under a prospectus and will be issued under the Company's ASX Listing Rule 7.1 placement capacity.

In order to provide Eligible Shareholders (defined below) with the ability to participate in the Company's capital raising activities, the Company is pleased to provide details of a Share Purchase Plan (**Plan**).

Under the Plan, Eligible Shareholders will have the opportunity to purchase Shares up to the value of A\$30,000 at the same price as the Placement, irrespective of the size of their shareholding, without incurring brokerage or transaction costs. Eligible Shareholders that participate in the Plan will be entitled to subscribe for 3,472,222 Options on the same terms as the Placement via a separate offer under a prospectus. The Options are not being offered under this Plan and will be issued under the Company's ASX Listing Rule 7.1 placement capacity.

The offer under the Plan (**Offer**) is intending to raise a maximum of A\$2,500,000 on the terms and conditions (**Terms and Conditions**) contained in this document. The Company may elect to accept additional subscriptions or alternatively close the Offer early and/or scale back applications.

### **Shareholders Eligible to Participate in the Plan**

Participation under the Plan is optional and is available exclusively to shareholders of the Company who are registered as holders of Shares at 5.00pm (AWST) on 14 February 2025 (**Record Date**) and whose registered address is in either Australia or New Zealand (**Eligible Shareholders**). The Offer will open at 10.00am (AWST) on 24 February 2025 and is expected to close at 5.00pm (AWST) on 24 March 2025.

## Share Purchase Plan

The Plan entitles Eligible Shareholders, irrespective of the size of their shareholding, to purchase Shares up to the value of A\$30,000 at an issue price of A\$0.36 (**Price**) being the same price as the Shares offered under the Placement. The Price represents a discount of 20.1% to A\$0.45, being the volume weighted average market price (**VWAP**) of the Shares over the last five trading days on which sales in the Shares were recorded before the day on which the Plan was announced.

ASX has granted the Company a waiver of Listing Rules 7.1 and 10.11 to the extent necessary to permit the Company to issue the Shares the subject of the Plan at an issue price lower than 80% of the five-day volume weighted average market price prior to the date of announcement of the Plan. This means that the Company can offer Eligible Shareholders Shares under the Plan at the same issue price as the Placement.

Whilst the Company intends to raise A\$2,500,000 under the Plan (being 6,944,445 Shares), the Company reserves the right to accept additional applications subject to shareholder demand and compliance with the ASX Listing Rules. In accordance with the ASX Listing Rules, the maximum number of Shares which can be issued under a share purchase plan is the amount equal to 30% of the Company's existing issued share capital. Accordingly, as at the date of this document the maximum number of Shares which will be issued under this Plan will be 73,168,035 Shares.

Depending on applications received, the Company may, in its absolute discretion, undertake a scale back so not more than A\$2,500,000 is raised under the Plan. Scale back decisions are made by the Board and are final.

The Plan will not be underwritten. The directors of the Company who are Eligible Shareholders may participate under the Plan subject to the ASX Listing Rules.

An application form for the Plan (**Application Form**) is included in this package.

## Option Offer

Eligible Shareholders who participate in the Plan will also be eligible to subscribe for up to 3,472,222 Options via a separate offer to be made under a prospectus (**Option Offer**). The Options are therefore not being offered under this Plan and the Option Offer will be undertaken following lodgement of that prospectus. The Options will be issued under the Company's ASX Listing Rule 7.1 placement capacity. The Options will be issued on the same terms as the Options offered to investors under the Placement, being one free attaching unlisted Option for every two Shares subscribed for and issued under the Plan, with an exercise price of A\$0.54 per Option and expiring on the date that is two years from the date of issue.

## Current Activities

Details of the Company's current activities are set out in the announcements made by the Company to the ASX and are available from the ASX platform (ASX: WR1), or the Company's website at <https://winsomerresources.com.au/>.

## Use of Funds

As announced on 17 February 2025, the proceeds raised under the Plan are intended to be utilised to fund development of the Adina Project and the Renard Project, exploration expenditures and for general working capital purposes.

### How much can you invest?

Eligible Shareholders may each apply for Shares with a maximum value of A\$30,000 and a minimum value of A\$2,000 under the Plan.

To apply for Shares under the Plan, please follow the instructions on the enclosed personalised Application Form.

| Offer C | A\$20,000            | 55,556                                  |
| Offer D | A\$15,000            | 41,667                                  |

The number of Shares to which you are entitled will be calculated by dividing the subscription amount you have selected by the Price, rounded up.

All payments in accordance with the options set out in your Application Form (**Application**) must be received by the **closing date of 24 March 2025 (Closing Date)**. If the exact amount of money is not tendered with your Application, the Company reserves the right to either:

- (a) return your application monies and not issue any Shares to you; or
- (b) issue to you the number of Shares that would have been issued had you applied for the highest designated amount that is less than the amount of your payment and refund the excess application money to you by cheque as soon as possible, without interest.

The Company confirms that if the amount to be refunded is less than the issue price of one Share, being A\$0.36, it will not be refunded and will be retained by the Company.

Once an Application has been made it cannot be revoked.

### Multiple Holdings

The maximum investment any Eligible Shareholder may apply for will remain A\$30,000 even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account). It is the responsibility of the applicant to ensure that the aggregate of the application amount paid for the Shares the subject of the Application and any other shares and interests in the class applied for by you under the Plan or any similar arrangement in the 12 months prior to the date of submission does not exceed A\$30,000.

### **Custodians and Nominees**

Eligible Shareholders who hold Shares as Custodian or Nominee (**Custodian**) for one or more persons on the Record Date (**Beneficiary**) may apply for Shares up to a maximum amount of A\$30,000 in respect of each Beneficiary who is resident in either Australia or New Zealand as described in the Terms and Conditions enclosed with this document.

Please refer to the Terms and Conditions for more details.

### **Relationship of Issue Price with Market Price**

On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on ASX was A\$0.425. The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you as a result of your Application under this Offer.

By making an Application under this Offer and applying for Shares under the Plan, each Eligible Shareholder will be acknowledging that although the Price is at a discount, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make an Offer and the date of issue of Shares under that Offer and that the value of the Shares received under the Plan may rise or fall accordingly.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an Application under this Offer.

### **Additional Information and Important Dates**

The offer of Shares under the Plan is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 and therefore does not require a prospectus for the purposes of Chapter 6D of the *Corporations Act 2001* (Cth) (**Corporations Act**).

The Offer cannot be transferred, and the Directors of the Company reserve the right in their absolute discretion to reject, or scale back, on an equitable basis, any Application. Shares issued under the Plan will be issued no more than five business days after the Closing Date of the Offer. Application for quotation on ASX of the new Shares will be made immediately following the issue of those Shares.

The maximum amount proposed to be raised under the Offer is A\$2,500,000. The Company, however, reserves absolute discretion regarding the final amount raised under the Offer, subject to the ASX Listing Rules.

In the event of oversubscription by the Closing Date the Directors may, in their absolute discretion, scale-back applications on an equitable basis. Scale-back for Shares held by Custodians will be applied at the level of the underlying Beneficiary. Directors may also, in their absolute discretion, decide to increase acceptances in the event of oversubscriptions.

If the Company rejects or scales-back an Application or purported application, the Company will promptly return to the shareholder the relevant Application monies, without interest.

**Share Purchase Plan - Terms and Conditions**

**Background**

On 17 February 2025, Winsome Resources Limited (ACN 649 009 889) (**Winsome** or the **Company**) announced that it will be conducting a placement of Shares at a price of A\$0.36 per Share to sophisticated, institutional and professional investors, to raise approximately A\$7,840,000 (**Placement**).

In order to provide Eligible Shareholders (defined below) with the ability to participate in the Company's capital raising activities, the Company will also be conducting a Share Purchase Plan (**Plan**).

**Purpose**

The purpose of the Plan, which will be conducted in conjunction with the Placement, is to offer shareholders of Winsome the opportunity to acquire additional Shares up to a maximum value of A\$30,000 (when combined with any shares issued under any share purchase plan in the 12 months preceding the date of the Plan) and a minimum value of A\$2,000.

The issue price of A\$0.36 under the Plan will be at a discount of 20% to the volume weighted average market price of the Shares over the last five trading days on which sales in the Shares were recorded prior to the date that the Plan was announced.

The Company is intending to raise A\$2,500,000 under the Plan (being 6,944,444 Shares). The Shares will not attract brokerage costs and will be issued without the need for the Company to issue a prospectus. The Plan is governed upon such terms and conditions as the board of directors of the Company, in its absolute discretion, sees fit.

**No Financial Advice**

This document does not provide financial advice and has been prepared without taking account of any person's investment objectives, financial situation or particular needs. You should consider the appropriateness of participating in the Plan having regard to your investment objectives, financial situation or particular needs. Shareholders should seek independent financial and taxation advice before making any investment decision as to whether to subscribe for Shares under the Plan.

**Shareholders Eligible to Participate**

Holders of Shares that are registered with an address in either Australia or New Zealand (**Permitted Jurisdictions**) at the Record Date are eligible shareholders (**Eligible Shareholders**) and may participate in the Plan, unless such registered shareholder holds Shares on behalf of another person who resides outside the Permitted Jurisdictions. Due to foreign securities laws, it is not practical for shareholders (or beneficial shareholders) resident in other countries to be offered the opportunity to participate in the Plan.

Participation in the Plan is optional and is subject to these Terms and Conditions. Offers made under the Plan are non-renounceable (i.e. Eligible Shareholders may not transfer their rights to any Shares offered under the Plan). Eligible Shareholders who wish to take up Shares issued under the Plan agree to be bound by the Company's constitution in respect of Shares issued under the Plan.

---

An offer may, at the discretion of the directors of the Company (**Directors**), be made under the Plan once a year. The maximum amount which any shareholder may subscribe for in any consecutive 12-month period is A\$30,000. The Directors may also determine in their discretion the minimum amount for participation, the multiple of Shares to be offered under the Plan and the period the offer is available to Eligible Shareholders.

### **Custodians, trustees and nominees**

If you are an Eligible Shareholder and hold Shares as a custodian (as defined in ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (**ASIC CI 2019/547**) (refer below) (**Custodian**) or in any more specific ASIC relief granted to the Company in relation to the Plan), you may apply for Shares up to a value of A\$30,000 for each beneficiary for whom you act as custodian provided you complete and submit, together with an Application, a certificate (**Custodian Certificate**) with the following information:

- (a) that you held Shares on behalf of:
  - (i) one or more other persons that are not custodians; and/or
  - (ii) another custodian (**Downstream Custodian**) that holds beneficial interests in Shares on behalf of one or more other persons who are resident in a Permitted Jurisdiction, to which those beneficial interests relate,

(each a **Participating Beneficiary**) at the Record Date who have subsequently instructed you, and/or the Downstream Custodian, to apply for Shares under the Plan on their behalf;
- (b) the number of Participating Beneficiaries and their names and addresses;
- (c) the number of Shares that you hold on behalf of each Participating Beneficiary;
- (d) the number or dollar amount of Shares that each Participating Beneficiary has instructed you, either directly or indirectly through a Downstream Custodian, to apply for on their behalf;
- (e) that the application price for Shares applied under the Offer for each Participating Beneficiary for whom you act in addition to the application price for any other Shares issued to you as custodian (as a result of instruction given to you as Custodian or a Downstream Custodian) for that Participating Beneficiary under any arrangement similar to the Plan in the prior 12 months does not exceed A\$30,000;
- (f) that a copy of the written offer document was given to each Participating Beneficiary; and
- (g) where you hold Shares on behalf of a Participating Beneficiary indirectly, through one or more Downstream Custodians, the name and address of each Downstream Custodian.

For the purposes of ASIC CI 2019/547 you are a '**Custodian**' if you provide a custodial or depository service in relation to shares of a body or interests in a registered scheme and you:

- (a) hold an Australian financial services licence covering the provision of a custodial or depository service;
  - (b) are exempt from the requirement to hold an Australian financial services licence covering the provision of a custodial or depository service;
-

- (c) hold an Australian financial services licence covering the operation of an IDPS or is a responsible entity of an IDPS-like scheme;
- (d) are a trustee of a self-managed superannuation fund or a superannuation master trust; or
- (e) are a registered holder of shares or interests in the class and is noted on the register of members of the body or scheme as holding the shares or interests on account of another person.

If you hold Shares as a trustee or nominee for another person or persons but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings (above) apply.

Custodians should request a Custodian Certificate when making an Application on behalf of Participating Beneficiaries. To request a Custodian Certificate and if you would like further information on how to apply, you should contact the Company's share registry at any time from 8.30am to 5.00pm (AWST time) Monday to Friday during the Offer period.

The Company reserves the right to reject any Application to the extent it considers that the Application (whether alone or in conjunction with other Applications) does not comply with these requirements. The Company reserves the right to reject Applications in accordance with these Terms and Conditions.

### **Price of Shares**

The issue price of Shares under the Plan has been set to match the issue price of Shares offered under the Placement.

The price of Shares to be issued under the Plan is A\$0.36 which represents a discount of 20.1% of the volume weighted average market price for the Shares over the last five trading days on which sales in the Shares were recorded prior to the date the Plan was announced being A\$0.425.

The future market price of the Shares is uncertain and there is a risk that the market price of the Shares may rise or fall between the date of the Offer and the date when the Shares are issued to applicants under the Plan. Accordingly, the issue price you pay for Shares under the Plan may either be higher or lower than market price of the Shares trading on the ASX at the time the Shares are issued to you under the Plan. The market price for the Shares on the ASX can be obtained from your stockbroker or the ASX's website.

### **Applications and Notices**

At the discretion of the Directors, the Company will send Eligible Shareholders a letter of offer and acceptance procedures, inviting them to subscribe for Shares under the Plan, and accompanied by these Terms and Conditions of the Plan and an Application Form. Applications will not be accepted after the Closing Date of the Offer, being 24 March 2025. Over subscriptions to an offer may be refunded without interest.

Notices and statements made by the Company to participants may be given in any manner prescribed by its Constitution.

### **Acknowledgement**

By completing an Application and making the associated payment in accordance with the options on your Application Form, you:

### **Placement of Shortfall**

Any shortfall from the Offer may be placed at the discretion of the Directors. The Company confirms that any issue of shortfall will be placed subject to the Company's compliance with ASX Listing Rule 7.1 at the time of issue. As at the date of this document and assuming all Shares under the Placement are issued, the Company will have capacity to issue 18,488,787 Shares under its ASX Listing Rule 7.1 and 373,141 Shares under its ASX Listing Rule 7.1A capacity.

### **Issue of Shares**

Shares to be issued under the Plan will be issued as soon as reasonably practicable after the Closing Date and in any event no more than five business days of the Closing Date and will rank equally in all respects with all other fully paid ordinary shares in the capital of the Company from the date of issue.

Shareholding statements or CHESS notification will be issued in respect of all Shares issued under the Plan. The Company will, promptly after the issue of Shares under the Plan, make application for those Shares to be listed for quotation on the official list of ASX.

### **Modification and Termination of the Plan**

The Company may modify or terminate the Plan at any time. The Company will notify ASX of any modification to, or termination of, the Plan. The omission to give notice of any modification to, or termination of, the Plan or the failure of ASX to receive such notice will not invalidate the modification or termination.

---

Without limiting the above, the Company may issue to any person fewer Shares than the person applied for under the Plan if the issue of Shares applied for would contravene any applicable law or the Listing Rules of ASX.

### **Raising Amount and Scale back**

The Company is seeking to raise a maximum of A\$2,500,000 under the Plan. However, the Company reserves its absolute discretion regarding the final amount raised under the Plan subject to compliance with the ASX Listing Rules.

In accordance with the ASX Listing Rules, the maximum number of Shares that can be issued as at the date of this document is 73,168,035 Shares.

In the event of oversubscriptions, the Directors may, in their absolute discretion, accept oversubscriptions (in accordance with the ASX Listing Rule parameters) or alternatively scale-back all Applications on an equitable basis. If the Company rejects or scales-back an Application or purported Application, the Company will promptly return to the shareholder the relevant application monies, without interest.

### **Dispute Resolution**

The Company may, in any manner it thinks fit, settle any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the Plan, whether generally or in relation to any participant, Application or Shares. The decision of the Company in this respect will be conclusive and binding on all shareholders and other persons to whom that determination relates.

The Company reserves the right to waive strict compliance with any provision of these terms and conditions. The powers of the Company under these conditions may be exercised by the directors of the Company or any delegate of the directors of the Company.
