## ASX ANNOUNCEMENT

# QUARTERLY ACTIVITIES REPORT - SEPTEMBER 2024

## HIGHLIGHTS

- **New project opportunities are being assessed and due diligence being conducted**
- **Burracoppin Project review for kaolin development opportunities**

---

Ragusa Minerals Limited (ASX: **RAS**) ("**Ragusa**" or "**Company**"), is an Australian based mineral exploration company with an interest in the following projects – Burracoppin REE & Kaolin/Halloysite Project in Western Australia and the NT Lithium Project in the Northern Territory. The Company provides the following update for the Quarter:

### **Burracoppin REE & Kaolin/Halloysite Project** (100% interest)

The Burracoppin REE & Kaolin/Halloysite Project comprises granted exploration licences E70/5708 and E77/2774 (total of 68 blocks) located ~300 kilometres east of Perth in WA, and is prospective for rare earth elements (REE), halloysite and kaolinite. The project is located near Merredin, with port easily accessible via the Great Eastern Highway. All services required for a low-cost operation are in close proximity.

The Company is conducting a review of the project for development opportunities related to kaolin.

### **NT Lithium Project** (Earn-in to initial 90% interest and rights to 100% interest)

The NT Lithium Project is located in the highly prospective Litchfield Pegmatite Belt in Northern Territory, approximately 120km south of Darwin.

The Company is conducting a review to determine its strategy for the project.

The Company relinquished tenements EL33148, ELA33149 and EL33150 located in the Northern Territory.

### **New Project Opportunities**

The Company is reviewing and conducting due diligence on additional new projects that may complement our current project portfolio, and is prioritising such works to expedite this phase of works.

### **Corporate**

The Company has cash reserves of ~\$283,000 (as at 30 September 2024), and maintains prudent financial management.
