~US\$16 Million (~A\$25 Million) Placement to Move Project through Strategic Partnering Process and to Final Investment Decision

Highlights

- Commitments received for a placement to raise gross proceeds of approximately US\$16 million (approximately A\$25 million) at A\$0.10 per share (US\$0.065)
- Strong commitments from new and existing shareholders, including a number of high quality offshore and domestic institutions, reflecting the world class nature of Rhyolite Ridge
- loneer to undertake a share purchase plan to existing eligible retail shareholders, targeting to raise up to ~US\$3.3 million (A\$5.0 million) on the same terms as the Placement
- Equity Raising will provide critical funding that will support the Company through to completion a Strategic Partnering Process and then to a Final Investment Decision

13 June 2025 SYDNEY, Australia – loneer Ltd (“loneer”) (ASX: INR, NASDAQ: IONR), is pleased to announce that the Company has received firm commitments from institutional, professional and sophisticated investors to raise approximately US\$16 million (approximately A\$25 million) by way of a single-tranche placement comprising the issue of approximately 253 million new fully paid ordinary shares (“**New Shares**”) at an issue price of A\$0.10 (US\$0.065) per New Share (“**Placement**”). The placement was strongly supported by new and existing shareholders, reflecting the world class nature of the Rhyolite Ridge Lithium-Boron Project.

loneer Executive Chair, James Calaway, said:

“Rhyolite Ridge continues to demonstrate it is a world-leading lithium project, helping accelerate the electric vehicle transition and securing a cleaner future for our children and grandchildren. This Placement represents another step forward towards ensuring this world-class project operates efficiently and sustainably.”

loneer Managing Director, Bernard Rowe, also commented:

“loneer is pleased to announce the successful completion of the Placement with strong engagement from new and existing investors, signalling market confidence the Rhyolite Ridge Project despite significant headwinds in the lithium market.”

Placement Details

Under the Placement, the Company will issue approximately 253 million new fully paid ordinary shares in the Company (“**New Shares**”) within the Company’s existing placement capacity under ASX Listing Rule 7.1.

The Offer Price of A\$0.10 (US\$0.065) per New Share, represents a 13.0% discount to loneer’s last close on Tuesday, 10 June 2025.

The Placement will provide funding to accelerate the development of Ioneer's 100% owned Rhyolite Ridge Lithium-Boron Project ("**Project**"), including to:

- Advance Project readiness;
- Fund environmental, permitting expenses and commitments;
- Pay other Rhyolite Ridge Project Costs; and
- Fund working capital and general corporate purposes.

New Shares issued under the Placement will rank parri passu with the existing ordinary shares on issue in the capital of the Company.

Canaccord Genuity (Australia) Limited acted as Lead Manager and Bookrunner to the Placement. Stifel Nicolaus Europe Limited acted as Co-Lead Manager and Bridge Street Capital Partners Pty Ltd acted as Co-Manager to the Placement.

SPP Details

In addition to the Placement, the Company will offer eligible existing shareholders the opportunity to participate in a non-underwritten Share Purchase Plan ("**SPP**") targeting to raise up to a further ~US\$3.3 million (A\$5.0 million) at the same price as the Placement of A\$0.10 (US\$0.065) per New Share.

The SPP will provide eligible shareholders, being shareholders who had a registered address in Australia or New Zealand on Ioneer's register at 7.00pm (Sydney time) on Thursday, 12 June 2025, with the opportunity to increase their holding by the maximum allowed value of A\$30,000 per application, without incurring any brokerage, commission or transaction costs. The Company retains discretion over the allocation of New Shares per investor. Any proceeds raised under the SPP will provide the Company with additional working capital to support the advancement of the Project.

In the event the Company receives valid applications under the SPP in excess of the targeted raise amount, the Company may, in its absolute discretion, raise more than the target or may scale back the number of New Shares issued under the SPP.

An SPP Booklet containing further information in relation to the SPP, including the terms and conditions, is expected to be released on ASX and dispatched to eligible existing shareholders on or around Friday, 20 June 2025.

About loneer

loneer Ltd is an emerging lithium–boron producer and the 100% owner of the Rhyolite Ridge Lithium-Boron Project. Rhyolite Ridge is the only known lithium-boron deposit in North America, one of only two known such deposits in the world and a linchpin project in Nevada’s burgeoning Lithium Loop.

Rhyolite Ridge closed a US\$996 million loan with the U.S. Department of Energy Loan Programs Office under the Advanced Technology Vehicles Manufacturing program in January 2025. In October 2024, loneer received the final federal permit for the project from the Bureau of Land Management, concluding the formal federal permitting process which began in early 2020. loneer signed separate offtake agreements with Ford Motor Company and Prime Planet & Energy Solutions (joint venture between Toyota and Panasonic) in 2022 and Korea’s EcoPro Innovation in 2021.
