Letter to Noteholders

Dear Noteholder,

As you would be aware, the CAMG Notes are currently scheduled to mature on 30 November 2025 (**Current Maturity Date**).

Clime Capital Limited (**Company**) is inviting you to attend the Meeting, a meeting of Noteholders to be held on **Thursday, 31 July 2025 at 12.00pm AEST** to seek Noteholder approval to amend the terms of the Notes currently on issue. At the Meeting Noteholders will be asked to consider and vote on a proposal to restructure the terms of the existing Notes, through amendments to the Note Terms (and consequential amendments to the Trust Deed) (collectively the **Restructure Proposal**). An Ordinary Resolution is required to be put to and considered at the Meeting in order to implement the Restructure Proposal.

The Directors of the Company consider that the Restructure Proposal provides an effective way for Noteholders to maintain their Noteholding investment with the Company beyond the Current Maturity Date. The Restructure Proposal (together with the Offer (described below)) is considered by the Directors to be simpler and more cost effective than issuing an entirely new class or series of convertible and redeemable security.

The proposed changes to the Note Terms and Trust Deed that would be made if the Restructure Proposal is approved include:

- (a) interest will be payable to Noteholders monthly (rather than quarterly);
- (b) amending and increasing the interest rate applicable to the Notes. The amended interest rate will apply to Notes on issue (i.e. 'rolled over') after the Effective Date;
- (c) extending the maturity date of the Notes from 30 November 2025 to 30 November 2028 (**New Maturity Date**); and
- (d) recognising that different Noteholders may have different investment preferences, the Company is offering Noteholders the option to either redeem all of their Notes on or prior to 5.00 pm (Sydney time) on 22 August 2025 (**Cut-Off Date**) or to continue holding the Notes under the restructured terms (unless a Noteholder previously converts some or all of their Notes).

The Restructure Proposal will therefore allow current Noteholders to continue to hold their Notes, on the amended Note Terms until the New Maturity Date of 30 November 2028.

The Company is also proposing to issue Additional Notes (in the same class as the existing CAMG Notes and on the amended Note Terms), by way of an Offer under a Prospectus. Ord Minnett is the sole Lead Manager of the Offer.

The number of Additional Notes the Company will issue under the Prospectus will depend on the number of Noteholders that decide to continue to hold Notes following the Restructure Proposal. It is the Company's current intention to have on issue not more than 35 million Notes following the implementation of the Restructure Proposal and the issue of Additional Notes pursuant to the Prospectus. The Company expects to issue Additional Notes to Eligible Participants and investors who subscribe for Notes under the Offer on or after **Monday, 1 September 2025**.

The Offer of Additional Notes is **not** conditional on Shareholder approval at the Company's annual general meeting as the number of Additional Notes will remain within the Company's capacity in accordance with Listing Rule 7.1.

If implemented, the Restructure Proposal has the following key benefits:

- (a) you can continue holding your investment in Notes and **receive monthly interest payments (at the amended Interest Rate of 6.5% per annum)** until the Notes mature on the New Maturity Date (Interest continues to be payable on the 10th Business Day following the end of each calendar month);
- (b) you can elect at any time to Convert your Notes into Shares on a 1:1 Conversion basis;
- (c) you can continue holding your investment in Notes on the amended Note Terms and participate in the Priority Offer on the terms set out in the Prospectus; and
- (d) a likely increase in the liquidity in trading of the Notes on ASX may occur as a result of Additional Notes being issued under the Offer (although the Directors provide no assurances in relation to the liquidity of the Notes).

As well as the benefits listed above, you should consider the potential disadvantages of the Restructure Proposal, as set out in Section 2.5 of the Explanatory Memorandum which this letter forms part of. The potential disadvantages include that the price of the Notes post the restructure could fall and that, if the volume of Additional Notes issued under the Offer is less than the volume of Notes elected to be redeemed or Converted on or before the Cut-Off Date, liquidity may fall. Noteholders are encouraged to read and consider all the information provided before making a decision on whether to vote in favour of the Restructure Proposal.

The Board has considered a range of alternatives available to the Company to manage the upcoming maturity of Notes having regard to the interests of the Noteholders, the Company's financial position, the Note Terms and the Company's capital structure and capital management strategies, including the current on-market buy-back of Shares and Buy-Back of Notes. Based on this assessment, the Board believes that the Restructure Proposal is the most suitable option available.

The Board unanimously recommends that you vote in favour of the Restructure Proposal. Mr. Ronni Chalmers and I, being Directors of the Company, who control Notes have committed to vote all of our respective Notes in favour the Resolution regarding the Restructure Proposal. Shareholder approval was required to allow the Directors to participate in the proposed note offer. The Board formed the view that the costs of obtaining separate shareholder approval outweighed the benefits of allowing the Directors to participate in the offer. Accordingly, the Directors are not able to participate in the Offer, but a Director may decide to purchase existing Notes (subject to any blackout periods).

Your vote is important. The Board strongly encourages you to vote either by attending the Meeting online or by appointing a proxy to attend the Meeting and vote on your behalf, using the Proxy Form accompanying the Notice of Meeting.

If, having read the Explanatory Memorandum, you would like all of your Notes to be redeemed **on 31 August 2025**, you may opt for this by delivering a Redemption Election Notice to the Registry, Boardroom Pty Limited (in its capacity as the Note Registry) no later than the Cut-Off Date of 5:00pm (Sydney time) on **Friday, 22 August 2025**.

If, having read the Explanatory Memorandum, you would like your Notes to be Converted, you may opt for this by delivering a Conversion Notice to the Company or Boardroom (in its capacity as the Note Registry) no later than the Cut-Off Date of 5:00pm (Sydney time) on **Friday, 22 August 2025**.

Clime Capital Limited

The Company will keep Noteholders informed of any material developments in relation to the Restructure Proposal through releases on ASX.

If you have any questions in relation to the Offer please email the Company Secretary, Tushar Kale at tkale@clime.com.au.

Yours sincerely

John Abernethy
Chairman

Explanatory Memorandum

This Explanatory Memorandum sets out further information regarding the proposed Ordinary Resolution to be considered by holders of the Notes issued by Clime Capital Limited (the **Company**) at a Meeting (**Meeting**) to be held virtually on **31 July 2025 at 12.00pm AEST**. Noteholders who wish to attend the Meeting may only attend virtually. The Directors recommend that Noteholders read this Explanatory Memorandum before determining whether or not to support the Resolution. The information contained in this Explanatory Memorandum is prepared as of **3 July 2025**.

1. Noteholder Resolution: Restructure Proposal

1.1. The Restructure Proposal

The Company is putting forward a proposal (**Restructure Proposal**) which provides:

- (a) an opportunity for Noteholders, among the other changes detailed below, to have the term of their Notes extended so that they will mature on 30 November 2028 (instead of 30 November 2025), which is the subject of Resolution 1.

A Meeting of Noteholders will be held to consider and vote on Resolution 1 regarding proposed changes to the rights of Noteholders (and consequential amendments to the Trust Deed), necessary to implement the Restructure Proposal.

In accordance with the current Note Terms, existing Noteholders will be able to elect to Convert some (provided the aggregate Face Value of the Notes subject of the Conversion Notice is at least \$2,000) or all of their Notes into Shares on a 1:1 Conversion ratio.

To give Noteholders maximum flexibility, existing Noteholders will be able to elect to redeem all of their Notes on 31 August 2025 (**Effective Date**).

If the Resolution is not passed and a Noteholder has not otherwise made a valid election to Convert Notes into Shares, all of the relevant existing Notes will be redeemed by the Company on the current Note Terms. The Company will need to consider what further action it may need to take, including as to raising any additional debt or equity funding.

1.2. Proposed Changes to the Note Terms - Resolution 1

The changes that will be made to the rights of Noteholders as set out in the Trust Deed and Note Terms, if Resolution 1 is passed, are as follows:

- (b) with effect from midnight on 31 August 2025, the Maturity Date will be extended from 30 November 2025 to 30 November 2028;
- (c) you will have the right to either:
 - (i) have all of your Notes redeemed on the Effective Date of 31 August 2025 at the current Face Value of \$1.00 per Note along with payment in cash of accrued interest (current Interest Rate of 5.25% per annum for the period ending on the Effective Date) by delivering a Redemption Election Notice to the Company by the Cut-Off Date; or

- (ii) Convert some (provided the aggregate Face Value of your Notes the subject of a Conversion Notice is at least \$2,000) or all of your Notes into Shares at the current Conversion ratio of 1 Note into 1 Share on the Conversion Date by delivering a Conversion Notice to the Company by the Conversion Notice Date; and
- (d) with effect from midnight on 31 August 2025 (**Effective Date**), the Interest Rate on any outstanding (or "rolled-over") Notes will be 6.5% per annum (previously 5.25% per annum).

Refer to Section 1.3 below and to Section 2.1 of this Explanatory Memorandum for further details.

1.3. Why is the Company proposing the Restructure Proposal?

Resolution 1 of the Restructure Proposal will defer the Company's obligation to repay the Face Value of \$1 of each Note for 3 years.

In recognition that not all Noteholders may wish to continue holding Notes, Resolution 1 of the Restructure Proposal will also enable any existing Noteholders to redeem all of their Notes on the Effective Date by delivering a Redemption Election Notice. The Redemption Election Notice is only required if Noteholders approve the Restructure Proposal.

All existing Noteholders have the right to elect to Convert some (provided the aggregate Face Value of the Notes subject of the Conversion Notice is at least \$2,000) or all of their Notes into Shares at the current Conversion ratio of 1 Note into 1 Share by delivering a Conversion Notice to the Company by the Cut-Off Date.

The Board is of the view that the proposed amendments to the Note Terms and Trust Deed do not adversely affect the rights of existing holders of the Notes given that:

- (a) Noteholders will be able to elect to Convert or redeem their Notes under the existing Note Terms (i.e. at the Conversion ratio of 1:1 and Face Value of 1.00 and Interest Rate of 5.25% per annum);
- (b) the Shares issued on conversion under a valid Conversion Notice will be issued on 31 August 2025 and will accrue interest at 5.25% p.a. for the period until 31 August 2025.

The Company is proposing these changes to take effect in the stages below:

- (a) on and from the date of the Meeting, with respect to the right of a Noteholder to deliver a Redemption Election Notice or Conversion Notice to redeem or convert Notes on the Cut-Off Date; and
- (b) on and from midnight on 31 August 2025, with respect to all other changes to the Note Terms and Trust Deed (and otherwise before the issue of any Additional Notes under the Offer).

1.4. What choices are open to Noteholders if the Restructure Proposal is approved?

If the Resolution is passed, you can choose to:

- (a) maintain your current holdings of Notes (subject to the amended Note Terms) i.e. **you don't need to do anything**; or
- (b) convert some (provided the aggregate Face Value of your Notes the subject of a Conversion Notice is at least \$2,000) or all of your Notes into Shares at the current Conversion ratio of 1 Note into 1 Share on the Conversion Date of **31 August 2025** by delivering a Conversion Notice to the Company by the Conversion Notice Date; or

- (c) redeem all of your Notes on the Effective Date by completing a Redemption Election Notice and providing it to the Company by the Cut-Off Date.

Under the Offer made pursuant to the Prospectus, a Noteholder may also participate in the Priority Offer and apply for Additional Notes under the Offer at a Face Value of \$1 per Note on the amended Note Terms.

1.5. How do I redeem my Notes should the Restructure Proposal be approved?

To redeem all of your Notes in the event Resolution 1 is approved, you must deliver a Redemption Election Notice (by post, delivery or email) to the Registry (in its capacity as the Note Registry) by no later than 5:00pm on the Cut-Off Date (22 August 2025). If you would like a personalised Redemption Election Notice please contact Registry by telephone on 1300 737 760 or by email at enquiries@boardroomlimited.com.au.

In the event that Resolution 1 is approved, following the date of the Meeting, a Redemption Election Notice will also be available to be downloaded from the Registry's website at <https://www.investorserve.com.au/> and to be completed and returned.

A Redemption Election Notice is irrevocable once given. You may not deal with, transfer, dispose of or create any encumbrance in Notes the subject of a Redemption Election Notice.

In respect of valid Redemption Election Notices, the Company will redeem the Notes with a redemption date of 31 August 2025 and the Notes will accrue interest at the current Interest Rate until 31 August 2025.

1.6. How do I Convert some or all of my existing Notes?

If you do not wish to redeem all of your Notes with effect on 31 August 2025, you may elect to Convert some (provided the aggregate Face Value of your Notes the subject of a Conversion Notice is at least \$2,000) or all of your Notes by delivering (by post or email) a Conversion Notice to the Company or the Registry (in its capacity as the Note Registry) by no later than 5:00pm on the Cut-Off Date.

If you would like a personalised Conversion Notice please contact Registry by telephone on 1300 737 760 or by email at enquiries@boardroomlimited.com.au.

A Conversion Notice is irrevocable once given. You may not deal with, transfer, dispose of or create any encumbrance in any Notes the subject of a Conversion Notice.

Conversion of Notes on the Conversion Date of **31 August 2025** will be on the basis of the existing Conversion ratio of 1 Note:1 Shares.

The Company has determined that the Conversion Amount the subject of a Conversion Notice will equal the aggregate Face Value (at the current \$1.00 per Note) of the total number of Notes the subject of the relevant Conversion Notice. The amount of the interest accrued but unpaid on the Notes the subject of a Conversion Notice will accrue at the current Interest Rate of 5.25% p.a. until 31 August 2025 and be paid in cash.

In respect of valid Conversion Notices, the Company intends to issue the Shares on conversion of the Notes on **31 August 2025**.

1.7. What happens if the Restructure Proposal is approved and you elected to redeem and/or Convert Notes? Why is the Offer being conducted?

If the Restructure Proposal is approved and you elected either for **all** of your Notes to be redeemed on 31 August 2025 or Converted on 31 August 2025, then you will not be able to roll-over those Notes on the amended Note Terms.

If the Restructure Proposal is approved and you elected **some** of your Notes to be Converted on the Conversion Date of **31 August 2025**, then the balance of your Notes will be rolled-over on the amended Note Terms.

If the Restructure Proposal is approved, the Company expects to issue Additional Notes to investors under the Offer and pursuant to the terms of the Prospectus (**Offer**) on or after 1 September 2025.

The number of Additional Notes the Company will issue under the Offer pursuant to the Prospectus will depend on the number of Noteholders that decide to continue to hold Notes following the Restructure Proposal. It is the Company's current intention to have on issue not more than 35 million Notes following the implementation of the Restructure Proposal and the issue of Additional Notes pursuant to the Offer.

Additional Notes issued under the Offer will be issued on the Note Terms and be in the same class, rank equally with existing Notes listed on ASX under the code CAMG.

The Offer is being managed by **Ord Minnett**, who has also been appointed to act as authorised intermediary for the purposes of the amendment to the Note Terms and as sole Lead Manager of the Offer. The Offer is not underwritten.

Note redemptions (and the payment of accrued interest on Notes the subject of a Conversion Notice) will be funded from a mix of the Company's cash reserves (including the proceeds of any Additional Notes issued under the Offer) and, if required, from realising part of the investment portfolio.

1.8. What happens if the Restructure Proposal is not approved?

If the Resolution is not passed, all of your Notes (not the subject of a valid Conversion Notice or that otherwise may be bought-back under the Buy-Back of Notes) will be redeemed, in full, on the Current Maturity Date and you will not have the opportunity to participate as a Noteholder in the Company following the Current Maturity Date or subscribe for Additional Notes under the Offer.

In addition, if the vote on Resolution 1 is not passed, the Offer of Additional Notes pursuant to the Prospectus will not proceed. The Company will need to consider what further action it may need to take, including as to raising any additional debt or equity funding.

1.9. Board recommendation

As explained further in Section 2.3 below, the Board unanimously recommends that you vote in favour of the Resolution. You are not obliged to follow the unanimous recommendation of the Board. Sections 2.4 and 2.5 set out various advantages and disadvantages which the Board encourages you to read in considering how to vote on the Resolution. Section 3 sets out Taxation considerations. Section 4.2 sets out certain interests that the Directors of the Company and their respective Associates have in the Notes.

Shareholder approval was required to allow the Directors to participate in the proposed note offer. The Board formed the view that the costs of obtaining separate shareholder approval outweighed the benefits of allowing the Directors to participate in the offer. Accordingly, the

Directors are not able to participate in the Offer but a Director may decide to purchase existing Notes (subject to any blackout periods).

1.10. Impact of the Restructure Proposal on the Company

The Restructure Proposal, if approved, will provide the Company with greater financial flexibility to fund its growth strategies through deferring the repayment of the Notes.

In addition, if the Restructure Proposal is approved, the Company expects to issue Additional Notes under the Offer on or after **1 September 2025**.

The exact impact of the Restructure Proposal on the Company's issued Share capital and the number of Notes on issue will depend on the number of Notes that are elected to be redeemed on 31 August 2025, the number of Notes that are elected to be Converted into Shares on 31 August 2025, the number of Notes that are "rolled-over" on the amended Note Terms and the number of Additional Notes that are issued under the Offer.

It is the Company's current intention to have on issue not more than 35 million Notes following the implementation of the Restructure Proposal and the issue of Additional Notes pursuant to the Offer.

1.11. Noteholder Approval

The Notice of Meeting contains the Resolution which, if passed, will allow for the Restructure Proposal to go ahead by amending the Note Terms and Trust Deed.

Implementation of the Restructure Proposal will vary the rights attached to the Notes and make consequential amendments to the Trust Deed (the subject of Resolution 1).

Resolution 1 is an Ordinary Resolution. An Ordinary Resolution requires approval by a majority of 50% or more of votes cast on the relevant Resolution by eligible Noteholders (or Proxies) who are present at the virtual Meeting. Voting on the Resolution will be conducted by way of a poll, with 1 Note having 1 vote.

Shareholder approval (as distinct from Noteholder approval) is not required to implement the Restructure Proposal. Shareholder approval is **not** being sought in relation to the Offer of Additional Notes for the purposes of the Company's placement capacity under Listing Rule 7.1.

1.12. Timing

2. Resolution

2.1. Resolution 1 – Proposed amendments to the Trust Deed and Note Terms

Resolution 1 seeks Noteholder approval to the proposed amendments to the Note Terms and the Trust Deed as described in Section 1.2 and below of this Explanatory Memorandum.

Resolution 1 is required to be approved by Ordinary Resolution.

Resolution 1 seeks approval to amend the Note Terms as set out in the redlined copy of the Note Terms contained in **Annexure A** to this Notice of Meeting and to make minor necessary, consequential amendments to the Trust Deed as set out below.

(a) **With effect from the close of the Meeting, where Resolution 1 is passed:**

- (i) A new Schedule 4 to the Trust Deed replacing the Redemption Election Notice is inserted, in the form contained in Annexure D to the Trust Deed (which is as set out in Annexure C to this Notice of Meeting)
- (ii) A new Schedule 3 to the Trust Deed replacing the Conversion Notice is inserted in the form contained in Annexure B to this Notice of Meeting.

Copy of Amended Trust Deed and Note Terms

If Noteholders pass the Resolution, the Trustee and the Company (as issuer of the Notes) will execute an amending deed to implement and give effect to the approved changes (**Amending Deed**). The Amending Deed will take effect in the following stages:

- (a) the changes which allow for a Noteholder to elect to redeem (using a Redemption Election Notice) on the Effective Date of 31 August 2025 will take effect immediately; and
- (b) the other changes to the Notes that are not redeemed or converted (i.e. “rolled-over”) will be effective from midnight (Sydney time) on 31 August 2025.

Resolution 1 requires the Company and the Trustee to execute a deed to amend the Trust Deed and Note Terms to give effect to the amendments the subject of Resolution 1.

The Company will provide a copy of the amended Trust Deed and Note Terms to any Noteholder who requests a copy.

A copy of the amended Note Terms (showing the proposed changes the subject of Resolution 1 in mark-up) are attached to this Explanatory Memorandum as **Annexure A**.

2.2. Key reasons to vote in favour of the Restructure Proposal

2.3. Board recommendation

The Board unanimously recommends that you vote in favour of the Resolution. In reaching their recommendation, the Board has considered:

- (a) the advantages of the Restructure Proposal, as set out in Section 2.4;
- (b) the disadvantages of the Restructure Proposal, as set out in Section 2.5; and
- (c) the other relevant considerations set out in this Explanatory Memorandum.

Each of Mr. John Abernethy and Mr. Ronni Chalmers, each being a Director who owns Notes, has indicated they intend to vote all Notes controlled by them in favour of the Resolution.

Advantages of the Restructure Proposal

Interest payments: You can continue holding your investment in Notes and receiving monthly interest payments (at the amended Interest Rate of 6.5% per annum or approximately **0.54** cents per month based on a Face Value of \$1.00) until the Notes mature on the New Maturity Date (payable monthly in arrears on the 10th Business Day following the end of each calendar month).

Market liquidity: The liquidity in trading of the Notes on ASX may improve as a result of Additional Notes being issued under the Offer (although the Directors provide no assurances in relation to the liquidity of the Notes). While the Company will seek quotation of the Additional Notes (subject to the Resolution being passed and the Offer proceeding) on ASX in order to facilitate on market trading of the Notes, the market for Notes may be less liquid than the market for Shares and, as such, there can be no assurance that Noteholders will be able to buy or sell Notes on ASX.

Early redemption: You may elect to have all of your Notes redeemed on the Effective Date (with accrued interest paid at the current Interest Rate of 5.25% per annum or approximately **0.44** cents per month).

Conversion: Prior to the Conversion Notice Date, you may still elect to have some or all of your Notes Converted into Shares at the Conversion ratio of 1:1 on the Conversion Date of 31 August 2025.

Roll-over and participation in the Priority Offer: The Restructure Proposal provides an opportunity for those Noteholders seeking to continue their investment on the amended Note Terms. The Board believes the Notes on the amended Note Terms provides an attractive investment opportunity for Noteholders and the Directors believe that the Restructure Proposal is more efficient than undertaking an entirely new issue of securities as it builds on existing service provider relationships. Noteholders (past and present) who are Eligible Participants will be entitled to subscribe for Additional Notes under the Priority Offer under the Offer in accordance with the terms of the Priority Offer set out in the Prospectus.

Higher interest rate: The Interest Rate payable to Noteholders if the Restructure Proposal proceeds is higher than the current Interest Rate payable on the Notes. The amended Interest Rate of 6.5% per annum is approximately **0.54** cents per month based on a Face Value of \$1.00, compared to the current Interest Rate of 5.25% per annum which is approximately **0.44** cents per month based on a Face Value of \$1.00.

2.4. Reasons why you may consider voting against the Resolution

Disagree with the recommendation of the Board: Despite the unanimous recommendation of the Board to vote in favour of the Resolution, you may believe that the Restructure Proposal is not in your best interests having regard to your individual circumstances and professional advice. You are not obliged to follow the unanimous recommendation of the Board.

Fall in the price of Notes: You may believe that the price of the Notes could fall as a result of the Restructure Proposal.

3. Taxation Considerations

3.1. Introduction

The following taxation summary has been prepared as a general guide based on Australian tax legislation and practices of the Australian Taxation Office (**ATO**) and each state revenue authority current as at the date of this Explanatory Memorandum, both of which may change in the future (including with retrospective effect) without notice.

This section is not intended to be and should not be taken as a comprehensive taxation summary of, or advice on, the implications of the Restructure Proposal for a Noteholder, and addresses only some of the key Australian tax implications that may arise for a Noteholder as a result of the Restructure Proposal. You should seek your own professional tax advice having regard to your particular circumstances.

This summary is for investors who are not taxed under the Taxation of Financial Arrangements (TOFA) contained in Division 230 of the Income Tax Assessment Act 1997 that apply to large taxpayers. Large taxpayers that are subject to the TOFA rules should seek their own advice.

3.2. Taxation of gains on redemption for Australian Noteholders

Noteholders who are Australian tax residents, or who are non-residents that hold the Notes in carrying on business at or through a permanent establishment in Australia, will be required to include any gain on redemption of the Notes (if applicable) in their assessable income.

Such Noteholders may be entitled to deduct any loss on redemption of the Notes.

The determination of the amount and timing of any assessable amount and deduction may be affected by specific provisions of the *Income Tax Assessment Act 1936 (Cth)* and the *Income Tax Assessment Act 1997 (Cth)*, which provide for specialised regimes for the taxation of financial instruments.

3.3. Taxation of gains on redemption for offshore Noteholders

A Noteholder who is a non-resident of Australia for income tax purposes, and who has never held the Notes in the course of carrying on a business through a permanent establishment in Australia will be subject to Australian income tax on gains realised on the redemption of the Notes, if the gains will have an Australian source. The source of income for Australian taxation purposes is ultimately a question of fact. Any Noteholder in this situation should seek advice in relation to their specific circumstances.

3.4. Taxation on conversion of Notes for Australian Noteholders

Australian resident Noteholders

Where an Australian resident Noteholder elects to convert their Notes into Shares, any assessable gain made or deductible loss incurred by the Noteholder should be disregarded under section 26BB or 70B (as applicable).

Similarly, no capital gain or loss for CGT purposes should arise at the time of conversion.

The Shares acquired pursuant to the Conversion will be treated as having a cost base that is, in broad terms, equal to the cost base of the Notes at the time of Conversion, plus any amount paid on Conversion (where applicable). The acquisition date will be taken to be the date at which the Conversion happens.

Non-resident Noteholders

As with Australian resident Noteholders, non-resident Noteholders should not be subject to Australian tax on the conversion of the Notes to Shares.

However, non-resident Noteholders may be subject to tax on the conversion of the Notes to Shares in their respective tax jurisdictions.

Accordingly, non-resident Noteholders should obtain their own independent advice as to the taxation consequences of converting the Notes in their country of residence.

3.5. Collection powers

The ATO and other revenue authorities in Australia have wide powers for the collection of unpaid tax debts. This can include issuing a notice to an Australian resident (including the Company) requiring a deduction from any payment (including a redemption amount) to a Noteholder in respect of unpaid tax liabilities of that Holder.

3.6. Stamp duty

No stamp duty should be payable on the redemption or Conversion of the Notes.

3.7. GST

No GST should be payable on the redemption or Conversion of the Notes.

4. Additional information

4.1. Noteholder Meeting

The Company is holding a virtual meeting of Noteholders on **31 July 2025 at 12.00pm (Sydney time)**. At the virtual Meeting, Noteholders will be asked to approve Resolution 1. The terms of the Resolution to be considered at the Meeting are contained in the Notice of Meeting attached to this Explanatory Memorandum.

4.2. Interests in Notes held by Directors

Details of the Directors of the Company and their respective Associates (as that term is defined in sections 12 and 15 of the Corporations Act) have in the Notes are set out below:

Name	Number of Notes held (each at current Face Value of \$1.00)
Mr. John Abernethy, Chairman, Non-Independent	140,000
Mr. Ronni Chalmers, Non- Independent Director	2,554,894
Mr. Marc Ariel Schwartz, Independent Director	Nil
Mrs. Diana D'Ambra, Independent Director	Nil

Each of Mr. John Abernethy and Mr. Ronni Chalmers, each being a Director who controls Notes, has indicated he intends to vote all Notes controlled by him in favour of the Resolution regarding the Restructure Proposal. Shareholder approval was required to allow the Directors to participate in the proposed note offer. The Board formed the view that the costs of obtaining separate shareholder approval outweighed the benefits of allowing the Directors to participate in the offer. Accordingly, the Directors are not able to participate in the Offer but a Director may decide to purchase existing Notes (subject to any blackout periods).

4.3. Am I able to vote at the Noteholder Meeting?

You are entitled to vote at the Meeting if you are a Noteholder as at 7:00pm (Sydney time) on 29 July 2025 (being no more than 48 hours prior to the Meeting).

Instructions on how to attend and vote at the virtual Meeting (including by proxy) are set out in the Notice of Meeting. Details of Noteholders' entitlements to vote at the Meeting are also set out in the Notice of Meeting.

Voting is not compulsory. However, the Board unanimously recommends that Noteholders vote in favour of the Resolution. Despite the unanimous recommendation of the Board to vote in favour of the Resolution, you may believe that the Restructure Proposal is not in your best interests having regard to your individual circumstances and professional advice. You are not obliged to follow the unanimous recommendation of the Board.

The results of the Meeting will be available as soon as possible after the conclusion of the Meeting and will be announced on the Company's ASX platform.

4.4. Ordinary Resolution approval requirements

Resolution 1 is an Ordinary Resolution which requires approval by a majority (50% or more) of votes cast on the Resolution by Noteholders present and voting at the Meeting (either in person on-line virtually or by proxy or by representative). Voting will be conducted by way of a poll.

4.5. How will the Company be affected if the Resolution is passed?

If approved, the Restructure Proposal will provide the Company with greater financial flexibility to fund its growth strategies through deferring the repayment of the Notes and raising capital pursuant to the Offer, consistent with the Company's capital management strategies.

4.6. What happens if the Resolution does not pass?

If the Resolution is not passed, unless you have delivered a Conversion Notice to the Company before the Conversion Notice Date, you will not have the option to roll-over your Notes and continue to earn interest on them at the amended Interest Rate. Instead, on the Current Maturity Date, you will receive the redemption amount calculated by reference to the current Face Value of \$1.00 on each Note, together with accrued interest at the current Interest Rate of 5.25% p.a. for the period ending 30 November 2025. See Section 1.8 for further details.

4.7. Noteholder participation in the Offer?

As the Company will announce on or about 4 August 2025, the Company is seeking to conduct an Offer pursuant to the Prospectus. The Company intends to raise up to **\$14,000,000** by undertaking the Offer. The number of Additional Notes the Company will issue under the Prospectus will depend on the number of Noteholders that decide to continue to hold Notes following the Restructure Proposal.

A copy of the Prospectus dated and lodged with ASIC will be released to the market on or about **1 August 2025** and will be available on the ASX platform at www.asx.com.au.

The Offer comprises a Priority Offer and a Broker Firm Offer.

The Priority Offer will be open to any eligible person who has a registered address in Australia or New Zealand and who:

- (a) is a current Shareholder or Noteholder in the Company; or
- (b) any past Shareholder or Noteholder of the Company as may be determined by the Board in its absolute discretion; or
- (c) any other person as determined by the Board in its absolute discretion to be eligible to participate in the Priority Offer (in accordance with the Prospectus)

and in respect of a person in New Zealand, is a wholesale investor within the meaning of clauses 3(2) and 3(3)(a) of schedule 1 of the New Zealand Financial Markets Conduct Act 2013.

The Board intends to give priority under the Priority Offer to persons who were Noteholders and Shareholders as at **31 July 2025**. A Noteholder considering participating in the Priority Offer should obtain a copy of the Prospectus (together with the relevant application form).

- (a) The Issuer must notify the Trustee and ASX (and any other stock exchange or other relevant authority on which the Notes are quoted) of:
 - (i) for each Interest Period, the amount of interest payable; and
 - (ii) any amendment to the amount referred to in subparagraph (A) arising from any extension or reduction in any Interest Period or calculation period.
- (b) The Issuer must give notice under this clause 3.2 of the amount of interest on each Note for the Interest Period by no later than the 10th Business Day of that Interest Period.
- (c) The Issuer may amend its calculation or determination of any amount, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period or calculation period without prior notice but must notify the Trustee and ASX (and any other stock exchange or other relevant authority on which the Notes are quoted) promptly after doing so.

3.3 **Default Interest**

If an amount is not paid under these Note Terms on or before the due date, interest accrues on the unpaid amount at eight per cent per annum from (and including) the due date to

Redlined amended CAMG Note Terms

(but excluding) the date on which payment is made to the Noteholder of the full unpaid amount.

3.4 **Determination final**

The determination by the Issuer of all amounts, rates and dates falling to be calculated or determined by it under these Note Terms is, in the absence of manifest or proven error, final and binding on the Issuer, the Trustee and each Noteholder.

3.5 **Calculations**

For the purposes of any calculations required under these Note Terms:

- (a) all figures must be rounded to three decimal places (with 0.0005 being rounded up to 0.001); and
- (b) all amounts that are due and payable must be rounded to the nearest one Australian cent (with 0.5 of a cent being rounded up to 1 cent).

4. **CONVERSION**

4.1 **Notes are Convertible**

Subject to these Note Terms and the ASX Listing Rules, the Noteholder has the right (**Conversion Right**), in accordance with this clause 4, to convert some or all of its Notes into a number of Shares determined by application of the following formula:

$\frac{A}{B}$ where:

A = the Conversion Amount; and

B = the Conversion Price.

4.2 **Conversion at the Noteholder's election**

- (a) Subject to paragraph 4.2(b)(ii), a Noteholder may elect in its absolute discretion to convert some or all of its Notes into Shares by giving the Registrar notice in writing of its intention to convert some or all of its Notes (**Conversion Notice**).
- (b) In order to convert any Notes into Shares, either:
 - (i) the Face Value of the Notes the subject of a Conversion Right must be at least the lesser of \$2,000; or
 - (ii) the Noteholder must convert the entire balance of their holding of Notes.

4.3 **Conversion Notice**

- (a) A Conversion Notice must:
 - (i) be in writing (in such form as the Issuer may accept or as is required by the ASX Listing Rules);
 - (ii) specify the number of Notes to be converted; and
 - (iii) be signed by the Noteholder or an authorised representative or officer of the Noteholder.
- (b) Once a Conversion Notice has been given:

Redlined amended CAMG Note Terms

- (i) the notice cannot be withdrawn without the written consent of the Issuer;
 - (ii) the Noteholder must not deal with, transfer, dispose of or otherwise encumber any Notes the subject of the Conversion Notice; and
 - (iii) the Noteholder must provide such evidence of title to the Notes the subject of the Conversion Notice as may be reasonably required by the Issuer and the Registrar.
- (c) Despite receipt by a Noteholder of a notice issued under clause 8.3, a Noteholder may still give a Conversion Notice provided the notice is given not less than five Business Days before the Redemption Date specified in the notice issued under clause 8.3.
- (d) A Conversion Notice given to the Issuer five or more Business Days before an Interest Payment Date will be effective on such date as may be determined by the Issuer (in its absolute discretion), provided that date is not later than the next Interest Payment Date following the date the notice is given.
- (e) If a Conversion Notice is given to the Issuer less than five Business Days before an Interest Payment Date (**Date 1**), the Conversion Notice will be effective on such date as may be determined by the Issuer (in its absolute discretion), provided that date is not later than the next Interest Payment Date following Date 1.
- (f) A Conversion Notice will not be effective if it is given less than five Business Days before the Maturity Date.

4.4 Effect of Conversion

On the Conversion Date:

- (a) the Noteholder's Notes which are the subject of a Conversion Notice will be Redeemed for the Conversion Amount, and the Noteholder will be taken to have agreed to pay the Conversion Amount to the Issuer by way of subscription for new Shares (**Conversion Shares**) at an issue price per Conversion Share that is equal to the Conversion Price, with each obligation to pay the Conversion Amount to be satisfied by way of mutual set-off;
- (b) the Issuer will issue to the Noteholder, and must register the Noteholder as the holder of, the Conversion Shares;
- (c) the Noteholder agrees to be registered as the holder of the Conversion Shares in the register of Members;
- (d) a holding notice in respect of the Conversion Shares is to be sent to the Noteholder at its registered address in respect of the relevant Notes;
- (e) the Issuer must use all reasonable endeavours to procure and maintain quotation of the Conversion Shares on ASX; and
- (f) upon issue of the Conversion Shares, all other rights conferred or restrictions imposed by the Note under these Note Terms will no longer have effect.

4.5 Ranking of Shares

Shares issued on conversion of the Notes will be fully paid and will in all respects rank *pari passu* with all other fully paid Shares on issue on the relevant Conversion Date, except that they will not be entitled to any dividend or any other distribution or entitlement that has

Redlined amended CAMG Note Terms

not been paid as at the Conversion Date but for which the record date was prior to the Conversion Date.

4.6 No fractional shares

No fractional Shares will be issued on conversion of a Note. If the calculation under this clause results in an entitlement to a number of Shares which includes a fraction of a Share, the fraction will be disregarded.

4.7 Adjustments for reorganisation of capital

Subject to the ASX Listing Rules, if there is a reconstruction (including consolidation, subdivision, reduction or return) of the issued capital of the Issuer, the basis for conversion of the Notes will be reconstructed in the same proportion as the issued capital of the Issuer is reconstructed and in a manner which will not result in any additional benefits being conferred on the Noteholders which are not conferred on Shareholders (subject to the same provisions with respect to rounding of entitlements as sanctioned by the meeting of Shareholders approving the reconstruction of capital) but in all other respects the terms for conversion of the Notes will remain unchanged.

5. REDEMPTION

5.1 Scheduled redemption on Maturity Date

Each Note is Redeemable by the Issuer on the Maturity Date at its Face Value unless:

- (a) the Note has been previously Converted;
- (b) the Note has been previously Redeemed; or
- (c) the Note has been purchased by the Issuer and cancelled.

5.2 Purchase

Subject to compliance with any applicable law or requirement of ASX (and any stock exchange or other relevant authority on which the Notes are quoted):

- (i) the Issuer and any of its Related Bodies Corporate (or any third party nominated by the Issuer) may, at any time, purchase Notes in the open market or otherwise and at any price;
- (ii) if purchases are made by tender for the Notes by the Issuer or any of its Related Bodies Corporate, tenders must be available to all Noteholders alike; and
- (iii) Notes purchased under this clause 5.2 may be held, resold or cancelled at the discretion of the purchaser (and, if the Notes are to be cancelled, the Issuer).

5.3 Early Redemption

(a) A Noteholder may require the Issuer to Redeem all of its Notes for \$~~1,000.96~~ per Note on ~~30 November 2024~~ 22 August 2025 by giving a Redemption Election Notice to the Issuer on or before the Redemption Notice Date. This clause 5.3 is only effective up to ~~30 November 2024~~ 22 August 2025.

~~(a)~~(b) If a Noteholder gives a valid Redemption Election Notice in accordance with clause 5.3(a) the Issuer must pay to the Noteholder the full redemption amount and all accrued interest.

6. **STATUS, SECURITY AND RANKING**

6.1 **Status**

The Notes at all times constitute unsecured debt obligations of the Issuer.

6.2 **No Security**

The Notes are unsecured.

6.3 **Ranking of Notes**

- (a) Each Note ranks for payment in a Winding Up of the Issuer:
- (i) equally with each other Note;
 - (ii) equally with all present and future unsubordinated and unsecured debt obligations of the Issuer (subject to the laws and principles of equity affecting creditor rights or obligations preferred by mandatory provisions of applicable law); and
 - (iii) ahead of all Shares.
- (b) Without in any way limiting the Issuer's obligations to Redeem the Notes as set out herein, in order to give effect to the ranking specified in clause 6.3, in any Winding Up of the Issuer, the Noteholders agree that their claims are limited to the extent necessary to ensure that Noteholders of the Notes receive payments on a pro-rata basis.
- (c) Without in any way limiting the Issuer's obligations to Redeem the Notes as set out herein, neither the Trustee nor any Noteholder has any right to prove in a Winding Up of the Issuer in respect of the Notes, except on the basis set out in clauses 6.1 and 6.2.
- (d) Neither the Trustee nor any Noteholder may exercise voting rights as a creditor in respect of the Notes in a Winding Up of the Issuer to defeat the subordination in this clause.
- (e) The ranking of Notes is not affected by the date of registration of any Noteholder in the Register.

7. **NEGATIVE COVENANTS**

For so long as any of the Notes remain outstanding, the Issuer must not, without the approval of an Ordinary Resolution, incur any indebtedness that would cause the Issuer's total indebtedness to exceed 40% of the Issuer's total assets.

8. **EVENTS OF DEFAULT**

8.1 **Events of Default**

An Event of Default occurs in relation to the Notes if:

- (a) **(non-issue of Shares)** the Issuer fails to issue Shares on Conversion in accordance with these Note Terms within 10 Business Days after the date on which such issue is to be made;
- (b) **(non-payment)** the Issuer fails to pay any amount payable by it under the Note Terms and such default is not remedied within 3 Business Days;

Formatted: Font: Bold

Redlined amended CAMG Note Terms

- (c) **(breach of Negative Covenants)** the Issuer fails to comply with clause 7 and such failure remains unremedied for a period of 10 Business Days;
- (d) **(breach of other obligations)** the Issuer fails to comply with any of its other obligations under the Note Terms or the Transaction Documents and such failure remains unremedied for a period of 10 Business Days after the earlier of (A) the Issuer receiving written notice from the Trustee in respect of the failure to comply and (B) the Issuer becoming aware of the failure to comply;
- (e) **(insolvency)** an Insolvency Event occurs in respect of the Issuer;
- (f) **(delisting)** a Delisting Event occurs in respect of the Issuer;
- (g) **(cessation of business)** the Issuer ceases or suspends (or threatens to cease or suspend) the conduct of all of its business or a substantial part of its business;
- (h) **(unlawfulness)** at any time, it is unlawful for the Issuer to perform any of its payment obligations under the Notes;
- (i) **(Government Agency)** all or substantially all of the assets of the Issuer are resumed or compulsory acquired by any Government Agency; or
- (j) **(vitiation)** all or any rights or obligations of the Issuer, Noteholders or the Trustee under the Trust Deed or the Note Terms are terminated or are or become void, illegal, invalid, unenforceable or of limited force and effect.

8.2 Notification

If an Event of Default occurs, the Issuer must, promptly after becoming aware of it but in any event no later than two Business Days after the Event of Default occurs, notify the Trustee of the occurrence of the Event of Default (specifying details of it) and use its reasonable endeavours to promptly notify the Noteholders and ASX (and any other stock exchange or other relevant authority on which the Notes are quoted) of the occurrence of the Event of Default. The Trustee is taken not to have knowledge of the occurrence of an Event of Default unless the Trustee has received written notice from the Issuer or a Noteholder stating that an Event of Default has occurred and describing it. Nothing contained in the Trust Deed imposes on the Trustee an obligation to inform any Noteholder of any breach by the Issuer of any provision of the Trust Deed.

8.3 Consequences of an Event of Default

- (a) If an Event of Default occurs and is continuing in relation to the Notes, the Trustee may:
 - (i) declare by notice to the Issuer (with a copy to the Noteholders and the Registrar) that all the Notes are to be Redeemed at their Face Value (together with any accrued Interest) immediately (but not earlier than 10 Business Days after the date the Trustee gives notice under this clause) or on such other date specified in that notice; or
 - (ii) take enforcement action against the Issuer in relation to the Event of Default in accordance with the Transaction Documents.
- (b) The Trustee shall not be bound to take the action referred to in paragraph (i) above to enforce the obligations of the Issuer in respect of the Notes or any other proceedings or action pursuant to or in connection with the Transaction Documents unless:

Redlined amended CAMG Note Terms

- (i) it shall have been so directed by a Special Resolution of the Noteholders of the relevant Notes;
- (ii) it is indemnified, to its satisfaction, against all costs, charges, liabilities and expenses which may be incurred by it (including legal costs on a solicitor and own client basis) in connection with that action;
- (iii) it is first placed in funds sufficient to cover the costs that it may incur as a result of doing so; and
- (iv) it is not restricted or prohibited from taking such action by any order of any competent court or any applicable law.

If the Trustee forms the view that such action is or could be inconsistent with these Note Terms, the Transaction Documents or the Corporations Act or any applicable law, it must take steps to seek (and, if the court so determines, to obtain) as soon as reasonably practicable a court direction or order to set aside or vary the direction given by Special Resolution, and, while those steps are underway, the Trustee is not obliged to take any action or proceedings it has been directed to take by Special Resolution.

8.4 No enforcement by Noteholders

Unless the Trustee, having become obliged to take action to enforce the rights of the Noteholders under the Transaction Documents and these Note Terms, fails to do so within 20 Business Days of being obliged to do so and such failure is continuing, the rights of each Noteholder to enforce the obligations of the Issuer under the Notes are limited to the exercise of its rights to enforce and seek due administration by the Trustee of the Trust Deed. In particular, unless the Trustee, having become obliged to take action to enforce the rights of the Noteholders under the Transaction Documents and these Note Terms, fails to do so within 20 Business Days of being obliged to do so and such failure is continuing, no Noteholder may, with respect to payment of any amount due under the Notes held by it:

- (a) sue the Issuer;
- (b) obtain judgment against the Issuer; or
- (c) apply for or seek Winding Up of the Issuer.

9. TITLE AND TRANSFER OF NOTES

9.1 Title

Title to a Note passes when details of the transfer are entered in the Register.

9.2 Effect of entries in Register

Each entry in the Register in respect of a Note constitutes:

- (a) an unconditional and irrevocable undertaking by the Issuer to the Noteholder to pay principal, interest and any other amount in accordance with these Note Terms; and
- (b) an entitlement to the other benefits given to Noteholders under these Note Terms and the Transaction Documents in respect of the Note.

For the avoidance of doubt, an entry in the Register does not make the Noteholder a Member of the Issuer or confer rights on a Noteholder to attend or vote at meetings of Members of the Issuer.

9.3 Register conclusive as to ownership

Entries in the Register in relation to a Note constitute conclusive evidence that the person so entered is the absolute owner of the Note, subject to correction for fraud or manifest error.

9.4 Non-recognition of interests

Except as required by law, the Issuer, the Trustee and the Registrar must treat the person whose name is entered in the Register as the holder of a Note as the absolute owner of that Note. This clause 9.4 applies whether or not a Note is overdue and despite any notice of ownership, trust or interest in the Note.

9.5 Joint holders

Where two or more persons are entered in the Register as the joint holders of a Note, then they are taken to hold the Note as joint tenants with rights of survivorship, but the Registrar is not bound to register more than four persons as joint holders of any Note.

9.6 Transfers in whole

The Notes may be transferred in whole but not in part.

9.7 Transfer

A Noteholder may, subject to this clause 9, transfer any Notes:

- (a) by a proper ASTC transfer according to the ASX Settlement Operating Rules;
- (b) by a proper transfer under any other computerised or electronic system recognised by the Corporations Act;
- (c) under any other method of transfer which operates in relation to the trading of securities on any securities exchange outside Australia on which the Notes are quoted; or
- (d) by any proper or sufficient instrument of transfer of marketable securities under applicable law.

The Issuer must not charge any fee on the transfer of a Note.

9.8 Market obligations

The Issuer must comply with all Applicable Regulations and any other relevant obligations imposed on it in relation to the transfer of a Note.

9.9 Issuer may request holding lock or refuse to register transfer

If the Notes are quoted on ASX, and if permitted to do so by the ASX Listing Rules and the Corporations Act, the Issuer may:

- (a) request the CS Facility Operator or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of Notes approved by and registered on the CS Facility's electronic sub-register or Notes registered on an issuer-sponsored sub-register, as the case may be; or
- (b) refuse to register a transfer of Notes.

9.10 Issuer must request holding lock or refuse to register transfer

- (a) The Issuer must request the CS Facility Operator or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of Notes approved by and registered on the CS Facility's electronic sub-register or Notes registered on an issuer-sponsored sub-register, as the case may be, if the Corporations Act, the ASX Listing Rules or the terms of a Restriction Agreement require the Issuer to do so.
- (b) The Issuer must refuse to register any transfer of Notes if the Corporations Act, the ASX Listing Rules or the terms of a Restriction Agreement require the Issuer to do so.
- (c) During a breach of the ASX Listing Rules relating to Restricted Securities, or a breach of a Restriction Agreement, the Noteholder of the Restricted Securities is not entitled to any Interest (or other distribution on), or voting rights in respect of, the Restricted Securities.

9.11 Notice of holding lock and refusal to register transfer

If, in the exercise of its rights under clauses 9.9 and 9.10, the Issuer requests the application of a holding lock to prevent a transfer of Notes or refuses to register a transfer of Notes, it must, within five Business Days after the date the holding lock is requested or the refusal to register a transfer, give written notice of the request or refusal to the Noteholder, to the transferee and the broker lodging the transfer, if any. Failure to give such notice does not, however, invalidate the decision of the Issuer.

9.12 Delivery of instrument

If an instrument is used to transfer the Notes according to clause 9.7, it must be delivered to the Registrar, together with such evidence (if any) as the Issuer and/or the Registrar reasonably requires to prove the title of the transferor to, or right of the transferor to transfer, the Notes.

9.13 Transferor to remain Noteholder until registration

A transferor of a Note remains the Noteholder in respect of that Note until the transfer is registered and the name of the transferee is entered in the Register.

9.14 Effect of transfer

Upon registration and entry of the transferee in the Register the transferor ceases to be entitled to future benefits under the Transaction Documents and the Note Terms in respect of the transferred Notes and the transferee becomes so entitled in accordance with clause 9.2.

9.15 Estates

A person becoming entitled to a Note as a consequence of the death or bankruptcy of a Noteholder or of a vesting order or a person administering the estate of a Noteholder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Note or, if so entitled, become registered as the holder of the Note.

9.16 Transfer of unidentified Notes

Where the transferor executes a transfer of less than all the Notes registered in its name, and the specific Notes to be transferred are not identified, the Registrar may register the transfer in respect of such of the Notes registered in the name of the transferor as the Registrar thinks fit, provided the aggregate of the Face Value of all the Notes registered as

having been transferred equals the aggregate of the Face Value of all the Notes expressed to be transferred in the transfer.

10. **PAYMENTS**

(a) Summary of payment provisions

Payments in respect of the Notes will be made in accordance with this clause 10.

(b) Record Date

All payments under or in respect of a Note will be made only to those persons registered as the holder of that Note at the nominated time on the relevant Record Date.

(c) Payments subject to law

All payments are subject to applicable law, but without prejudice to the provisions of clause 11.

(d) Payments on Business Days

If a payment:

- (i) is due on a Note on a day which is not a Business Day then the due date for payment will be postponed to the first following day that is a Business Day; or
- (ii) is to be made to an account on a Business Day on which banks are not open for general banking business in the place in which the account is located, then the due date for payment will be the first following day on which banks are open for general banking business in that place,

and, in either case, the Noteholder is not entitled to any additional payment in respect of that delay.

(e) Payments to accounts

Moneys payable by the Issuer to a Noteholder may be paid in any manner the Issuer decides, including by direct credit into a nominated account of the Noteholder at an Australian branch of a financial institution.

(f) Payments by cheque

- (i) The Issuer may decide that payments in respect of the Notes will be made by cheque sent by prepaid post on the payment date to the Noteholder (or to the first named joint holder of the Notes) at its address appearing in the Register.
- (ii) Cheques sent to the nominated address of a Noteholder will be at the risk of the registered Noteholder and will be taken to have been received by the Noteholder on the payment date and, no further amount will be payable by the Issuer in respect of the Notes as a result of the Noteholder not receiving payment on the due date.

(g) Unsuccessful attempts to pay

Subject to applicable law and the ASX Listing Rules, where the Issuer:

Redlined amended CAMG Note Terms

- (i) decides that an amount is to be paid to a Noteholder by a method of direct credit and the Noteholder has not nominated an account to which amounts are to be paid by that method;
- (ii) attempts to pay an amount to a Noteholder by direct credit, electronic transfer of funds or any other means and the transfer is unsuccessful;
- (iii) has made reasonable efforts to locate a Noteholder but is unable to do so; or
- (iv) has issued a cheque which has not been presented within six months of its date and, as a consequence, the Issuer has cancelled such cheque,

then, in each case:

- (v) the amount will be taken to have been duly paid to the Noteholder and will not bear Interest; and
- (vi) the amount will be held by the Issuer for the Noteholder in a non-interest bearing deposit with a bank selected by the Issuer until the Noteholder (or any legal personal representative of the Noteholder) nominates an account for payment or otherwise claims the amount or the amount is paid by the Issuer according to the legislation relating to unclaimed moneys.

(h) Payment to joint Noteholders

A payment to any one of the joint Noteholders of a Note will discharge the Issuer's liability in respect of the payment.

11. **DEDUCTIONS**

(a) No set-off, counterclaim or deductions

All payments in respect of the Notes must be made in full without set-off or counterclaim, and without any withholding or deduction for or in respect of Taxes, unless such withholding or deduction is required by law.

(b) Withholding and other taxes

- (i) The Issuer may withhold or deduct from any amount payable to a Noteholder in respect of the Notes an amount in respect of any Tax which a qualified legal or taxation advisor advises that it is required by law to withhold or deduct from that payment.
- (ii) The Issuer must pay the full amount required to be withheld or deducted to the relevant revenue authority within the time allowed for such payment (without incurring penalty under the applicable law) and must, if required by a Noteholder, deliver to that Noteholder a copy of the relevant receipt issued by the relevant revenue authority without unreasonable delay after it is received by the Issuer.
- (iii) If an amount is deducted or withheld under clause 11(b)(i) from a payment to a Noteholder in respect of any Tax, the full amount payable to the Noteholder will be deemed to have been duly paid and satisfied by the Issuer, and the Issuer will have no obligation to pay any additional amount to the Noteholder on account of the deduction or withholding.

12. **AMENDMENT OF THE NOTE TERMS**

12.1 **Amendment without the approval of the Noteholders**

At any time, and from time to time, the Note Terms (which, for the avoidance of doubt include this clause) may be modified, altered, cancelled, amended or added to (collectively **Modified**), without the consent of the Noteholders, if:

- (a) such modification, alteration, cancellation, amendment or addition (collectively Modification) is:
 - (i) of a formal or technical nature or made to cure any ambiguity or correct any manifest error;
 - (ii) necessary or expedient for the purpose of listing the Notes on ASX or to comply with the applicable ASX Listing Rules or the listing or quotation requirements of any other any securities exchange on which the Issuer may propose to seek a listing of the Notes;
 - (iii) necessary or expedient for the purpose of enabling the Notes to be offered for issue or for sale under the laws for the time being in force in any place;
 - (iv) necessary or expedient to comply with the provisions of any law or regulation or the requirements of any statutory authority; or
 - (v) necessary or advisable following the introduction of, or any amendment to, clarification of, or change (including any announced prospective change) in, any law or regulation of the Commonwealth of Australia or an announcement, action or decision or a proposal to introduce, amend, clarify or change any such law or regulation or any official administrative pronouncement or action or judicial decision interpreting or applying any such law or regulation which is likely to cause the Notes to cease to be treated as debt for tax or accounting purposes; and
 - (vi) in respect of a Modification sought by a party in reliance on:
 - (A) any one of clauses 12.1(a)(i) to 12.1(a)(iv) above - the Issuer and the Trustee have either jointly or separately obtained a legal opinion from legal advisers of recognised standing in New South Wales, which opinion is in a form satisfactory to the Issuer and the Trustee, as applicable (each acting reasonably) and is addressed to or is otherwise able to be relied on by each of the Issuer and the Trustee, as applicable, to the effect that such Modification (taken as a whole and in conjunction with all other Modifications) is:
 - (aa) a Modification within the scope of any one or more of clauses 12.1(a)(i) to 12.1(a)(iv); and
 - (bb) not materially prejudicial to the interests of Noteholders of the Notes (taken as a whole); or
 - (B) clause 12.1(a)(v) above - the Issuer and the Trustee have either jointly or separately obtained an opinion from an accountancy or taxation adviser of recognised standing in New South Wales, which opinion is in a form satisfactory to the Issuer and the Trustee, as applicable (each acting reasonably) and is addressed to or is otherwise able to be relied on by each of the Issuer and the Trustee, as applicable, to the effect that such Modification (taken as a whole and in conjunction with all other Modifications) is:

Redlined amended CAMG Note Terms

- (aa) a Modification within the scope of clause 12.1(a)(v); and
- (bb) not materially prejudicial to the interests of Noteholders of the Notes (taken as a whole).

12.2 Amendment with the approval of the Noteholders

- (a) At any time, and from time to time, but subject to clauses 12.2(b), 12.2(c) and 12.3 of the Note Terms, the Note Terms (which, for the avoidance of doubt, includes this clause) may be Modified if such Modification is authorised by an Ordinary Resolution.
- (b) If the Trustee considers the Modification will materially and adversely affect the rights of all Noteholders, then the Modification must be authorised by a Special Resolution.
- (c) If a clause in the Note Terms provides for Noteholders to give a direction to the Trustee by a Special Resolution, then that clause may only be Modified if such Modification is authorised by a Special Resolution.

12.3 Amendment with the approval of the Noteholders but not the Trustee

If a Modification to the Note Terms (which, for the avoidance of doubt includes this clause) is proposed by the Issuer under clause 12.2 and the Trustee will not consent to the Modification, the Note Terms may be Modified in the manner proposed by the Issuer if such Modification is authorised by a Special Resolution, provided that such amendment does not adversely affect the rights and obligations of the Trustee.

13. GENERAL

13.1 Reporting

13.2 Time limit for claims

A claim against the Issuer for a payment under a Note is void unless made within 5 years from the date on which payment first became due.

13.3 Voting

13.4 Notices

The Trust Deed contains provisions for the giving of notices.

13.5 Further documents

The Issuer may require the Trustee to execute, on behalf of all Noteholders, such documents as the Issuer considers necessary or desirable (provided that the Trustee is indemnified to its satisfaction, acting reasonably, against any Taxes, fees, costs, charges, expenses or liabilities (including solicitor and client as well as party and party costs) which it may suffer or incur as a result of doing so, and provided that the Trustee will only be required to execute such documents if the Noteholders give a direction to the Trustee by a Special Resolution passed in favour of such execution to do so).

13.6 Governing law and jurisdiction

- (a) The Note Terms and the Notes are governed by the laws of New South Wales.
- (b) The Issuer and each Noteholder submits to the non-exclusive jurisdiction of the courts exercising jurisdiction in New South Wales in connection with matters concerning the Notes or these Note Terms.
- (c) The Issuer and each Noteholder waives any right they have to object to an action being brought in those courts, or to claim that the action has been brought in an inconvenient forum, or to claim those courts do not have jurisdiction.

14. INTERPRETATION AND DEFINITIONS

14.1 Interpretation

In these Note Terms, except where the context otherwise requires:

- (a) if there is inconsistency between the Note Terms and, the Trust Deed, then, to the maximum extent permitted by law, the Note Terms will prevail;
- (b) a reference to a clause or paragraph is to a clause or paragraph of the Note Terms;

- (k) a reference to "**dollars**", or "**\$**" is to an amount in Australian currency;

14.2 Non Business Days

If the day on or by which a person must do something under this document is not a Business Day:
