

## FIRST KOONENBERRY TENEMENT GRANTED

Red Mountain Mining Limited (**ASX:RMX**) (the **Company**) is pleased to advise that the recent application for ELA5980 has been officially granted. The granted tenement is now known as **EL8997**.

EL8997 comprises tenure approximately 350km<sup>2</sup> in size and sits adjacent to Manhattan Corporate's (ASX: MHC) recent high grade gold discovery (see MHC announcement dated 25/06/2020).

The Company has undertaken preliminary assessment of historic data within EL8997 and notes MHC's recent 5000m RC drilling campaign adjacent to its tenure which is ongoing.

The Company will update the market as to the grant of the balance of its Koonenberry Project in due course.
