Letter from CIMIC Group

Dear Sedgman Shareholder

Final¹ unconditional Off-Market Takeover Bid for Sedgman by CGI

I am pleased to provide you with this unconditional Offer to acquire all of Your Sedgman Shares for \$1.07 cash per Sedgman Share². The Offer Price of \$1.07 for each Sedgman Share is final, and cannot be increased during the Offer Period, in the absence of a competing proposal.

CIMIC considers that the Offer is attractive to Sedgman Shareholders. The Offer Price of \$1.07 per Sedgman Share, in cash, represents a premium of:

- 35.4% to the Last Close Price, being the price of Sedgman Shares on ASX at the close of trading on 12 January 2016, the day prior to the Announcement Date, of \$0.79 per Sedgman Share;
- 21.3% to Sedgman one month volume weighted average closing price (**VWAP**) as at the day prior to Announcement Date, of \$0.88 per share;
- 26.2% to Sedgman three month VWAP as at the day prior to Announcement Date, of \$0.85 per share; and
- 30.4% to Sedgman six month VWAP as at the day prior to Announcement Date, of \$0.82 per share.

Furthermore, CIMIC considers these premia to be particularly attractive given Sedgman's significant net cash balance³.

In addition to the premium, the unconditional Offer enables you to exit an otherwise relatively illiquid position for all of your shareholding in Sedgman in an orderly manner and without the need to pay brokerage fees, and with the opportunity to receive certain and immediate value within seven Business Days from the date of your acceptance.

The Offer is open for acceptance until 7.00pm (AEDT) on [*] 2016, unless extended or withdrawn in accordance with the Corporations Act. To accept the Offer, please follow the instructions set out in Section 1.2 and on the enclosed Acceptance Form.

I encourage you to consider the Offer. By making this Offer, CGI and CIMIC are seeking to increase our shareholding in Sedgman to a level where we can better support the future direction of Sedgman.

Following the conclusion of the Offer, CIMIC's intentions are to:

- reconstitute the Sedgman Board;
- review the dividend and capital management policies of Sedgman;
- continue the business of Sedgman including Sedgman's plans for increasing market and commodity diversification; and
- retain the services of Sedgman's current operational employees in the ordinary course. In cases where particular roles may no longer be required, CIMIC will attempt to identify opportunities for alternative employment within the CIMIC Group.

¹ The Offer Price is final, and cannot be increased during the Offer Period, in the absence of a competing proposal.

² The Offer Price of \$1.07 is subject to the Offer terms specified in this document including Section 9.7 in relation to dividends and other entitlements.

³ Sedgman last reported, as at 30 June 2015, net cash of \$108.8 million (cash and cash equivalents (\$111.0 million) less interest bearing liabilities (\$2.2 million)).

As the Offer is unconditional, CGI intends to exercise its rights under item 2 of section 611 of the Corporations Act and has appointed Credit Suisse Equities to stand in the market on the ASX from the date of this Bidder's Statement and purchase on CGI's behalf any Sedgman Shares offered to it at or below the Offer Price.

If you require additional assistance, please contact the CIMIC Offer Information Line on 1300 362 398 (for calls made within Australia) or +612 8355 1004 (for calls made from outside Australia) from Monday to Friday between 9:00am and 5:00pm (AEDT).

Yours sincerely

Executive Chairman and Chief Executive Officer

Why you should accept CGI's Offer

1. You will receive an attractive cash price for Your Sedgman Shares

CIMIC considers that the Offer is attractive to Sedgman's Shareholders. The Offer Price of \$1.07 per Sedgman Share, in cash, represents a premium of:

- 35.4% to the Last Close Price, being the price of Sedgman Shares on ASX at the close of trading on 12 January 2016, the day prior to the Announcement Date, of \$0.79 per Sedgman Share;
- 21.3% to Sedgman one month volume weighted average closing price (**VWAP**) as at the day prior to Announcement Date, of \$0.88 per share;
- 26.2% to Sedgman three month VWAP as at the day prior to Announcement Date, of \$0.85 per share; and
- 30.4% to Sedgman six month VWAP as at the day prior to Announcement Date, of \$0.82 per share.

Furthermore, CIMIC considers these premia to be particularly attractive given Sedgman's significant net cash balance⁴.

Figure 1: Offer premium*

* Source: IRESS Limited. As permitted by ASIC Class Order 07/429, this chart contains ASX share price trading information sourced from IRESS Limited without its consent

2. Cash certainty

The Offer is to acquire all of Your Sedgman Shares for \$1.07 cash consideration per Sedgman Share.

This gives Sedgman Shareholders certainty about the value of consideration being offered. The certainty provided by receiving a cash price under the Offer should be compared with the risks and uncertainties associated with holding shares in a listed company.

⁴ Sedgman last reported, as at 30 June 2015, net cash of \$108.8 million (cash and cash equivalents (\$111.0 million) less interest bearing liabilities (\$2.2 million)).

3. Unconditional Offer

There are no conditions attached to the Offer and you can sell Your Sedgman Shares to CGI for \$1.07 cash per Sedgman Share by accepting the Offer now. Accordingly you can accept the Offer knowing that you will be paid in cash seven Business Days after your acceptance.

Section 1.2 of this Bidder's Statement provides instructions on how you can accept the Offer.

4. Potential reduction in liquidity

CIMIC Group currently owns 36.99% of the Sedgman Shares on issue. Should CGI be successful in increasing its ownership stake, this may lead to reduced liquidity and make it difficult for you to sell Your Sedgman Shares outside the Offer at current price levels.

The Offer enables all Sedgman Shareholders to exit their shareholding in an orderly manner at the Offer Price.

5. Share price may fall if Sedgman Shareholders do not accept

The closing Sedgman Share price on ASX on 12 January 2016, being the last Trading Day prior to the Announcement Date, was \$0.79. Given CIMIC already owns 36.99% of the Sedgman Shares on issue, therefore it is unlikely for there to be an alternative proposal for Sedgman.

The Sedgman Share price may trade at levels below the Offer Price once the Offer has lapsed (although this is difficult to predict with any degree of certainty) given the unlikelihood of an alternative offer and the premium currently being offered to Sedgman Shareholders under the Offer.

6. No brokerage charges in accepting CGI's Offer

In addition to a premium, you will not incur any brokerage charges on the transfer of Your Sedgman Shares to CGI pursuant to the Offer.

4. CGI'S INTENTIONS

4.1 Overview

This Section 4 sets out CGI's intentions in relation to the following:

- the continuation of the businesses of Sedgman;
- any major changes to be made to the businesses of Sedgman, including any redeployment of the fixed assets of Sedgman;
- changes to the Sedgman Board; and
- the future employment of the present employees of Sedgman.

CGI is a wholly owned subsidiary of CIMIC. Accordingly, the intentions, views, understanding and beliefs of CIMIC as set out in this Bidder's Statement are the same as those of CGI and are both collectively referred to as the intentions of CGI in this Section 4.

These intentions are based on the information concerning Sedgman, its business and the general business environment which is known to CGI at the time of preparation of this Bidder's Statement, which includes publicly available information.

Although CIMIC is Sedgman's major shareholder and has nominated Antony Jacobs as one of the members of the Sedgman Board, the CIMIC Group has not had access to the Sedgman business, its records, management or other internal Sedgman resources due to commercial sensitivities and confidentiality protocols that operate between CIMIC and Mr Jacobs.

Further, although CIMIC Group has an interest in the Joint Ventures between Thiess and Sedgman, the CIMIC Group's knowledge is limited to the extent of CIMIC Group's interest and participation in those Joint Ventures and operational matters relating to projects undertaken by them. This arrangement does not entitle CIMIC Group to access any aspect of the Sedgman business outside of the Joint Ventures, including corporate matters.

The statements set out in this Section 4 are statements of current intention only and may vary as new information becomes available or circumstances change. Final decisions will only be reached in light of all material facts and circumstances. The statements in this Section 4 should be read in this context.

4.2 CGI 's intentions

As at the date of this Bidder's Statement, CGI has a relevant interest in 36.99% of Sedgman Shares.

CGI's intention is to obtain control of Sedgman as a result of the Offer.

As the Offer is unconditional, CGI intends to exercise its rights under item 2 of section 611 of the Corporations Act and has appointed Credit Suisse Equities to stand in the market on the ASX from the date of this Bidder's Statement and purchase on CGI's behalf any Sedgman Shares offered to it at or below the Offer Price.

The statements set out in this Section 4 are CGI's current intentions and apply irrespective of the outcome of the Offer.

4.3 Limitations on intentions

The extent to which CGI will be able to implement its intentions in relation to Sedgman will be subject to:

- the outcome of the Offer and the size of CGI's Shareholding at that time;

- the Corporations Act and the Listing Rules, in particular in relation to related party transactions and conflicts of interests; and
- the legal obligations of the directors and officers of Sedgman, including to act honestly, for proper purposes and in the best interests of Sedgman Shareholders.

4.4 CGI's intentions following conclusion of the Offer

Following the conclusion of the Offer, CGI's intentions are to:

- reconstitute the Sedgman Board;
- review the dividend and capital management policies of Sedgman;
- continue the business of Sedgman including Sedgman's plans for increasing market and commodity diversification; and
- retain the services of Sedgman's current operational employees in the ordinary course. In cases where particular roles may no longer be required, CGI will attempt to identify opportunities for alternative employment within the CIMIC Group.

CGI may also seek to procure the removal of Sedgman from the Official List of ASX, which will depend on the spread and volume of Sedgman Shareholders remaining at the conclusion of the Offer.

CGI intends to reconstitute the Sedgman Board so that it is appropriately sized and composed having regard to the size and scale of Sedgman's business. This aim was a key driver behind CGI's actions to vote down certain resolutions at the Sedgman 2015 Annual General Meeting and subsequent discussions with Sedgman about the size and composition of the Sedgman Board.

CGI considers that the proposed review of Sedgman's dividend and capital management policies will assist in identifying the most effective and efficient capital structure for Sedgman. In addition, CGI's view on payment of dividends by Sedgman may be different to those of the current Sedgman Board, which may result in their increase or decrease.

CGI recognises the value of Sedgman's employees, brand and operations. As a consequence, CGI intends to support Sedgman's increasing market and commodity diversification and it intends to continue the business of Sedgman.

CGI expects there to be significant value and knowledge in the existing staff of Sedgman. Accordingly, CGI intends to retain the services of Sedgman's current operational employees in the ordinary course. In cases where particular roles may no longer be required, such as management or administrative functions being outsourced or provided by the CIMIC Group, CGI will attempt to identify opportunities for alternative employment within the CIMIC Group. In the transition, CGI will seek to minimise any changes to employees' terms and conditions.

4.5 If CGI acquires 90% or more of Sedgman Shares

The current intentions of CGI, if CGI acquires a relevant interest in 90% or more of Sedgman Shares are:

- to implement those intentions set out above to the fullest extent possible;
- to proceed with the compulsory acquisition of the outstanding Sedgman Shares in accordance with the provisions of Chapter 6A of the Corporations Act and to arrange for Sedgman to be removed from the official list of ASX; and
- if entitled to do so, to proceed with the compulsory acquisition of all convertible securities in accordance with the relevant provisions of the Corporations Act.

5. INFORMATION ON SEDGMAN SECURITIES

5.1 Capital structure of Sedgman

CGI understand that the total number of securities in Sedgman as at the date of this Bidder's Statement is as follows⁵:

- (a) 227,059,277 ordinary Sedgman Shares; and
- (b) 12,141,683 Sedgman Performance Rights issued under the Sedgman Long Term Incentive Share Plan at no cost and entitling the participants to receive one fully paid ordinary share in Sedgman per Sedgman Performance Right, subject to vesting conditions linked to performance.

5.2 Details of relevant interests in Sedgman securities and voting power

As at the date of this Bidder's Statement, CGI holds (and has a relevant interest in) 83,999,174 Sedgman Shares and its voting power in Sedgman is 36.99%.

5.3 Consideration provided for Sedgman securities during previous four months

Between 5 November 2015 and 8 December 2015, CGI acquired a total of 765,156 Sedgman Shares on ASX for a highest price of \$0.9386.

As CGI intends to exercise its rights under item 2 of section 611 of the Corporations Act and stand in the market on the ASX from the date of this Bidder's Statement and purchase any Sedgman Shares offered to it at or below the Offer Price, if any Sedgman Shares are acquired by CGI before the date of the Offer, the highest price paid by CGI will be the Offer Price of \$1.07.

Other than as described in this Section 5.3, CGI and its Associates have not acquired any Sedgman Shares or Sedgman Performance Rights during the period of four months ending on the day immediately before the date of this Bidder's Statement.

CGI and its Associates have not disposed of any Sedgman Shares or Sedgman Performance Rights during the period of four months ending on the day immediately before the date of this Bidder's Statement.

5.4 Inducing benefits given during the previous four months

Other than as set out in Section 5.3 above, neither CGI nor any of its Associates has, during the period of four months ending on the day immediately before the date of the Offer, given, offered or agreed to give, a benefit to another person where the benefit was likely to induce the other person, or an Associate, to:

- (a) accept the Offer; or
- (b) dispose of Sedgman Shares,

which benefit was not offered to all Sedgman Shareholders under the Offer.

⁵ Based on the Appendix 3B released by Sedgman to ASX on 4 December 2015.

6. FUNDING

6.1 Maximum Cash Consideration

The maximum cash amount which may be required by CGI to settle acceptances under the Offer is \$166.1 million (**Maximum Cash Consideration**).

The Maximum Cash Consideration is calculated on the basis:

- (a) of acceptances in respect of 143,060,103 Sedgman Shares, that is all Sedgman Shares not owned by CIMIC Group; and
- (b) that all 12,141,683 Sedgman Performance Rights vest and the holders are issued one Sedgman Share for each Sedgman Performance Right and accept the Offer.

6.2 CGI's internal funding arrangements

CIMIC has unconditionally agreed to provide CGI with all amounts CGI requires to pay the Maximum Cash Consideration, as well as any associated transaction costs incurred by CGI. These amounts will be provided under a loan agreement to be entered into between CIMIC and CGI.

Drawdown under the loan agreement (which will remain in place so long as CGI has an outstanding obligation to make payments under the Offer) will not be subject to any conditions precedent other than the presentation of a loan terms schedule to CIMIC which is signed by CGI.

6.3 CIMIC's funding arrangements

CIMIC has existing money market and invested funds at call materially in excess of the Maximum Cash Consideration and associated transaction costs. CIMIC intends to utilise those available funds or CIMIC's existing debt facilities to allow CGI to fund the Offer (as described in Section 6.2).

To the extent that CIMIC elects to utilise third party funds rather than its existing money market and invested funds at call to fund any of the consideration payable by CGI pursuant to the Offer, such funds will be drawn by CIMIC pursuant to its existing debt facilities. Those debt facilities are made available by a number of banking institutions with whom CIMIC has ongoing banking relationships. Drawdown under CIMIC's existing debt facilities is subject only to conditions precedent which CIMIC considers customary for facilities of this nature. As at the date of this Bidder's Statement CIMIC is not aware of any reason why any conditions precedent to drawdown from the existing debt facilities will not be satisfied.

6.4 Payment of cash consideration

Having regard to the matters set out above, CGI is of the opinion that it has a reasonable basis for forming, and it holds, the view that it will be able to pay the Maximum Cash Consideration required for the acquisition of Sedgman Shares pursuant to the Offer.

The Offer is not subject to any financing conditions.

7. AUSTRALIAN TAX CONSIDERATIONS

7.1 Introduction

The following is a general description of the principal Australian tax consequences for the registered holders of Sedgman Shares upon the disposal of their shareholding to CGI pursuant to this Offer.

The following description is intended as a general guide to the Australian tax considerations and is based upon the law in effect at the date of this Bidder's Statement. It is not intended to be an authoritative or complete statement of the law applicable to the particular circumstances of every registered holder of Sedgman Shares, and is not intended to be advice and should not be relied on as such. In particular, the registered holders of Sedgman Shares should be aware that the levels and bases of taxation can change and that where reference is made to tax concessions, this is to tax concessions as currently applying. It is recommended that registered holders seek independent professional advice in relation to their own particular circumstances and should not rely upon the comments contained in this general description.

Any persons who may be subject to tax in any jurisdiction outside Australia should obtain independent professional advice on their particular circumstances.

The Australian tax implications outlined below are relevant to registered holders who hold their Sedgman Shares as capital assets for the purposes of investment and who do not hold their Sedgman Shares as trading stock, as part of a profit-making undertaking or scheme, under an arrangement which qualifies as an employee share or rights plan for Australian tax purposes (such as holders of Sedgman Performance Rights or participants in the Sedgman Long Term Incentive Share Plan), or otherwise on revenue account. This Section in particular does not address in detail the tax considerations applicable to persons holding options, or registered holders that may be subject to special rules, such as banks, insurance companies, tax exempt organisations, trusts, superannuation funds, dealers in securities or registered holders who change their tax residence while holding Sedgman Shares. It also does not consider the Australian tax considerations for registered shareholders who are non-residents for Australian tax purposes or who hold their Sedgman Shares as an asset of a permanent establishment in Australia.

7.2 Capital gains tax (CGT) implications

CGT event

For CGT purposes, a 'CGT event' will occur when you dispose of Your Sedgman Shares to CGI. Generally, your disposal should be taken to occur on the date that the Offer contract to dispose of Your Sedgman Shares is formed. However, if you do not accept the Offer and Your Sedgman Shares are compulsorily acquired, your disposal should take place on the date that CGI becomes the owner of Your Sedgman Shares.

Determining your capital gain or loss

Broadly, any capital gain or loss from the CGT event will be determined by comparing the total consideration that you receive for Your Sedgman Shares with the CGT cost base (in the case of a capital gain) or reduced cost base (in the case of a capital loss) of Your Sedgman Shares.

The cost base or reduced cost base of Your Sedgman Shares should broadly equal the money you paid or were required to pay to acquire Your Sedgman Shares plus any non-deductible incidental costs incurred in acquiring and disposing of the Sedgman Shares (for example, brokerage).

You will make a capital gain from the disposal of Your Sedgman Shares to CGI to the extent that the consideration that you received for Your Sedgman Shares exceeds the cost base of Your Sedgman Shares.

Conversely, you will make a capital loss to the extent that the reduced cost base of Your Sedgman Shares exceeds the consideration that you received for Your Sedgman Shares.

The tax treatment of your capital gain or capital loss arising from the disposal of Your Sedgman Shares depends on whether or not you are an Australian resident for taxation purposes and whether you hold Your Sedgman Shares as an individual, trustee of a trust, complying superannuation fund or company.

(a) Australian residents

You may be entitled to the CGT discount if:

- (i) you are an Australian resident individual, trust or complying superannuation fund;
- (ii) you have held Your Sedgman Shares for at least 12 months (excluding the days of acquisition and disposal); and
- (iii) you make a capital gain from the disposal of Your Sedgman Shares.

The CGT discount may result in your capital gain being reduced by the 'discount percentage', being:

- (iv) 50%, if you are an individual or a trust; or
- (v) 33⅓ %, if you are a complying superannuation fund.

No CGT discount is available for companies.

If you make a capital gain from the disposal of Your Sedgman Shares, that capital gain will be combined with any other capital gains that you have made for the income year. Any available capital losses will then be applied against the total of the capital gains (before applying any CGT discount) that you have made in the current income year. Any remaining discount capital gains are then reduced by your discount percentage. Any resulting net capital gain will be included in your assessable income for the income year.

If you make a capital loss from the disposal of Your Sedgman Shares, that capital loss may only be offset against your assessable capital gains (before taking into account the CGT discount, if applicable) for the current income year. Any excess capital losses will be carried forward and may be applied against your future assessable capital gains (before taking into account the CGT discount, if applicable) if any relevant loss carry forward requirements are met.

(b) Non-Australian residents

The disposal of Your Sedgman Shares may be subject to Australian CGT if:

- (i) you and your Associates held 10% or more of the shares in Sedgman:
 - (A) at the time of disposal; or
 - (B) throughout a 12 month period that began no earlier than 24 months before the date of disposal; and
- (ii) the market value of Sedgman's assets that are 'taxable Australian real property' (generally, real property in Australia, or mining, quarrying or prospecting rights, where the minerals, petroleum or quarry materials are in Australia) is greater than the market value of Sedgman's assets that are not taxable Australian real property.

If you are a non-Australian tax resident, it is recommended that you obtain your own independent professional advice as to the Australian tax consequences arising from the disposal of Your Sedgman Shares.

7.3 Australian stamp duty and the goods and services tax (GST)

No Australian stamp duty or GST is payable by you on the sale of Your Sedgman Shares to CGI pursuant to the Offer.

You may be charged GST on incidental costs (for example, advisory fees) incurred in acquiring and disposing of Your Sedgman Shares. You may be entitled to input tax credits or reduced input tax credits for such costs, but should seek independent professional advice in relation to your own particular circumstances.

8. ADDITIONAL INFORMATION

8.1 Offer conditions

The Offer is not subject to any conditions.

8.2 ASIC modifications

ASIC has published various "Class Order" instruments providing for modifications and exemptions that generally apply to all persons including CGI, in relation to the operation of Chapter 6 of the Corporations Act.

Amongst others, CGI has relied on the modification to section 636(3) of the Corporations Act set out in paragraph 5(d) of ASIC Class Order 13/521 "Takeover Bids" to include references to certain statements which are made or based on statements made in documents lodged with ASIC or ASX. Pursuant to Class Order 13/521, the consent of the relevant person is not required for the inclusion of such statements in this Bidder's Statement. As required by Class order 13/521, CGI will make available a copy of these documents (or of relevant extracts from these documents), free of charge, to you and other Sedgman Shareholders who request it during the Offer Period. To obtain a copy of these documents (or the relevant extracts), you may telephone the CIMIC Offer Information Line on 1300 362 398 (for calls made within Australia) or +612 8355 1004 (for calls made from outside Australia) from Monday to Friday between 9.00am and 5.00pm (AEDT).

8.3 Persons to whom Offer is sent

For the purposes of Section 633(2) of the Corporations Act, the date for determining the persons to whom information is to be sent in items 6 and 12 of Section 633(1) of the Corporations Act is the Register Date (being 7.00pm on 14 January 2016).

The Offer also extends to persons who become registered, or entitled to be registered, as the holder of Sedgman Shares during the Offer Period due to the conversion of, or exercise of rights attached to, securities convertible into or which entitle participants to receive Sedgman Shares (being Sedgman Performance Rights) which are on issue on the Register Date.

8.4 Broker commissions

CGI may offer to pay a commission to Brokers who solicit acceptances of the Offer from their clients, but it has made no final decision in relation to the matter at the date of this Bidder's Statement.

Any commission payments will be paid only in respect of parcels of Sedgman Shares held by retail shareholders who accept the Offer.

If a commission is offered, commission payments will not exceed 0.75% of the value of the consideration payable to a retail shareholder who accepts the Offer, and will be subject to minimum payments (not exceeding \$50) and maximum payments (not exceeding \$300) for each acceptance.

If a commission is offered, it will be payable only to Brokers and will be subject to the condition that no part of the fee will be able to be passed on or paid to Sedgman Shareholders.

It is CGI's intention that, if and when an offer of commission has been made to any Broker by CGI, the commission arrangement will remain in place for the balance of the Offer Period and the amount of the commission offered will not be increased during the Offer Period.

An acceptance by you of the Offer in respect of any such distinct portion of Your Sedgman Shares will be ineffective unless:
 - (i) you have given CGI notice stating that Your Sedgman Shares consist of separate and distinct parcels, such notice being:

CGI shall be so authorised even though at the time of such transfer it has not paid the consideration due to you under this Offer;
 - (xii) agreed to indemnify CGI in respect of any claim or action against it or any loss, damage or liability whatsoever incurred by it as a result of you not producing your Holder Identification Number or in consequence of the transfer of the Accepted Shares being registered by Sedgman without production of your Holder Identification Number for the Accepted Shares;
