| Name | Position |
|----------------------|---|
| Mr Terry Sweet | Non-executive Chairman |
| Dr Richard Lipscombe | Managing Director |
| Dr Bill Parker | Non-Executive Director |
| Mr John Dunlop | Non-Executive Director |
| Mr James Moses | Executive Director (<i>appointed 16 October 2015</i>) |

Review of operations

Proteomics International Laboratories Limited (PILL) is a life science company focused on the area of proteomics – the industrial scale study of the structure and function of proteins. The Company's business model operates from a proprietary proteomics-based technology platform in three synergistic areas: Diagnostics, Analytical services and Therapeutic drug discovery.

During the half-year PILL focused on the commercialisation of PromarkerD, the world's first proteomics-derived predictive (prognostic) test for the diagnosis of Diabetic Kidney Disease. PILL is pursuing the commercial adoption of PromarkerD as a Laboratory Developed Test (LDT), standard clinical pathology In vitro Diagnostic Test (IVD) and Companion Diagnostic (CDx). Partnering and licensing discussions with major pharmaceutical and health care companies for PromarkerD were ongoing, and PILL has now established commercialisation discussions in three major global health care markets – USA, China and Japan. Discussions will continue to be advanced in the coming reporting period.

Patents for PromarkerD as a predictive and diagnostic test for diabetic kidney disease were granted in the USA and Australia. Both patents are valid until 20 September 2031. A patent was also granted in Singapore. PILL is also seeking patent protection for PromarkerD in other major global markets including Europe, China and India.

The Company was awarded the Health and Biotechnology Export Award at The Western Australian 2015 Industry and Export Awards. The award recognised the international success of the PILL's Analytical services business. PILL was also a finalist at the 2015 Australian Export Awards, and the 2015 Western Australian Innovator of the Year Awards.

Corporately, PILL successfully undertook and completed a Non-renounceable Entitlement Issue (Entitlement Issue) in the half-year. Eligible shareholders (at Record Date, 18 September 2015) were able to apply for 1 option for every 4 existing ordinary shares held at a price of A\$0.01 per option, exercisable on or before 31 March 2018 at an exercise price of A\$0.20 each. A total of 8,065,303 options were subscribed for. The Entitlement Issue was fully underwritten by K S Capital Pty Ltd, and the full shortfall (4,580,060 options) was subsequently placed. Mr James Moses joined the Company's board as an Executive Director, with responsibility for business relations and external affairs.

ACN: 169 979 971

Operating Results

Revenue from ordinary activities for the half-year was \$364,277, an increase of 7.7% compared to the previous half. Revenue generated related to the Company's analytical services business. The Company reported a loss from ordinary activities for the period of \$1,034,097. Expenses remained in-line with budget for the half-year.

Significant changes in the state of affairs

There have been no significant changes in the Group's state of affairs during or since the end of the reporting period.

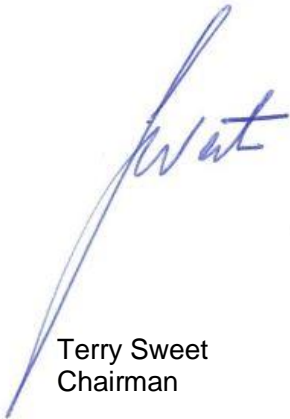

After balance date events

There have been no after balance date events since the end of the reporting period.

Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 4.

Signed in accordance with a resolution of the Directors.

NOTES TO THE HALF-YEAR FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2015

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

The interim consolidated financial report does not include all the information and disclosures required in the annual financial report, and should be read in conjunction with the Group's annual financial report as at 30 June 2015.

The half-year financial report was authorised for issue by the Directors on 25 February 2016.

(a) Basis of preparation

The interim consolidated financial report of the group for the six months ended 31 December 2015 has been prepared in accordance with AASB 134 *Interim Financial Reporting*.

The financial report covers Proteomics International Laboratories Ltd and controlled entities as a consolidated entity.

The half-year report has been prepared under the historical cost convention.

The accounting policies applied in the half-year financial report are consistent with those of the annual financial report for the year ended 30 June 2015 and the corresponding half-year.

(b) Accounting policies

In the half-year ended 31 December 2015, the Group has reviewed all of the new and revised Standards and Interpretations issued by the AASB that are relevant to its operations and effective for annual reporting periods beginning on or after 1 July 2015.

New and amended standards adopted by the entity

A number of new or amended standards became applicable for the current reporting period, however, the Group did not have to change its accounting policies or make retrospective adjustments as a result of adopting these standards. There may be some changes to the disclosures in the 30 June 2016 annual report as a consequence of these amendments.

Impact of standards issued but not yet applied by the entity

There were no new standards issued since 30 June 2015 that have been applied by Proteomics International Laboratories Limited. The 30 June 2015 annual report disclosed that Proteomics International Laboratories Limited anticipated no material impacts (amounts recognised and/or disclosed) arising from initial application of those standards issued but not yet applied at that date, and this remains the assessment as at 31 December 2015.

The Group has also reviewed all new Standards and Interpretations that have been issued but are not yet effective for the half-year ended 31 December 2015. As a result of this review the Directors have determined that there is no impact, material or otherwise, of the new and revised Standards and Interpretations on its business.

| Other receivables | 46,188 | <u>79,000</u> |
| Total trade and other receivables | <u>157,353</u> | <u>195,775</u> |

(a) Classification of trade and other receivables

Trade debtors are amounts due from customers for services performed in the ordinary course of business. The trade receivables are generally due for settlement within 30 days and therefore are classified as current.

The group does not currently have any provision for doubtful debts in respect to their receivables as at 31 December 2015.

(b) Other receivables

These amounts include the receivables from the Australian Taxation Office for GST and amounts accrued for income that has not been billed as at 31 December 2015.

(c) Fair value of trade and other receivables

Due to the short term nature of the current receivables, their carrying amount is assumed to be the same as their fair value.

| Total trade and other payables | <u>233,093</u> | <u>275,024</u> |

(a) Fair value of trade and other payables

Trade payables are unsecured and are usually paid within 60 days of recognition.

The carrying amount of trade and other payables are assumed to be the same as their fair values, due to their short term nature.

DIRECTORS' DECLARATION

The directors declare that the financial statements and notes in accordance with the Corporations Act 2001:

1. Comply with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001, and other mandatory professional reporting requirements; and
2. Give a true and fair view of the financial position of the consolidated entity as at 31 December 2015 and of its performance for the half-year ended on that date.

In the Directors' opinion there are reasonable grounds to believe that Proteomics International Laboratories Limited will be able to pay its debts as and when they become due and payable.

This declaration is signed in accordance with a resolution of the Board of Directors made pursuant to section 303(5) of the Corporations Act 2001.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Proteomics International Laboratories Ltd

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Proteomics International Laboratories Ltd, which comprises the consolidated statement of financial position as at 31 December 2015, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a statement of accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year's end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2015 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Proteomics International Laboratories Ltd, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Proteomics International Laboratories Ltd, would be in the same terms if given to the directors as at the time of this auditor's review report.

INDEPENDENT AUDITOR'S REVIEW REPORT

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Proteomics International Laboratories Ltd is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2015 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*
