About Alliance Nickel Limited

Alliance Nickel Limited is an ASX-listed nickel and Critical Minerals development company with its principal asset being its flagship 100% owned NiWest Nickel Cobalt Project containing one of the highest-grade undeveloped nickel laterite resources in Australia. The Project has access to existing primary mining infrastructure such as an established network of roads, a railway and gas pipeline and is strategically situated adjacent to Glencore's Murrin Murrin Operations. The Company has completed a Pre-Feasibility Study which has confirmed the technical and economic viability of a heap leach and direct solvent extraction operation where it aims to manufacture low-cost, high-quality Class 1 nickel and cobalt sulphate for battery manufacturers and automakers in the Electric Vehicle (EV) sector.
