Personal loan facility increased and extended

FSA Group offers non-conforming personal loans to assist clients with the purchase of a motor vehicle. Our personal loan pool was \$34.2 million at the end of May 2017.

FSA Group is pleased to announce that Westpac Banking Corporation has increased its personal loan facility from \$30 million to \$40 million. The facility has been extended until 31 December 2017.

We continue our discussions in relation to securing a larger facility to support future growth.
