INFORMATION FOR SHAREHOLDERS

VIRTUAL PARTICIPATION AT THE AGM DUE TO COVID-19

In order to minimise health risks created by the coronavirus (**COVID-19**) pandemic and ensure compliance with current applicable laws relating to public gatherings, the Board of Yancoal strongly encourages shareholders:

- to consider lodging a directed proxy appointing the Chairman as proxy with directions on how to vote each item of business rather than attending the meeting in person; and
- as an alternative to attending the AGM in person, to observe the AGM through a live webcast and submit questions in real time. Details on how to observe and submit questions online are available in the Lumi Meeting Guide at www.yancoal.com.au/page/en/investors.

OBSERVE THE AGM ONLINE AND SUBMIT QUESTIONS

All shareholders are strongly encouraged to:

- submit any questions ahead of the AGM to either the Company or the auditor; and
- appoint the Chairman as proxy with directions on how to vote in each item of business to ensure that each Shareholder's vote is cast and counted with certainty. The Chairman is required to follow your instructions.

Further information on how to appoint a proxy to vote on your behalf is described under the heading "*Proxies and Attorneys*" under this section "*Information for Shareholders*". Please pay particular attention to this section in order to correctly appoint a proxy.

Shareholders who wish to observe the AGM through a live webcast and submit questions in real time can visit <https://web.lumiagm.com>. Registration will open 1 hour before the start of the meeting. Details on how to observe and submit questions online are available in the Lumi Meeting Guide at www.yancoal.com.au/page/en/investors

Shareholders are strongly urged to submit questions ahead of the AGM to either the Company or the auditor through submitting a completed form accompanying this Notice of Meeting, or by way of email to shareholder@yancoal.com.au and/or media@yancoal.com.au.

IN-PERSON ATTENDANCE

While Yancoal will seek to take all reasonable precautions available, the Board cannot give any assurance that those persons attending the AGM in person will not be putting themselves at risk to health hazards concerning COVID-19.

Shareholders could also be in breach of applicable Australian laws around public gatherings if they attend the AGM in person.

The Board strongly urges shareholders to review and follow the Australian Department of Health's instructions and recommendations in relation to the COVID-19 pandemic.

Shareholders attending the meeting in person will be required to: (i) fill out a questionnaire regarding recent travel to high risk areas and possible flu-like symptoms on registration into the meeting; (ii) conduct compulsory body temperature screening; and (iii) wear a surgical face mask. No refreshments will be served at the meeting.

Shareholders are reminded to observe good personal hygiene at all times during the AGM. To the extent permitted under law, the Company reserves the right to deny entry into the AGM venue or require any person to leave the venue so as to ensure the health and safety of the attendees at the AGM and compliance with applicable laws.

The AGM will only consist of the items of business set out in this Notice of Meeting and will not consist of a presentation by the Chairman or any director of the Company. An electronic copy of the presentation will be lodged with the ASX and HKSE and will be made available on the Company's website before the AGM commences.

Due to travel restrictions and to minimise health risks to shareholders, officers and other attendees, only the Chairman of the AGM and Company Secretary will attend the AGM in person. Other Directors and Senior Management are not expected to attend in-person and will participate in the AGM virtually or otherwise.

ELIGIBILITY TO VOTE AND RECORD TIME

In order to qualify for attending and being eligible to vote at the AGM convened by this Notice of Meeting:

- in respect of those shareholders whose ordinary shares in the Company are traded on the Australian Securities Exchange, you must be a registered holder of Yancoal shares as at the Record Time (as defined below); and
- in respect of those shareholders whose ordinary shares in the Company are traded on the Stock Exchange of Hong Kong Limited, all duly completed transfer documents accompanied by the relevant share certificates must be lodged for registration with the Company's branch share registrar and transfer office in Hong Kong, Computershare Hong Kong Investor Services Limited located at Shops 1712-1716 Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong not later than 7.00pm (AEST) (being 5.00pm (HKT)) on Monday 27 July 2020) (the **Record Time**).

The Corporations Regulations 2001 and the ASX Settlement Operating Rules require that the time to determine who holds ordinary securities in the Company for the purposes of a meeting of its shareholders may not be more than 48 hours before that meeting. However, in order for the Company to comply with requirements arising from its dual-primary listing on the ASX and The Stock Exchange of Hong Kong Limited, the stipulated Record Time for the Company's AGM will be as set out above, which will fall on the fourth business day before the AGM. This is earlier than what shareholders and investors of the Company in Australia may be accustomed to.

Accordingly, share transfers registered after the Record Time will be disregarded in determining entitlements to vote at the AGM.

In this Notice of Meeting, references to shareholders are references to holders of ordinary shares in the Company.

VOTING

The financial statements and reports relate to the period from 1 January 2019 to 31 December 2019.

The Corporations Act requires the Financial Report (which includes the financial statements and notes, and the Directors' Declaration), the Directors' Report and the Auditor's Report to be laid before the AGM.

There is no requirement in the Corporations Act for shareholders to approve the Financial Report, the Directors' Report or the Auditor's Report. Pursuant to Rule 7.10 of the Company's Constitution, the Company's majority shareholder, Yanzhou Coal Mining Company Limited (**Yanzhou**), will vote on the financial statements of the Company at the AGM.

Shareholders will be given a reasonable opportunity at the AGM to ask questions and make comments on these reports and on the business and operations of the Company. Shareholders will also be able to ask questions of the Auditor, ShineWing Australia.

The documents are available on the Company's website at www.yancoal.com.au.

Item 2: Election and re-election of Directors

The Company must hold an election of Directors each year in accordance with ASX Listing Rule 14.5. Further, in accordance with ASX Listing Rule 14.4, and Rule 8.1(c) and 8.1(d) of the Company's Constitution, a Director appointed by the Board only holds office until the conclusion of the next general meeting following his or her appointment; and a Director must not hold office (without re-election) beyond the third annual general meeting following the meeting at which the Director was elected or re-elected.

Additionally, the Board has a practice that approximately one third of the Board will retire and seek re-election, so as to prevent a disproportionate number of Directors standing for re-election at future annual general meetings.

Baocai Zhang was re-elected, and Qingchun Zhao and Xiangqian Wu were elected on 26 May 2017, and have not been subsequently re-elected. Xing Feng was elected on 15 December 2017 and has not been subsequently re-elected. Therefore, Baocai Zhang, Qingchun Zhao, Xiangqian Wu and Xing Feng are required to seek re-election in accordance with ASX Listing Rule 14.4, code provision A.4.2 of Appendix 14 to the Rules Governing the Listing of Securities on the Stock Exchange (**HK Listing Rules**), and Rule 8.1(d) of the Company's Constitution.

Under ASX Listing Rule 14.4, code provision A.4.2 of Appendix 14 to the HK Listing Rules and Rule 8.1(c) of the Constitution, if a Director was appointed by the Board to fill a casual vacancy since the last annual general meeting, the Director only holds office until the end of the next general meeting following his or her appointment. Item 4: Approval of termination benefit payments

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company or a related body corporate if an exemption applies under section 200F or it is approved by shareholders under section 200E. This restriction applies to managerial or executive officers of the Company or any of its subsidiaries, which includes Mr Reinhold Hans Schmidt, Mr Lei Zhang and Mr Fucun Wang.

The term “benefit” for the purposes of Part 2D.2 of the Corporations Act has a wide operation and could include any of the payments listed in Items 4(a), 4(b) and 4(c) below. The contemplated payments to Mr Schmidt, Mr Zhang and Mr Wang do not fall under any of the exemptions or thresholds under section 200F of the Corporations Act. Accordingly, shareholders’ approval is sought for the purpose of section 200E of the Corporations Act to allow the Company to pay these payments to Mr Schmidt, Mr Zhang and Mr Wang upon their respective cessation of employment with the Company, in accordance with the Yancoal Australia Ltd Equity Incentive Plan (the **Plan**) rules and the terms and conditions stipulated below.

The Plan was previously approved by shareholders in 2018 for the purposes of what was then ASX Listing Rule 7.2, Exception 9(b) (but is now Listing Rule 7.2, Exception 13(b)).

If approval is granted, Mr Schmidt, Mr Zhang and Mr Wang will receive the payments described in the tables at Items 4(a), 4(b) and 4(c) below, in addition to any other termination benefits that the Company may provide to them where permitted to do so under the Corporations Act.

If approval is not granted, the Company may be unable to provide Mr Schmidt, Mr Zhang and Mr Wang with the benefits described in the tables at Items 4(a), 4(b) and 4(c) below upon the cessation of their employment. This may unnecessarily expose the Company to a substantial risk of claims for breach of contract and other legal action.

The Company’s majority shareholder, Yanzhou, holds approximately 62.26% of the shares on issue in the Company, and is not an associate of Mr Schmidt, Mr Zhang or Mr Wang.

Item 4(a): Approval of CEO STIP Payment to Reinhold Hans Schmidt

On 9 March 2020, the Company announced that Mr Schmidt had resigned as Chief Executive Officer (**CEO**) and all related Group directorships effective 8 March 2020. The Board agreed to the terms of his resignation.

For the purposes of sections 200B and 200E of the Corporations Act, approval is required to be obtained from shareholders for the final payment under the 2018 STIP which is due to be paid in March 2021 (**CEO STIP Payment**), under the Plan and on the terms and conditions set out in the Plan rules and his deed of release.

As Mr Schmidt was the CEO in the last 12 months, he is a connected person of the Company under the HK Listing Rules, and accordingly, the CEO STIP Payment constitutes a connected transaction under the HK Listing Rules. As all relevant percentage ratios (as defined in the HK Listing Rules) in relation to the CEO STIP Payment is less than 0.1%, such connected transaction is exempt from the reporting, announcement and independent shareholders’ approval requirements under the HK Listing Rules.

An overview of the key terms of the proposed payment of the CEO STIP Payment to Mr Schmidt, including the value of the benefit given and other information required under sections 200B and 200E of the Corporations Act, is set out in the table below.

On 20 March 2020, the Company announced that Mr Zhang had resigned as Chief Financial Officer (**CFO**) and all related Group directorships effective 20 March 2020. The Board agreed to the terms of his resignation.

For the purposes of sections 200B and 200E of the Corporations Act, approval is required to be obtained from shareholders for the payment of (i) \$242,541 being an ex-gratia payment to Mr Lei Zhang (**CFO Termination Benefit Payment**); and (ii) the final payment under the 2018 STIP which is due to be paid in March 2021 (**CFO STIP Payment**), under the Plan and on the terms and conditions set out in the Plan rules and his deed of release.

As Mr Zhang was a director of certain subsidiaries of the Company in the last 12 months, he is a connected person of the Company under the HK Listing Rules, and accordingly, the CFO Termination Benefit Payment and the CFO STIP Payment constitute connected transactions under the HK Listing Rules. As all relevant percentage ratios (as defined in the HK Listing Rules) in relation to the CFO Termination Benefit Payment and the CFO STIP Payment is less than 0.1%, such connected transactions are exempt from the reporting, announcement and independent shareholders’ approval requirements under the HK Listing Rules.

An overview of the key terms of the proposed payment of the CFO Termination Benefit Payment and the CFO STIP Payment to Mr Zhang, including the value of the benefit given and other information required under sections 200B and 200E of the Corporations Act, is set out in the table below.

On 20 March 2020, the Company announced that Mr Wang had resigned as executive director, chair executive committee and all related Group directorships effective 20 March 2020. The Board agreed to the terms of his resignation.

As Mr Wang was a director of the Company in the last 12 months, he is a connected person of the Company under the HK Listing Rules, and accordingly, the CEC STIP Payment constitutes a connected transaction under the HK Listing Rules. As all relevant percentage ratios (as defined in the HK Listing Rules) in relation to the CEC STIP Payment is less than 0.1%, such connected transaction is exempt from the reporting, announcement and independent shareholders' approval requirements under the HK Listing Rules.

An overview of the key terms of the proposed payment of the CEC STIP Payment to Mr Wang, including the value of the benefit given and other information required under sections 200B and 200E of the Corporations Act, is set out in the table below.

Forfeiture/ lapse of Awards	<p>Unless otherwise determined by the Board, a share granted under the Plan will be forfeited, and an Option or Right will lapse, in certain circumstances including:</p> <ul style="list-style-type: none"> • where the Board determines that any Vesting Condition or Exercise Condition applicable to the Award cannot be satisfied; • where the participant purports to dispose of the Award, or enter into any arrangement in respect of the Award, in breach of any disposal or hedging restrictions; • in the case of an Option or Right, on the Expiry Date applicable to the Option or Right; • where the Award has been acquired using a loan provided by a Group Company and the participant breaches the loan agreement; • in certain circumstances if the participant's employment is terminated (see 'Cessation of employment' below); • if the Board determines that the Award will be forfeited or lapse in the event of a change of control in respect of the Company (see 'Change of control' below); and • if the Board determines that the Award is liable to clawback (see 'Clawback' below).

Cessation of employment	<p>The rules of the Plan contain provisions regarding the treatment of vested and unvested Awards in the event that a participant ceases employment with the Group, as summarised below. However, an offer may prescribe that a specific grant of Awards will be treated in a different manner to the manner set out in the Plan rules.</p> <p>Generally, under the Plan rules, if a participant ceases employment in 'bad leaver' circumstances (including resignation (other than due to death, terminal illness, total and permanent disablement, mental illness, redundancy or retirement) or dismissal for cause or poor performance), unless the Board determines otherwise, all of their unvested Awards will be forfeited or lapse, and the participant will be required to exercise any vested Options or Rights within 60 days or they will also lapse.</p> <p>If a participant ceases employment in 'good leaver' circumstances, unless the Board determines otherwise, the participant will be entitled to retain a pro-rata amount of their unvested Awards based on the proportion of any applicable vesting period which has elapsed at the date that employment ceases, and all other unvested Awards will be forfeited or lapse. Unless the Board determines otherwise, any retained Awards will remain on foot subject to any applicable Vesting Conditions, Exercise Conditions and Disposal Conditions.</p> <p>Notwithstanding the above, the Board has discretion to treat Awards in a different manner to that set out above, subject to any requirement for shareholder approval.</p>
--------------------------------	--

Clawback	If the Board becomes aware of a material misstatement in the Company's financial statements, that a participant has committed an act of fraud, negligence or gross misconduct or failed to comply in a material respect with any restrictive covenant or that some other event has occurred which, as a result, means that a participant's Award should be reduced or extinguished, or should not vest, then the Board may clawback or adjust any such Award at its discretion to ensure no unfair benefit is derived by the participant.
Change of control	In the event of a change in control or other circumstances where the Board determines it is not practical or appropriate for unvested Awards to continue on foot, the Board has the discretion to determine the extent to which all or part of any unvested Awards should vest, lapse or otherwise be treated.
Restrictions	Awards may not be sold, transferred, mortgaged, pledged, charged, granted as security or otherwise disposed of, without the prior approval of the Board, or unless required by law. Participants must not enter into any arrangement for the purpose of hedging, or otherwise affecting their economic exposure to any unvested shares, or Options or Rights.
Employee share plan trust	A trust may be established in connection with the operation and administration of the Plan. The trust, if established, may be used to acquire shares that are then used to satisfy the Company's obligations to deliver shares to participants upon the exercise of Option and Rights under the Plan.
Amendments	The Board may, in its discretion, amend the Plan rules, or waive or modify the application of the Plan rules in relation to a participant, provided that (except in specified circumstances) if such amendment would reduce the rights of a participant in respect of their Awards acquired under the Plan, the Board must obtain the consent of the participant.

Item 5(a): Issue of Rights to Co-Vice Chairman under Equity Incentive Plan

ASX Listing Rule 10.14 requires shareholders' approval for the issue of securities in the Company under an employee incentive scheme to a Director, an associate of a Director, or any other person whose relationship with the Company is, in ASX's opinion, such that shareholders' approval should be obtained. The award of the LTIP Rights under the Plan and the proposed issue of equity securities in the Company on vesting and exercise of the LTIP Rights for these purposes falls within ASX Listing Rule 10.14.1 (issue of securities to a Director), and therefore requires the approval of the Company's shareholders.

The resolution contained in Item 5(a) seeks the required shareholders' approval to the issue of the LTIP Rights under the Plan for the purposes of Listing Rule 10.14.

If shareholders' approval is obtained under ASX Listing Rule 10.14 for the issue of LTIP Rights to Mr Zhang under Item 5(a), the LTIP Rights will be issued to Mr Zhang as soon as practicable after the AGM, but in any event within 12 months after the date of the AGM.

If shareholders' approval is not obtained under ASX Listing Rule 10.14 for the issue of LTIP Rights to Mr Zhang under Item 5(a), the LTIP Rights will not be issued to Mr Zhang.

Details of any securities issued under the Plan will be published in the annual report of the Company relating to a period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.

Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in the issue of securities under Plan after the resolution is approved and who were not named in this Notice of Meeting will not participate until approval is obtained under ASX Listing Rule 10.14.

As Mr Zhang is a Director and therefore a connected person of the Company under the HK Listing Rules, the issue of LTIP Rights to Mr Zhang constitutes a connected transaction under the HK Listing Rules. It is the Company's current intention to satisfy the LTIP Rights by way of either the transfer of existing Shares or the payment of a cash amount equivalent to the value of such number of shares, on and subject to the rules of the Plan and the terms of the grant. As the LTIP Rights form part of the remuneration package under Mr Zhang's service contract with the Company, such connected transaction is exempt from the reporting, announcement and independent shareholders' approval requirements under the HK Listing Rules.

An overview of the key terms of the proposed grant of LTIP Rights to Mr Zhang, a Co-Vice Chairman and Director of the Company, including information required under ASX Listing Rule 10.15, is set out in the table below.

Details of the proposed grant	The proposed grant to Mr Zhang is up to 344,390 LTIP Rights.

Any retained LTIP Rights will remain subject to the Vesting Condition.</p>
Why are LTIP Rights being issued?	<p>LTIP Rights have been selected as the form of award to be issued as it incentivizes the Director's participation in the long-term growth of the Company.</p>

A voting exclusion applies to this item of business, as set out in the Notice of Meeting.

Recommendation

The Board (other than Mr Ning Zhang) recommends that shareholders vote in favour of this resolution.

Item 5(b): Issue of Rights to Chief Executive Officer under Equity Incentive Plan

ASX Listing Rule 10.11 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, the Company must not issue or agree to issue securities in the Company without shareholders' approval to: (i) a related party; (ii) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30% or more) holder of shares in the Company; (iii) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10% or more) holder in the Company and who has nominated a Director to the Board pursuant to a relevant agreement which gives them a right or expectation to do so; (iv) an associate of a person referred to above; or (v) a person whose relationship with the Company or a person referred to in (i) to (iv) above is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders.

The award of the LTIP Rights under the Plan and the proposed issue of equity securities in the Company on vesting and exercise of the LTIP Rights for these purposes falls within ASX Listing Rule 10.11.1 (issue of securities to a related party) even though Mr David James Moulton is only the CEO of the Company. This is because Mr Moulton was a Director of the Company within the 6 months prior to the contemplated issue of the LTIP Rights to him, and none of the exceptions in ASX Listing Rule 10.12 apply. As such, this classifies Mr Moulton as a “related party” of the Company for the purposes of ASX Listing Rule 10.11.1 and therefore, the issue of LTIP Rights to Mr Moulton requires the approval of the Company’s shareholders.

The resolution contained in Item 5(b) seeks the required shareholder approval to the issue of the LTIP Rights under the Plan for the purposes of Listing Rule 10.11.

If shareholders’ approval is obtained under ASX Listing Rule 10.11 for the issue of LTIP Rights to Mr Moulton under Item 5(b), the LTIP Rights will be issued to Mr Moulton as soon as practicable after the AGM, but in any event within 1 month after the date of the AGM.

If shareholders’ approval is not obtained under ASX Listing Rule 10.11 for the issue of LTIP Rights to Mr Moulton under Item 5(b), the LTIP Rights will not be issued to Mr Moulton.

As Mr Moulton is the CEO of the Company and therefore a connected person of the Company under the HK Listing Rules, the issue of LTIP Rights to Mr Moulton constitutes a connected transaction under the HK Listing Rules. It is the Company’s current intention to satisfy the LTIP Rights by way of either the transfer of existing Shares or the payment of a cash amount equivalent to the value of such number of shares, on and subject to the rules of the Plan and the terms of the grant. As all relevant percentage ratios (as defined in the HK Listing Rules) in relation to the issue of the LTIP Rights to Mr Moulton is less than 0.1%, such connected transaction is exempt from the reporting, announcement and independent shareholders’ approval requirements under the HK Listing Rules.

An overview of the key terms of the proposed grant of LTIP Rights to Mr Moulton, the CEO of the Company, including information required under ASX Listing Rule 10.13, is set out in the table below.

Details of the proposed grant	The proposed grant to Mr Moulton is up to 1,171,240 LTIP Rights.
Price payable on grant or exercise	The LTIP Rights to be granted to Mr Moulton will be for nil consideration. Mr Moulton will not be required to pay any amount to exercise the LTIP Rights on vesting.

Material terms of the LTIP Rights	<p><i>Rights attaching to LTIP Rights</i></p> <p>LTIP Rights awarded to Mr Moulton will not carry any voting or dividend rights, and do not confer the right to Mr Moulton to participate in new issues of shares or other securities in the Company.</p> <p><i>Vesting Conditions</i></p> <p>Unless the LTIP Rights lapse under the terms of the Plan, the LTIP Rights will vest on 31 December 2022 (Vesting Date) subject to the following conditions:</p> <ul style="list-style-type: none"> Earnings Per Share (EPS) Vesting Condition (EPS Awards): 60% of the award will vest subject to an earnings per share growth performance hurdle; and Costs Target Vesting Condition (Costs Target Awards): 40% of the award will vest subject to cost per tonne performance of the Company relative to performance of a comparator group of Australian export mines at the end of the performance period. <p><i>Right of exercise</i></p> <p>Following the vesting date, Mr Moulton will be entitled to receive one ordinary share in the Company in respect of each exercised LTIP Right or a cash payment equivalent to the value of such shares, at the discretion of the Board.</p> <p><i>Cessation of employment prior to vesting</i></p> <p>Unless the Board determines otherwise, if Mr Moulton ceases employment prior to the Vesting Date, he will be entitled to retain all of his LTIP Rights subject to the Plan rules, unless he is terminated for cause or poor performance in which case his LTIP Rights will lapse. Any retained LTIP Rights will remain subject to the Vesting Condition.</p>
Date of grant	If shareholder approval is obtained, the LTIP Rights will be granted to Mr Moulton as soon as practicable after the AGM, but in any event within 1 month after the date of the AGM.
Purpose of issue	LTIP Rights have been selected as the form of award to be issued as it incentivizes the CEO’s participation in the long-term growth of the Company.

Other information required by ASX Listing Rule 10.13	The LTIP Rights have been awarded and offered to Mr Moulton under an LTIP Rights offer agreement in accordance with the Plan rules described in the Explanatory Notes above at Item 5. The material terms of the agreement have been described in this table.

A voting exclusion applies to this item of business, as set out in the Notice of Meeting.

Recommendation

The Board recommends that shareholders vote in favour of this resolution.

Item 6: Authorisation to fix Directors' remuneration

Shareholder's approval is sought by way of ordinary resolution for authorising the Directors to fix the amount of a Director's remuneration for the year ending 31 December 2020.

Reasons for resolution

In accordance with Rule 7.10(b)(10) of the Constitution, the shareholders have the power to fix the Directors' remuneration and in accordance with Rule 7.10(d), the shareholders may instruct the Board to do so by a resolution of the Company or by members holding a majority of shares conferring a right to vote, in writing. The Directors consider that the authorisation will provide the Company flexibility in fixing Directors' remuneration.

Remuneration for non-executive directors is currently capped for each financial year for the purposes of ASX Listing Rule 10.17. This proposed resolution does not seek to increase the aggregate amount of remuneration payable to non-executive directors in the upcoming financial year, and as such, will not affect the remuneration cap in place for the purposes of ASX Listing Rule 10.17.

Recommendation

The Board recommends that shareholders vote in favour of this resolution.

Item 7: Reappointment of Auditor and authorisation to fix Auditor's remuneration

Shareholder's approval is sought by way of ordinary resolution for the re-appointment of ShineWing Australia as the independent auditor of the Company and authorising the Directors to fix the amount of the Auditor's remuneration for the year ending 31 December 2020.

Reasons for resolution

In accordance with HK Listing Rule 13.88, the Company must at each annual general meeting appoint an auditor to hold office from the conclusion of that meeting until the next annual general meeting. In accordance with Rule 7.10(b)(11) of the Constitution, the shareholders have the power to fix the auditor's remuneration and in accordance with Rule 7.10(d), the shareholders may instruct the Board to do so by a resolution of the Company. The reason for this resolution is to comply with the requirement under HK Listing Rule 13.88 and the Directors consider that the authorisation will provide the Company with flexibility in fixing auditor's remuneration.

Recommendation

The Board recommends that shareholders vote in favour of this resolution.

Item 8: General mandate to issue shares

The Company's existing mandate to issue Shares was approved by its shareholders at the annual general meeting held on 31 May 2019. Unless otherwise renewed, the existing mandate to issue Shares will lapse at the conclusion of the AGM. Shareholders' approval is sought by way of ordinary resolution for granting a general mandate to the Directors to exercise the powers of the Company to allot, issue and deal with additional Shares in the share capital of the Company representing up to 20% of the total number of issued Shares immediately after the passing of the resolution in relation to such general mandate.

Reasons for resolution

The reason for this resolution is to ensure flexibility and discretion to the Directors in the event that it becomes desirable to issue new Shares. The Directors wish to state that they have no immediate plans to issue any new Shares pursuant to such general mandate.

As at the Latest Practicable Date, the number of Shares in issue was 1,320,439,437. Assuming no further Shares will be issued before the date of the AGM, the Directors would be granted a general mandate to issue up to a maximum of 264,087,887 Shares.

This resolution is commonly sought for companies publicly-listed in Hong Kong. Unless the Company obtains this general mandate, its ability to exercise its right to issue shares under ASX Listing Rule 7.1 without obtaining shareholder approval is limited. Regardless of the passing of this resolution, ASX Listing Rule 7.1 will continue to apply to the Company (the Company is ineligible to seek shareholder approval under ASX Listing Rule 7.1A). This means that shareholder approval would be required for the issue of such number of shares as exceeded the 15% placement capacity which is set out in ASX Listing Rule 7.1 (although it should be noted that ASX has temporarily through to 31 July 2020 (unless ASX otherwise decides to remove or extend the waiver), and subject to certain conditions, increased the 15% limit on placements in Listing Rule 7.1 to 25% to allow listed entities to raise capital urgently to sustain them as the effects of the COVID-19 pandemic become apparent). The Company confirms that it will comply with all regulatory requirements under the Corporations Act and with the relevant ASX Listing Rules if it were to issue shares that are not within the Company's capacity under ASX Listing Rule 7.1.

Recommendation

The Board recommends that shareholders vote in favour of this resolution.

Item 9: General mandate to repurchase shares

The Company's existing mandate to repurchase Shares was approved by its shareholders at the annual general meeting held on 31 May 2019. Unless otherwise renewed, the existing mandate to repurchase Shares will lapse at the conclusion of the AGM. Shareholder approval is sought by way of ordinary resolution for granting a general mandate to the Directors to repurchase shares not exceeding 10% of the total number of issued Shares as at the date of the relevant resolution approving such mandate (**Proposed Repurchase Mandate**) to the Directors to exercise the powers of the Company to repurchase shares representing up to 10% of the total number of issued shares immediately after the passing of the resolution in relation to the Proposed Repurchase Mandate.

Explanation statement and reasons for resolution*Share Capital*

As at the Latest Practicable Date, there were in issue a total of 1,320,439,437 Shares. Subject to the passing of the ordinary resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed to repurchase a maximum of 132,043,943 Shares which represent 10% of the total number of issued Shares during the period ending on the earlier of the conclusion of the next annual general meeting of the Company, or the date by which the next annual general meeting of the Company is required to be held by law or by the Constitution, or the date upon which such authority is revoked or varied by an ordinary resolution of the shareholders in general meeting.

Rule 10.06(5) of HKEx Listing Rules provides that the listing of all shares purchased by the Company is automatically cancelled and that the certificates for those Shares must be cancelled and destroyed.

Any repurchase of Shares by the Company would also need to comply with the requirements imposed by the Corporations Act and the ASX Listing Rules, including the lodging of an Appendix 3C in relation to the proposed share buy-back.

Reasons and funding of Repurchases

The Directors believe that it is in the best interest of the Company and the shareholders as a whole, to seek the Proposed Repurchase Mandate from the shareholders to enable the Company to repurchase Shares on the Stock Exchange. The Directors have sought the grant of the proposed Repurchase Mandate to give the Company the flexibility to repurchase the Shares if and when appropriate. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for such purpose and in accordance with the Constitution, the Corporations Act, the ASX Listing Rules and HK Listing Rules. However, the Directors did not have a concrete plan to exercise the Proposed Repurchase Mandate as at the Latest Practicable Date and, accordingly, did not have the associated proposal on the source of funds to finance the repurchase, if any. When the Directors consider that it is appropriate and beneficial to the Company and the shareholders for them to exercise the Proposed Repurchase Mandate, the Directors will consider whether internal resources, loans or other forms of finance would be the most appropriate source of funds and, in this regard will take into account, among other things, the financial position of the Group and the costs of the funds.

At present, the Directors have no intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interest of the Company. There could be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements of the Company as at 31 December 2019, being the latest published audited financial statements of the Company), if the Share Repurchase mandate is exercised in full at any time. The Directors do not propose to exercise the mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

General

As at the Latest Practicable Date, none of the Directors nor any of their respective close associates (as defined in the HK Listing Rules) have any present intention to sell any Shares to the Company or its subsidiaries in the event that the Proposed Repurchase Mandate is approved at the AGM and is exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Proposed Repurchase Mandate in accordance with the HK Listing Rules and the applicable laws of Australia.

As at the Latest Practicable Date, no core connected person has notified the Company that he/she has a present intention to sell any Shares to the Company, or has undertaken not to do so, in the event that the Proposed Repurchase Mandate is approved at the AGM and is exercised.

If, as a result of a repurchase of Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Hong Kong Code on Takeovers and Mergers (**Takeovers Code**). Accordingly, a shareholder, or a group of shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the shareholder's interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date and to the best knowledge and belief of the Directors, Yankuang is the controlling shareholder of Yanzhou which directly holds a total of 822,157,715 Shares. As Yankuang is entitled to exercise or control the exercise of more than one-third of the voting power at general meetings of Yanzhou, Yankuang is taken to have an interest under the SFO in the same block of 822,157,715 Shares, representing approximately 62.26% of the issued Shares.

In the event that the Directors should exercise in full the Proposed Repurchase Mandate, the shareholding of each of Yankuang and Yanzhou in the Company will be increased to approximately 69.18% of the issued Shares (if the present shareholding remains the same). Taking into account that each of Yankuang and Yanzhou is already holding more than 50% of the issued shares of the Company, it is not expected that the repurchase of Shares would give rise to a mandatory offer obligation under Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any other consequence which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Proposed Repurchase Mandate.

Rule 8.08(1)(a) of the HK Listing Rules requires that at least 25% of an issuer's total issued share capital must at all times be held by the public. The Company obtained a waiver under Rule 8.08(1)(d) of the HK Listing Rules to accept a lower public float percentage and the Company's minimum public float is approximately 15.37%. Based on the information that is publicly available to the Company and within the knowledge of the Directors as at the Latest Practicable Date, the Company has maintained the minimum public float of approximately 15.37% under the Hong Kong Listing Rules. In the opinion of the Directors, the exercise of the Proposed Repurchase Mandate may reduce public float to below 15.37% of the total number of Shares in issue as approved by the Stock Exchange. At present, the Directors have no intention to repurchase Shares to such extent as to result in the number of Shares held in the hands of the public falling below the prescribed limit as approved by The Stock Exchange of Hong Kong Limited.

Share Repurchase made by the Company

No repurchase of Shares has been made by the Company (whether on the Stock Exchange, ASX Limited or otherwise) in the six months preceding the Latest Practicable Date.

Share Prices

The highest and lowest traded prices for the Shares recorded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:

2019		
July	17.08	16.00
August	17.08	14.80
September	17.50	15.60
October	16.24	15.52
November	16.24	15.54
December	15.80	15.12
2020

June (up to and including the Latest Practicable Date)	10.68	13.00

Recommendation

The Board recommends that shareholders vote in favour of this resolution.

Item 10: Extension of general mandate to add the number of repurchased shares

Shareholders' approval is sought by way of ordinary resolution for, subject to the passing of the resolutions numbered 8 and 9, extending the authority given to the Directors pursuant to resolution numbered 8 to issue Shares by adding the number of issued Shares repurchased under resolution numbered 9.

Reasons for resolution

The reason for this resolution is to ensure flexibility to the Directors to exercise the powers of the Company to allot and issue more Shares in the event that the Proposed Repurchase Mandate is exercised.

Recommendation

The Board recommends that shareholders vote in favour of this resolution.
