

RECENT MEDIA EXPOSURE

PERTH, AUSTRALIA; 17th AUGUST 2016: Hazer Group Limited (ASX: HZR, HZRO) has seen significant recent interest from various national and international media groups, and the company wishes to share some of the recent Hazer media features seen globally via the links below. The Company has today also released a revised investor presentation which includes information surrounding Hazer's initial graphite results where the company successfully produced synthetic graphite of 99% purity under non-optimised conditions. These results were announced to the ASX on 2 August 2016.

The Company does not believe that individual media coverage items are price sensitive and thus not appropriate for ASX release, however Hazer Group is committed to communicating with the investment community through all available channels. Whilst the ASX remains the prime channel for market sensitive news, investors and other interested parties are encouraged to follow Hazer on Twitter (@hazergroupltd), LinkedIn, Google+ and Youtube should they wish to keep up to date with future exposure in the media.
