## ASX ANNOUNCEMENT

### SUVO STRENGTHENS MANAGEMENT TEAM

Australian kaolin producer and silica sand exploration company, **Suvo Strategic Minerals Limited** ('Suvo or the Company') is pleased to announce the appointment of Jeremy Whybrow as General Manager of Mining and Geology.

Jeremy has over 25 years' experience in the mining industry both domestically and internationally. Jeremy holds a B.Sc. (Mineral Exploration and Mining Geology), G.Dip (Mineral Economics) and MAusIMM.

Jeremy has extensive experience in the operational environment with significant exposure to exploration and mining operations, project evaluation and feasibility studies. As a founding Director of Greenland Minerals and Energy Ltd, he devised and executed exploration programs that led to the development of the largest rare earth resource globally by international reporting standards.

In the domestic mining industry, Jeremy worked with Sons of Gwalia Ltd, PacMin Mining Corporation Ltd and Teck Australia Pty Ltd amongst others where he managed the geological operations while also being called upon to act as alternate Resident Manager and Mines Rescue Sargent.

These skills are directly transferable and will be invaluable in driving forward our Pittong operations and the White Knight Kaolin and Nova Silica Sands Resource programs.

Speaking on behalf of the Company, Suvo's Executive Chairman, Robert Martin said *"to have someone with Jeremy's experience and expertise is crucial to delivering our Victorian and West Australian Projects on time and on budget. We look forward to working with Jeremy to achieve this for our shareholders"*

This announcement has been approved for release by the Chairman of Suvo Strategic Minerals Limited.
