

## ASX Release

23 December 2022

### Update to timing of NdPr metal sale and delivery to NS World

Australian Strategic Materials Limited (**ASM** or the **Company**) (**ASX: ASM**) updates the market in relation to the sale and delivery of 10 tonnes of neodymium praseodymium (**NdPr**) metal ingot to Korean-based company NS World<sup>1</sup>.

ASM subsidiary, KSM Metals Co. Ltd (**KSM**), has delivered three tonnes of NdPr metal against the contract held with NS World. At NS World's request, KSM has agreed to schedule the sale and delivery of the remaining seven tonnes of NdPr metal for the first half of 2023. This adjustment is to align with NS World's plant commissioning schedule.
