This restriction on voting undirected proxies does not apply to the Chairman where the proxy appointment expressly authorises the Chairman to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the Key Management Personnel.

Voting Exclusions in accordance with ASX Listing Rules

Resolutions 3 to 7 In accordance with Listing Rules 14.11, the Company will disregard any votes cast in favour of the resolution by or on behalf of the following persons:

Resolution 9: In accordance with ASX Listing Rule 14.11, the Company will disregard any votes cast in favour of Resolution 9 by or on behalf of any person who participated in the Placement or any associates of those persons.

- (b) an associate of any of those persons.

However, the above voting exclusion statements under the ASX Listing Rules will not apply and, subject to the voting exclusions under the Corporations Act as detailed above, the Company need not disregard a vote cast in favour of Resolutions 3 to 14 if it is cast by a person as:

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of Shareholders in connection with the business to be conducted at the Annual General Meeting to be held at 11.00am AEST on 19 May 2025.

This Explanatory Statement should be read in conjunction with, and forms part of, the accompanying Notice. The purpose of this Explanatory Statement is to provide information to Shareholders in deciding whether or not to pass the Resolution set out in the Notice.

A Proxy Form is located at the end of this Notice of Meeting and available online at <https://investor.automic.com.au/#/home> by logging into your account.

Annual Report

In accordance with section 317(1) of the Corporations Act, the Company's Annual Report must be laid before the Annual General Meeting. There is no requirement for Shareholders to approve the Annual Report.

At the Meeting, Shareholders will be offered the opportunity to:

- (a) discuss the Annual Report which is available online at <https://imexhs.com/investors-centre/>
- (b) ask questions about, or comment on, the management of the Company;
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the financial statements in the Annual Report and the independence of the auditor in relation to the conduct of the audit, and
- (d) ask questions about, or make comments on, the Remuneration Report.

In addition to taking questions at the Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about:

- (a) the content of the Auditor's Report;
- (b) the conduct of the audit;

may be submitted no later than 48 hours before the start of Meeting to the Company Secretary by email to enquiries@imexhs.com.au or may be raised during the Meeting through an online Q&A function.

1. RESOLUTION 1 - REMUNERATION REPORT

The Remuneration Report is set out in the Company's Annual Report which is available online at <https://imexhs.com/investors-centre/>.

The Chairman will allow a reasonable opportunity for shareholders to ask questions about, or make comments on, the Remuneration Report at the meeting.

The Remuneration Report identifies the Company's Key Management Personnel for the financial year ending 31 December 2024 and sets out the remuneration policy for the Company and the remuneration arrangements in place for such persons.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors of the Company. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

However, if the Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board (except a managing director). Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than a managing director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election (**Spill Meeting**).

The Company notes that its remuneration report received a Strike at last year's annual general meeting, receiving 27.03% 'no' votes. The Company notes that voter turnout at its meetings has historically been low, with less than 20% of total shares on issue in the Company being voted on the remuneration report resolution at last year's annual general meeting. Accordingly, while the Board considered the outcome of this vote, it decided not to alter any of the arrangements in last year's remuneration report as a result of the Strike, as it considered that the remuneration arrangements in place for Key Management Personnel were, and continue to be, reasonable and appropriate.

If the Remuneration Report receives a Strike at this Meeting, Resolution 15 will be put to the Meeting and, if passed by ordinary resolution, the Company will convene the Spill Meeting.

A voting exclusion statement for Resolution 1 is included in the voting exclusions. The Chairman intends to vote undirected proxies where permitted in favour of Resolution 1.

2. RESOLUTION 2 - RE-ELECTION OF DIRECTOR – MR CARLOS PALACIO

Article 6.3(c) of the Company's constitution requires one third of the Directors to retire at the annual general meeting (excluding the managing director) and Rule 14.5 of the ASX Listing Rules requires the Company to hold an election of Directors each year. Additionally, Rule 14.4 of the ASX Listing Rules provides that a Director must not hold office (without re-election) past the third annual general meeting following the Director's appointment or 3 years, whichever is longer.

Mr Palacio was re-elected to the Board at the Company's annual general meeting in 2022. Given the above, Mr Palacio retires as a Director of the Company and in accordance with Article 6.3(f) of the Company's Constitution, being eligible, seeks re-election as a director of the Company.

Mr Palacio is a seasoned entrepreneur with a proven track record in international IT, telecommunications, and strategic management. He earned a bachelor's degree in electrical engineering with a specialization in Telecommunications from the University of Technology Sydney and holds master's degrees in management and business administration from Macquarie University. Mr Palacio founded and served as the CEO of Crosspoint Telecommunications, a company that provided managed IT services globally, with operations in Australia and SE Asia. He led the successful sale of the company in 2022.

The Board (excluding Mr Palacio) recommends that shareholders vote in favour of Resolution 2. The Chairman intends to vote undirected proxies in favour of Resolution 2.

3. RESOLUTION 3 - GRANT OF OPTIONS TO THE CHIEF EXECUTIVE OFFICER

The Company proposes to grant 175,810 Options to Dr German Arango, the Managing Director and Chief Executive Officer of the Company (**CEO Options**). Resolution 3 seeks the required shareholder approval to issue securities under the Plan to Dr German Arango for the purposes of ASX Listing Rule 10.14.

3.1 Material terms of the CEO Options

The CEO Options are proposed to be issued under the Plan on the following terms:

- (i) each CEO Option will be granted for nil consideration, and no consideration will be payable by Dr German Arango to exercise a CEO Option (that is, the exercise price for a CEO Option is nil);
- (ii) the CEO Options will be issued in two tranches:
 - (A) Tranche 1: 58,017 Options; and
 - (B) Tranche 2: 117,793 Options;
- (iii) the CEO Options will be subject to the following vesting conditions:
 - (A) Tranche 1: Dr German Arango must remain an employee (as defined in the rules of the Plan) until 31 December 2026; and
 - (B) Tranche 2: Dr German Arango must remain an employee (as defined in the rules of the Plan) until 31 December 2027;
- (iv) both Tranche 1 and Tranche 2 will be subject to performance hurdles in addition to the vesting conditions set out above. These performance hurdles require the Company's 'total shareholder return' (**TSR**) to be at least 105% of the TSR of the S&P/ASX 300 Accumulation Index (AXKOA), or other appropriate index as determined by Board (**Index**) over the following performance periods for the CEO Options to vest in full:
 - (A) Tranche 1: the day of release to the ASX of the Company's audited financial report for the year ended 31 December 2024 to the day of release to the ASX of the Company's audited financial report for the year ended 31 December 2026; and
 - (B) Tranche 2: the day of release to the ASX of the Company's audited financial report for the year ended 31 December 2024 to the day of release to the ASX of the Company's audited financial report for the year ended 31 December 2027;
- (v) in respect of both Tranche 1 and Tranche 2, if the Company's TSR is equal to the Index TSR or exceeds the Index TSR by less than 5%, the CEO Options will vest on a pro-rata and straight-line basis starting at 25% (for example, if the Company's TSR exceeds the Index TSR by 2.5%, 62.5% of the Options will vest);
- (vi) each CEO Option will entitle the CEO to acquire one Share upon vesting and exercise;
- (vii) each CEO Option may be exercised at any time from the date of vesting until the date they lapse;

- (viii) unless they lapse earlier in accordance with the rules of the Plan, each CEO Option will lapse 10 years from the date of grant; and
- (ix) the CEO Options will otherwise be granted on the terms and conditions set out in the rules of the Plan, including the forfeiture and change of control provisions set out in the Plan.

3.2 ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit a director (or certain other classes of persons) to acquire Equity Securities under an employee incentive scheme unless it obtains the approval of its Shareholders.

Dr German Arango is a director of the Company. Accordingly, shareholder approval is required for the grant of the CEO Options under Listing Rule 10.14. If Shareholder approval is given under Listing Rule 10.14 pursuant to this Resolution, Shareholder approval under Listing Rule 10.11 is not required.

Pursuant to Listing Rule 7.2, exception 14, the effect of passing Resolution 3 will be to allow the Company to issue the CEO Options (and issue Shares on exercise of these Options) to Dr Arango without using the Company's 15% placement capacity under Listing Rule 7.1. Further to this, the issue of shares on exercise of these Options under the Plan also falls within exception 9 in Listing Rule 7.2.

Accordingly, if Shareholder approval is given for the grant of the CEO Options for the purposes of Listing Rule 10.14:

- (i) shareholder approval will not be required for the purposes of Listing Rule 7.1;
- (ii) the Company will grant the CEO Options without using any of the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholder approval is not given for the grant of the CEO Options, the Company will not be able to proceed with the proposed grant to Dr German Arango and the Board may consider other options available to compensate Dr German Arango in addition to his current remuneration.

3.3 Additional information required under ASX Listing Rule 10.15

Pursuant to and in accordance with ASX Listing Rule 10.15, the following additional information is provided for the purpose of obtaining shareholder approval for Resolution 3:

- (i) The CEO Options will be granted to Dr German Arango, who is a director of the Company and therefore a related party of the Company and falls within the category of person in ASX Listing Rule 10.14.1.
- (ii) The current total remuneration package of Dr German Arango for the year ending 31 December 2025 is \$290,000 excluding superannuation.
- (iii) The following options have previously been issued to Dr German Arango under the Plan - 2021: 43,519 options, 2022: 73,393 options, 2023: 162,182 options and 2024: 113,571 options. No cash consideration was paid for the issue of those options. The 2021 and 2022 options have since lapsed and been cancelled. No other securities have been issued to Dr German Arango under the Plan.

- (iv) If Resolution 3 is passed, the CEO Options are expected to be granted by the Company within 3 months of the date of the Meeting (and will in any event be granted within 3 years of the date of the Meeting), and it is anticipated that all of the proposed CEO Options will be issued on one date.
- (v) A summary of the material terms of the CEO Options is set out further above.
- (vi) The Company proposes to issue CEO Options as part of the overall remuneration package of Dr German Arango.
- (vii) The Company values each CEO Option at \$0.212 (Tranche 1) and \$0.229 (Tranche 2) using a Monte Carlo pricing model. The Company has obtained an independent valuation for the proposed CEO Options.
- (viii) A summary of the material terms of the Plan is contained at the end of this Notice and forms part of this Notice. Each Director is entitled to participate in the Plan.
- (ix) No loan is being made by the Company to Dr German Arango in relation to the issue or exercise of the CEO Options.
- (x) Details of any securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after Resolution 3 is approved and who were not named in this Notice will not participate until approval is obtained under that rule.
- (xi) A voting exclusion statement is included in the Notice of Annual General Meeting.

3.4 Section 208 of Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party (which includes a Director), the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed grant of CEO Options as the exception in section 211 of the Corporations Act applies. The CEO Options are being issued for the reasons set out above and are considered reasonable remuneration for the purposes of section 211 of the Corporations Act.

3.5 Board recommendation

The Board (excluding Dr Arango) recommends that shareholders vote in favour of Resolution 3. The Chairman intends to vote undirected proxies in favour of Resolution 3.

A voting exclusion statement for Resolution 3 is included in the voting exclusions.

4. RESOLUTIONS 4, 5, 6 AND 7 - GRANT OF OPTIONS TO NON-EXECUTIVE DIRECTORS

As was the case in previous years, to align director's interests with those of Shareholders and as part of the Company's overall cash preservation plans, the Board recommends the issuance of nil paid options to its non-executive Directors as part of their remuneration packages (**NED Options**). The quantum of NED Options proposed is equivalent to 35% of the non-executive Directors' fees for 2025.

As such, the Company proposes to grant 37,356 Options to Mr Damian Banks (Resolution 4), 74,711 Options to Mr Douglas Flynn (Resolution 5), 37,356 Options to Dr Douglas Lingard (Resolution 6) and 37,356 Options to Mr Carlos Palacio (Resolution 7) (collectively, the **NED Options**). Resolution 4 to 7 seek the required shareholder approval to issue the NED Options under the Plan to these Directors for the purposes of ASX Listing Rule 10.14.

4.1 Material terms of the NED Options

The NED Options are proposed to be issued under the Plan and all on the same terms. The material terms and conditions of the NED Options are set out below:

- (i) Each NED Option will be granted for nil consideration, and no consideration will be payable by the Director to exercise a NED Option (that is, the exercise price for a NED Option is nil);
- (ii) The NED Options will vest immediately upon their issue (that is, they will not be subject to any vesting conditions or performance hurdles);
- (iii) each NED Option will entitle the Director to acquire one Share upon exercise;
- (iv) the NED Options may be exercised at any time before their expiry date, and will not be subject to any forfeiture conditions;
- (v) each NED Option will lapse 4 years from the date of grant; and
- (vi) the NED Options will otherwise be granted on the terms and conditions set out in the rules of the Plan.

4.2 ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit a director (or certain other classes of persons) to acquire Equity Securities under an employee incentive scheme unless it obtains the approval of its Shareholders.

Each of Mr Damian Banks, Mr Douglas Flynn, Dr Douglas Lingard and Mr Carlos Palacio are directors of the Company. Accordingly, shareholder approval is required for the grant of the NED Options under Listing Rule 10.14. If Shareholder approval is given under Listing Rule 10.14 pursuant to Resolution 4 to 7, Shareholder approval under Listing Rule 10.11 is not required.

Pursuant to Listing Rule 7.2, exception 14, the effect of passing Resolutions 4 to 7 will be to allow the Company to issue the NED Options (and issue Shares on exercise of these Options) to Mr Damian Banks, Mr Douglas Flynn, Dr Doug Lingard and Mr Carlos Palacio without using the Company's 15% placement capacity under Listing Rule 7.1. Further to this, the issue of these Options (and issue of Shares on exercise of these Options) under the Plan also falls within exception 9 in Listing Rule 7.2.

Accordingly, if Shareholder approval is given for the grant of the NED Options for the purposes of Listing Rule 10.14:

- (i) shareholder approval will not be required for the purposes of Listing Rule 7.1;
- (ii) the Company will grant the NED Options without using any of the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholder approval is not given for a proposed grant of NED Options, the Company will not be able to proceed with the proposed grant of NED Options to the relevant non-executive Director and the Board may consider other options available to compensate that non-executive Director in addition to his current remuneration.

Resolutions 4 to 7 are not conditional upon each other. Accordingly, if one or more but not all of these resolutions are passed, the Company may still proceed to issue the relevant NED Options to the directors which have been approved by Shareholders.

4.3 Additional information required under ASX Listing Rule 10.15

Pursuant to and in accordance with ASX Listing Rule 10.15, the following additional information is provided for the purpose of obtaining shareholder approval for Resolutions 4 to 7:

- (i) The NED Options will be granted to Mr Damian Banks, Mr Douglas Flynn, Dr Douglas Lingard and Mr Carlos Palacio, who are non-executive directors of the Company and fall within the category of person in Listing Rule 10.14.1.
- (ii) The current total remuneration package (including superannuation) for the year ending 31 December 2025 of:
 - (A) Mr Damian Banks is \$40,140;
 - (B) Mr Douglas Flynn is \$80,280;
 - (C) Dr Douglas Lingard is \$40,140; and

These options have all been exercised and 107,434 Shares issued under the Plan as a result of their exercise;
 - (B) Mr Douglas Flynn: 2021: 39,437 options, 2022: 40,087 options and 69,370 Director Fee Shares, 2023: 79,453 options and 189,600 Director Fee Shares and 2024: 55,890 options and 133,368 Director Fee Shares. These options have all been exercised and 175,501 Shares issued under the Plan as a result of their exercise;
 - (C) Dr Doug Lingard: 2021: 19,719 options, 2022: 20,044 options and 34,685 Director Fee Shares, 2023: 39,726 options and 94,802 Director Fee Shares and 2024: 27,945 options and 66,682 Director Fee Shares. The 2021 options have been exercised and 19,719 Shares issued under the Plan as a result of their exercise; and

- (D) Mr Carlos Palacio: 2021: 19,719 options, 2022: 20,044 options and 34,685 Director Fee Shares, 2023: 39,726 options and 94,802 Director Fee Shares and 2024: 27,945 options and 66,682 Director Fee Shares.

No cash amounts were paid by the non-executive Directors for those securities. The Director Fee Shares were issued to the Directors in lieu of receiving cash fees.

- (iv) If Resolutions 4 to 7 are passed, the NED Options are expected to be granted by the Company within 3 months of the date of the Meeting (and will in any event be granted within 3 years of the date of the Meeting), and it is anticipated that all of the proposed NED Options will be issued on one date.
- (v) A summary of the material terms of the NED Options is set out further above.
- (vi) The Company proposes to issue NED Options as part of the overall remuneration package of the non-executive Directors.
- (vii) The Company values each NED Option at \$0.35 using a Black Scholes option pricing model. The Company has obtained an independent valuation for the proposed NED Options.
- (viii) A summary of the material terms of the Plan is contained at the end of this Notice and forms part of this Notice. Each Director is entitled to participate in the Plan.
- (ix) No loan is being made by the Company to the non-executive Directors in relation to the issue or exercise of the NED Options.
- (x) Details of any securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after Resolutions 4 to 7 are approved and who were not named in this Notice will not participate until approval is obtained under that rule.

4.4 Section 208 of Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party (which includes a Director), the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed grant of NED Options as the exception in section 211 of the Corporations Act applies. The NED Options are being issued for the reasons set out above and are considered reasonable remuneration for the purposes of section 211 of the Corporations Act.

4.5 Chairman

It is noted that Mr Carlos Palacio will act as Chairman for the purposes of Resolution 5.

4.6 Board recommendations

- (i) The Board (excluding Mr Damian Banks) recommends that shareholders vote in favour of Resolution 4. The Chairman intends to vote undirected proxies in favour of Resolution 4.
- (ii) The Board (excluding Mr Douglas Flynn) recommends that shareholders vote in favour of Resolution 5. The Chairman intends to vote undirected proxies in favour of Resolution 5.
- (iii) The Board (excluding Dr Douglas Lingard) recommends that shareholders vote in favour of Resolution 6. The Chairman intends to vote undirected proxies in favour of Resolution 6.
- (iv) The Board (excluding Mr Carlos Palacio) recommends that shareholders vote in favour of Resolution 7. The Chairman intends to vote undirected proxies in favour of Resolution 7.

Voting exclusion statements for Resolutions 4 to 7 are included in the voting exclusions.

5. RESOLUTION 8 – APPROVAL OF ADDITIONAL 10% SHARE PLACEMENT CAPACITY

5.1 Requirements under ASX Listing Rule 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under ASX Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. An 'eligible entity' for the purpose of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. At the date of this Notice, the Company is an eligible entity for these purposes.

Resolution 8 seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in ASX Listing Rule 7.1A to issue Equity Securities without shareholder approval (**10% Share Placement Capacity**).

If Resolution 8 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 8 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without shareholder approval provided for in ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in ASX Listing Rule 7.1.

Any issue of securities under ASX Listing Rule 7.1A:

- (i) must be in the same class as an existing quoted class of the Company's Equity Securities;

- (ii) must be issued for a cash consideration per Equity Security which is not less than a 25% discount to the volume weighted average price of securities in the same class calculated over 15 trading days on which trades in that class were recorded prior the date on which the price is agreed or, if not issued within 10 trading days of such date, the Equity Securities are issued; and
- (iii) must be calculated in accordance with the formula prescribed by ASX Listing Rule 7.1A.2.

Resolution 8 seeks Shareholder approval for the Company to have the ability to issue securities under the 10% Share Placement Capacity. The approval of Resolution 8 will provide the Company with greater flexibility to issue securities in addition to the 15% placement capacity set out in ASX Listing Rule 7.1 without a further requirement to obtain prior Shareholder approval.

6.2 Information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided for the purpose of obtaining shareholder approval for Resolution 8:

(a) Minimum price

The minimum price at which securities may be issued under the 10% Share Placement Capacity is 75% of the volume weighted average price of securities in the same class calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price of the securities to be issued is agreed; or
- (ii) if they are not issued within 10 ASX trading days of the date in paragraph (i), the date on which the securities are issued.

(b) Potential risk of economic and voting dilution

If this Resolution is approved by Shareholders and securities are issued under the 10% Share Placement Capacity, the interests of Shareholders who do not receive any securities under the issue would be diluted.

Shareholders should note that in such circumstances, as with any time in the market, there is a risk that:

- (i) the market price for Equity Securities issued under the 10% Share Placement Capacity may be significantly lower on the issue date than on the date of the approval under ASX Listing Rule 7.1A; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date.

As required by the Listing Rules, below is a hypothetical example of the potential dilution of Shareholders of the Company where the full 10% Share Placement Capacity is utilised, on the basis of three different assumed issue prices and numbers of Equity Securities on issue.

		Dilution when compared with the current issued share capital	Hypothetical issue price of shares issued under the 10% Share Placement Capacity		
			50% decrease in Issue Price \$0.165 per share	Issue Price \$0.33 per share	50% increase in Issue Price \$0.495 per share
Issued share capital	Current issued share capital 50,450,153	10% dilution	5,045,015 shares	5,045,015 shares	5,045,015 shares
		Funds raised	\$832,427	\$1,664,855	\$2,497,282
	50% increase in issued share capital 75,675,229	10% dilution	7,567,522 shares	7,567,522 shares	7,567,522 shares
		Funds raised	\$1,248,641	\$2,497,282	\$3,745,923
	100% increase in issued share capital 100,900,306	10% dilution	10,090,030 shares	10,090,030 shares	10,090,030 shares
		Funds raised	\$1,664,855	\$3,329,710	\$4,994,565

Note: the table above has been prepared on the following assumptions:

1. The Issue Price of \$0.33 is based on the closing price of shares on 15 April 2025;
2. The current issued share capital has been calculated in accordance with the formula in Listing Rule 7.1A(2);
3. The Company issues the maximum number of securities available under the 10% Share Placement Capacity;
4. No options are exercised prior to the date of issue of any shares under the 10% Share Placement Capacity;
5. The table shows the effect of issues of the Company's Equity Securities under the 10% Share Placement Capacity, not under the Company's 15% placement capacity under Listing Rule 7.1; and
6. The table does not show an example of dilution that may occur to any particular Shareholder due to any placements under the 10% Share Placement Capacity.

(c) Timing of potential issues

If Shareholders approve Resolution 8, securities may be issued under the 10% Share Placement Capacity during the period commencing on the date of the Meeting and ending on the first to occur of the following:

- (i) 12 months after the date of this Meeting;
- (ii) the Company's next annual general meeting; and
- (iii) the date of Shareholder approval for any transaction under Listing Rules 11.1.2 (significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking).

(d) Purpose of potential issue

Shares must be issued under the 10% Share Placement Capacity for cash consideration. The Company intends to use any funds raised from such issues for working capital purposes.

The Company will comply with its disclosure obligations under Listing Rules 7.1A.4 and 3.10.3 upon any issue of shares under the 10% Share Placement Capacity.

(e) Allocation policy under the 10% Share Placement Capacity

The Company's allocation policy will depend on the prevailing market conditions at the time of any proposed issue under the 10% Share Placement Capacity.

Potential allottees of securities under the 10% Share Placement Capacity will be determined on a case-by-case basis having regard to factors which may include:

- (i) the methods of raising funds which are available to the Company, including the time and market exposure associated with the various methods of raising capital applicable at the time of the raising;
- (ii) the effect of any such issue on the control of the Company;
- (iii) the financial situation of the Company; and
- (iv) advice from corporate, financial and broking advisers.

As at the date of this Notice, no allottees for a placement under the 10% Share Placement Capacity have been determined. They may, however, include substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

(f) Prior issues and shareholder approval

The Company has previously obtained Shareholder approval under Listing Rule 7.1A with the last approval being at its 2024 Annual General Meeting held on 23 April 2024.

The Company has not previously issued securities or agreed to issue securities under Listing Rule 7.1A in the 12 months preceding the date of the Meeting.

(g) Voting exclusion statement

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholders or class of security holders in relation to the proposed 10% Share Placement Capacity. Accordingly, no existing Shareholder will be excluded from voting under the voting exclusion statement in the Notice.

(h) Board recommendation

The Directors of the Company unanimously recommend Shareholders vote in favour of Resolution 8. The Chairman intends to vote undirected proxies in favour of Resolution 8.

6. RESOLUTION 9 - RATIFICATION OF PRIOR ISSUE OF SECURITIES - PLACEMENT

On 14 April 2025, the Company issued 4,285,712 Shares upon the successful completion of a placement to institutional, sophisticated and professional investors, the details of which were announced to the market on 3 April 2025 (**Placement**).

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the Shares it had on issue at the start of that period.

The issue of new Shares under the Placement does not fit within any of these exceptions and, as the Placement has not yet been approved by the Company's shareholders, it effectively uses up part of the 15% limit in ASX Listing Rule 7.1, reducing the Company's capacity to issue

further Equity Securities without shareholder approval under ASX Listing Rule 7.1 for the 12 month period following the issue.

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain shareholder approval for such issues under ASX Listing Rule 7.1.

To this end, Resolution 9 seeks shareholder approval for the issue of shares under the Placement under and for the purposes of ASX Listing Rule 7.4.

If Resolution 9 is passed, the new Shares issued under the Placement will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without shareholder approval over the subsequent 12 month period.

If Resolution 9 is not passed, the new Shares issued under the Placement will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without shareholder approval over the subsequent 12 month period.

Morgans Corporate Limited acted as Lead Manager to the Placement. The Placement was priced at \$0.35 per Share and the Placement raised gross proceeds of approximately \$1.5 million.

For the purposes of ASX Listing Rule 7.5, the following information is provided:

- (a) the number of Shares issued under the Placement was 4,285,712;
- (b) the Shares issued under the Placement were issued at a price of \$0.35 per Share;
- (c) the date of issue of the Shares under the Placement was 14 April 2025;
- (d) Shares under the Placement were issued to a range of existing and new institutional and sophisticated investors identified by Morgans Corporate Limited who qualify under the requirements of sections 9 and 708 of the Corporations Act;
- (e) the Shares issued under the Placement were fully paid ordinary shares which rank equally with other existing Shares from the date of issue;
- (f) the net funds raised from the Placement will be used by the Company to:
 - fund growth working capital; and
 - drive growth in Aquila+ sales;
- (g) a voting exclusion statement applies to Resolution 9 and is set out earlier in this Notice of Meeting.

The Directors unanimously recommend Shareholders vote in favour of Resolution 9.

The Chairman intends to vote undirected proxies in favour of Resolution 9.

A voting exclusion statement for Resolution 9 is included in the voting exclusions.

If no second Strike is received, Resolution 15 will not be put to the Meeting and any votes cast on it prior to its withdrawal will be disregarded.

If a second Strike is received and Resolution 15 is put to the Meeting and passed, then it will be necessary for the Board to convene a special general meeting of the Company (**Spill Meeting**) within 90 days of the date of the Meeting in order to consider the composition of the Board. If a Spill Meeting is required, the date of the meeting will be separately notified to Shareholders in due course.

If a Spill Meeting is held, the following Directors, being all the Directors of the Company other than Dr German Arango, the Managing Director and Chief Executive Officer of the Company, who held office when the Director's Report was approved and who remain in office, will automatically vacate office immediately before the end of the Spill Meeting unless they are willing to stand for re-election and are re-elected at that meeting:

SCHEDULE 1 - SUMMARY OF THE COMPANY'S LONG TERM INCENTIVE PLAN

The terms and conditions of the Plan are set out in comprehensive rules. A summary of the rules of the Plan is set out below:

- The Plan is open to Directors, senior management, and any other employees of the Company or its subsidiaries, as determined by the Board. Participation is voluntary.
- Types of awards under the Plan include (each an **Award**):
 - Options;
 - performance rights;
 - Shares; and
 - loan funded Shares.
- The Board may determine the type and number of Awards to be issued under the Plan to each participant and other terms of issue of the Awards, including:
 - what service-based conditions and/or performance hurdles must be met by a participant in order for an Award to vest (if any);
 - the fee payable (if any) to be paid by a participant on the grant of Awards;
 - the exercise price of any Option granted to a participant;
 - the period during which a vested option can be exercised; and
 - any forfeiture conditions or disposal restrictions applying to the Awards and any Shares that a participant receives upon exercise of their options or performance rights.
- The Board may, in its discretion, also determine that the Company will issue limited recourse loans to participants to use for the purchase of Shares as part of an Award of Shares under the Plan (loan funded Shares).
- When any service-based conditions and/or performance hurdles have been satisfied, participants will receive fully vested Shares or their options/performance rights will become vested and will be exercisable over Shares (as applicable).
- Each vested Option and performance right enables the participant to be issued or to be transferred one Share upon exercise, subject to the rules governing the Plan and the terms of any particular offer.
- Participants holding Options or performance rights are not permitted to participate in new issues of Equity Securities by the Company but adjustments may be made to the number of Shares over which the Options or performance rights are granted and/or the exercise price (if any) to take into account changes in the capital structure of the Company that occur by way of pro rata and bonus issues in accordance with the rules of the Plan and the ASX Listing Rules.
- The Plan limits the number of Awards that the Company may grant without Shareholder approval, such that the sum of all Awards on issue (assuming all options and performance rights were exercised) do not at any time exceed in aggregate 10% of the total issued capital of the Company as at the date of any proposed new Awards.
- The Plan defines the circumstances where a participant may be considered a good leaver. In these circumstances the Board has sole and absolute discretion in determining the manner in which any unvested Awards may be dealt with.

- In the event of a change of control event, unless the Board in its sole and absolute discretion deems otherwise, Awards granted will vest on a pro rata basis where the Board considers vesting conditions and performance hurdles applicable to those Awards to have been satisfied.
- The Board may at any time amend the Plan, or the terms and conditions upon which Awards have been issued under the Plan, subject to the requirements of the Constitution, the Listing Rules and requirement to not materially reduce the rights of any participants (as set out in clause 22 of the Plan).
- The Board may delegate management and administration of the Plan, together with any of their powers or discretions under the Plan, to a committee of the Board or to any one or more persons selected by them as the Board thinks fit.
