New Talisman Gold Mines Limited (NTL) is pleased to present a report on activities for the quarter ended 31 March 2023.

This quarter the company has again been fully focused on progressing our Strategic Plan to bring the Talisman Mine to production.

During the quarter NTL progressed the following key matters.

- Completed a share consolidation on a 10 for 1 basis.
- Successfully completed a Rights Issue with existing shareholders raising \$1.718m of funds. The rights issue was supported by two shareholding directors and saw NTL's largest shareholder take up their full allocation and apply for oversubscription.
- Opened the placement of shortfall from the Rights Issue which when closed in April 2023 raised a further \$155k bringing the total rights issue funds raised to \$1.873m. NTL also has in principle agreement with a new shareholder to take \$300,000 of shortfall, subject to completing necessary documentation
- Finalised the NTL Health and Safety Management System in readiness for a return to site operations.
- As part of our focus on reducing unnecessary overhead, we have now successfully sublet the former corporate office in Parnell until the end of the lease period.

During the quarter the Company paid \$44,863 for director fees to companies in which directors and major shareholders have a substantial interest. The Company paid \$29,167 to John Upperton in his capacity as Strategic Delivery Manager.
