No person is authorised to give information or make any representation that an offering will occur.

Any securities of Delorean have not been, and will not be, registered under the U.S. Securities Act or the securities laws of any state or other jurisdiction of the United States and, if there is an offer of securities, may not be offered or sold in the United States except in transactions exempt from or not subject to, the registration requirements of the U.S. Securities Act and any other applicable securities laws.

This presentation is presented for informational purposes only. It is not intended to be, and is not, a prospectus, product disclosure statement, offering memorandum or private placement memorandum for the purpose of Chapter 6D of the Corporations Act 2001.

Except for statutory liability which cannot be excluded, the Company, its officers, employees and advisers expressly disclaim any responsibility for, and make no representations or warranty for, the accuracy or completeness of the material contained in this presentation and exclude all liability whatsoever (including in negligence) for any loss or damage which may be suffered by any person as a consequence of any information in this presentation or any error or omission there from. The Company accepts no responsibility to update any person regarding any inaccuracy, omission or change in information in this presentation or any other information made available to a person nor any obligation to furnish the person with any further information.

This presentation contains "forward-looking statements" and comments about future events, including statements about Delorean's expectations about the performance of its business. Forward-looking statements may include words such as "anticipate", "believe", "expect", "project", "forecast", "estimate", "out-look", "upside", "likely", "intend", "should", "could", "may", "target", "plan", and other similar expressions. Indications of, and guidance on, future earnings and financial position and performance are also forward-looking statements. Forward-looking statements, opinions and estimates provided in this presentation are based on assumptions and contingencies which are subject to change without notice. Forward-looking statements including projections, guidance on future earnings and estimates are provided as a general guide only and should not be relied upon as an indication, prediction or guarantee of future performance. Actual results may differ materially from those expressed or implied in such statements and these differences maybe material. The forward-looking statements in this presentation involve known and unknown risks and other factors, many of which are beyond the control of, or unknown to, Delorean, its directors, officers and employees, and may involve significant elements of subjective judgement and assumptions as to future events which may or may not be correct.

Such forward looking statements are based on information available to Delorean as at the date of this presentation. Recipients are cautioned not to place undue reliance on forward looking statements and except as required by law or regulation, Delorean assumes no liability to update these forward-looking statements. Such statements speak only as of the date hereof, and Delorean has no obligation to update or revise any such statements to reflect any change in events, conditions or circumstances on which any such statement is based.

No representation or warranty, express or implied, is made by the Company that the matters stated in this presentation will be achieved or prove to be correct. Recipients of this presentation must make their own investigations and inquiries regarding all assumptions, risks, uncertainties and contingencies which may affect the future operations of the Company or the Company's securities.

The Company does not purport to give financial or investment advice. No account has been taken of the objectives, financial situation or needs of any recipient of this document. Recipients of this document should carefully consider whether the securities issued by the Company are an appropriate investment for them in light of their personal circumstances, including their financial and taxation position.

Pioneering Bioenergy in Australia

- **Delorean Corporation (ASX:DEL)** (“Delorean” or “DEL”) operating in two high growth investment sectors – renewable energy and waste management
- **Proven Track Record:** 12-years of experience in design, construction, delivery and operation of anaerobic digestion (AD) infrastructure across Australia and New Zealand
- **Industry Leader:** Builder of 4 out of 6 commercial-scale AD plants in Australasia. Delorean is currently building Australia’s largest AD facility for Yarra Valley Water – Tier 1
- **Unique Position:** the only Build-Own-Operate (BOO) Bioenergy developer in Australia
- **Strategy:** develop a backbone of Build-Own-Operate Bioenergy infrastructure projects across Australia for the supply of renewable biomethane

Unlocking Australia's Bioenergy Potential

The Opportunity:

- Australia's waste-to-energy potential is enormous, with over 40M Tonnes of Organic Waste and Residue available
- Hard-to-abate sectors are in urgent need of sustainable alternatives to natural gas
- Collaboration is key to position Australia as a global leader in renewable gas production

Delorean's Role:

- Support the Development, Construction and operation of infrastructure to support Australia's net zero targets

Supporting Australia’s Transition to Renewable Gas

Delorean’s projects replace natural gas with biomethane, driving decarbonisation in hard-to-abate sectors through existing infrastructure.

Projected Biomethane Production from Delorean Bioenergy Projects

Strategic Collaborations Powering the SA1 Bioenergy Project

With our partners, we are delivering Australia's first BOO green gas project, strengthening the renewable energy sector and accelerating the transition to a net-zero future.

\$6.08M ARENA Grant Secured for the SA1 Bioenergy Project*

Funding supports infrastructure upgrades to enable the production of:

- Renewable Gas (Biomethane)
- Liquid Carbon Dioxide (LCO₂)
- Renewable Gas Certificates of Origin (RGGOs)

ARENA
Australian Government
Australian Renewable
Energy Agency

** The grant is conditional on finalising key commercial agreements, incl. biomethane offtake.*

- ◆ **Powering Australian Industry** – collaborating with green gas offtake partners to decarbonize energy
- ◆ **CO₂ Circular Economy** – capturing and reusing biogenic CO₂, creating sustainable solutions.
- ◆ **Financial Backing** – accelerating bioenergy infrastructure rollout with top-tier financier
- ◆ **Government Leadership** – strengthening national energy security and driving climate targets
- ◆ **Engineering Excellence** – Delivered by leading bioenergy experts

SA1 Project is a major step for Australia's Renewable Energy Transition and a significant milestone for Australia's energy independence

SA1 Bioenergy Plant - First BOO Bioenergy Project in Australia

SA1

Green Gas-to-Mains Bioenergy Projects

Location: Salisbury, South Australia

- 70,000tpa facility (stage 1)
- 210 TJ/annum biomethane production
- 7000tpa green CO₂

This will be one of Australia’s first projects to create green gas to mains utilising organic waste feedstocks.

PROJECT BENEFITS

- **150,000 tCO₂-e/annum**
Emissions reduction
(~3,700,000 tonnes over the project lifetime)
- **180 TJ pa**
Industrial facility natural gas replaced with biomethane
- **200,000 tCO₂e**
Industrial facility emissions reduction over project lifetime
- **Net Zero by 2040**
Supporting large industrials in decarbonizing

NSW1 Brickworks Bioenergy Plant - First BOO RNG Behind The Meter

NSW1

Green Gas Collaboration

Location: Horsley Park, NSW

- 120,000tpa facility (stage 1) with ability for 150,000TPA
- 250-380 TJ/annum RNG generation

This will be Australia’s first Industrial-Scale Bioenergy Project to Create Renewable Gas Behind The Meter

PROJECT BENEFITS

- **138,035 tCO2-e/annum**
Emissions reduction
- **253+ TJ/pa**
Industrial facility natural gas replaced with biomethane
- **325,300 tCO2e**
Industrial facility emissions reduction over project lifetime
- **~50% Scope 1 Emissions Reduction**
Supporting large industrials in decarbonizing by replacing natural gas with biomethane

Collaboration is Key To Scaling Up

Delorean is building partnerships with industry and government to unlock the nation's bioenergy potential and advance critical biomethane infrastructure to drive a sustainable, carbon-neutral future in the country.

Delorean Corporation

Transforming Australia's Bioenergy Future

Delorean is on a mission to transform Australia's waste and energy challenges into its greatest opportunity
