SRG Global Secures Specialist Facades Contract for 51 Flinders Lane valued at ~\$30m

Highlights:

- **SRG Global has secured a specialist facades contract valued at ~\$30m**
- **Contract is for the 51 Flinders Lane development in Melbourne**
- **Continues our longstanding relationship with Lendlease**

SRG Global Ltd ('SRG Global' or 'the Company') (ASX: SRG) is pleased to announce that it has secured a specialist facades contract in Melbourne valued at ~\$30m.

The contract is with Lendlease Building Contractors Pty Ltd for the design, supply, and installation of specialist engineered curtain wall facades at the 51 Flinders Lane development located in the Melbourne CBD. The contract will start immediately and is expected to be complete in 2025.

Designed by internationally renowned architect Bates Smart, the 51 Flinders Lane development will feature two towers, a 15-level medium rise North tower and a 39-level high rise South tower. The towers will be carbon neutral and consist of retail and office spaces, offering a unique high-end boutique office experience. The towers will incorporate the heritage brick facades reconstructed into our Curtain Wall façade system and the project will be targeting a 5 Star NABERS Energy rating (Base Building) and 4 Star NABERS Water rating (Whole Building).

David Macgeorge, Managing Director, commented: "We are very pleased to be continuing our longstanding relationship with Lendlease by securing this major development project. This contract win reinforces our position as a partner of choice and continues our strategy to win specialist facades projects with key repeat clients."
