

ASX Release

9 March 2017

NEXTDC appoints new board member

NEXTDC Limited (**ASX: NXT**) ("**NEXTDC**" or "**the Company**") is pleased to announce the appointment of Ms Sharon Warburton to the NEXTDC board as non-executive director, effective 1 April 2017.

Ms Warburton brings extensive experience and insight into corporate strategy, business operations and finance, with a strong track record in the resources, infrastructure and construction industries.

Ms Warburton is currently a non-executive director of ASX-listed Fortescue Metals Group and Gold Road Resources. She is also Chairman of the Northern Australia Infrastructure Facility and a Director of Western Power. She is a Fellow of The Chartered Accountants Australia New Zealand, a Graduate of the Australian Institute of Company Directors and a Fellow of the Australian Institute of Building.

NEXTDC's chairman Douglas Flynn said, "Ms Warburton is warmly welcomed to NEXTDC, where her expertise in large-scale construction projects will bring unique insight to the board, as NEXTDC has more than \$250 million of capital investments planned for this year."

"I see first-hand how infrastructure is vital to economic development," commented Ms Warburton, "and it's exciting to be part of a company playing a key role in the development of Australia's digital economy."

About NEXTDC

NEXTDC is an ASX200-listed technology company enabling business transformation through innovative data centre outsourcing solutions, connectivity services and infrastructure management software.

As Australia's leading independent data centre operator with a nationwide network of Tier III facilities, NEXTDC provides enterprise-class colocation services to local and international organisations. With a focus on sustainability and renewable energy NEXTDC is leading the industry with award-winning engineering solutions for energy efficiency and NABERS 4.5 star certification.

NEXTDC is extending its leadership in data centre services through the innovative DCIM-as-a-Service software platform, ONEDC®, which enables customers to centrally manage their on-premise and colocated infrastructure; and advanced connectivity services that deliver a range of secure, high-speed interconnections between racks, networks and cloud services.

NEXTDC's Cloud Centre is the online marketplace for the country's largest independent network of carriers, cloud and IT service providers, enabling customers to freely source best of breed suppliers within the NEXTDC Partner community.

NEXTDC is *where the cloud lives*®.
